REPORT OF THE CHAIRMAN OF THE BOARD OF SELECTMEN

To My Fellow Citizen of Oak Bluffs:

My report to you accents the present and the future because these are the areas of great concern and importance. Although events of this past year bear mention such as an excellent tourist season; Oak Bluffs hosting the Martha's Vineyard Commission's 20/20 conference climaxing with a visit of Governor Dukakis and Cabinet; a successful Tivoli Day featuring the 52 mile bike race; I laud the merchants of Oak Bluffs who did their utmost to upgrade the appearances of their businesses and the cooperation of the Friends of Oak Bluffs to help beautify the Town; the diligent surveillance of expenditures by Town Departments that kept our tax rate from rising; our beaches were clean and well managed and our parks and lands were tastefully planted and care for. All things considered, this town has grown and prospered over the past year and the Board of Selectmen want to thank you for your support.

But we cannot rest on our laurels. The world has caught up with Oak Bluffs and we face many important decisions that will affect the quality of our lives, as well as our children. Some of these are education, solid waste, septage disposal and treatment, water quality and quantity, roads and highways, harbor improvement, and shellfish management. These are some of the weighty issues that Oak Bluffs has to wrestle with and solve. Some of them have to be approached locally while others have to be addressed on a regional basis.

All of the above have the solutions intertwined with money; and they are very expensive. The Town has different sources of income to put towards these expenditures but the main source is the real estate tax. With the advent of Proposition 2½, this limits the amount of money that the Town can raise to run its government and also search for answers to these socio-economic problems. The Town must rely on other sources of revenue, i.e., user fees, Federal Revenue Sharing, State reimbursement (cherry sheet), State and Federal Grants. So, you the citizens of Oak Bluffs must set your priorities carefully, and then look to your Town Government to lead you towards the practical and financial solutions. The Martha's Vineyard Commission's help has been invaluable to the Town of Oak Bluffs in its quest and ultimate reception of State and Federal Grants, as well as the capable technical assistance given to our Boards and Departments. Your decisions at the Town meeting help to guide your selectmen down the avenue of choices. These coming years are most important to our Town's future. We have a new water standpipe but we must have new well fields and the machinery to fill it. We have a most prolific and financially solvent harbor bulkhead, but we must rehabilitate and maintain it or its use will ebb like the tides. Our elementary school must be reconditioned so that our future generations can look with pride to their school system. We can no longer put our garbage out on the road without thinking of where the Town is going to dispose of it. It is our problem - yours and mine. Our Town has failing septic systems that have to be rehabilitated -- and, together with addressing the disposal of such septage, this has to be one of the top priority items.

So, my fellow townspeople, the future of Oak Bluffs is really your future. Our Town has grown and flourished over the years. We have come a long way from horse and carriage and gas lamps. But let us not rush too much into the future lest we lose our basic values and simple respect for our friends and

neighbors. Cities and towns all over the country are facing the same problems that we are looking at. But, I am confident that the citizens of Oak Bluffs can be logical, practical and financially prudent to confront and resolve these issues as they arise.

In conclusion, during my term as Chairman, Ed Coogan and Dick Blankenship shared their views with me and gave me the support that a chairman should have. For this I thank them. These dialogues broaden my horizons and, no doubt, made me the wiser for it. And my thanks to all the Town Employees and Department Heads for their unstinted loyalty and cooperation during the past year. We truly have a Great Town!!!

Respectfully submitted,

ANTHONY J. REBELLO, Chairman
Board of Selectmen

ANNUAL REPORT OF THE ASSESSORS

Board of Selectmen
Town of Oak Bluffs
Oak Bluffs, Massachusetts

Gentlemen:

TOWN ACCOUNTANT

Mr. Anthony J. Rebello, Chairman
Board of Selectmen
Town of Oak Bluffs
Oak Bluffs, Massachusetts 02557

Dear Mr. Chairman:

In accordance with the provisions of Chapter 41, Section 61 of the Massachusetts General Laws, I herein submit my final annual report of the Oak Bluffs Accounting Department.

This report contains a statement of receipts and expenditures, summary of appropriations accounts for fiscal year 1983 and the first six months of fiscal year 1984, and the balance sheet for the year ended June 30, 1983.

I would like to thank the Board of Selectmen, my assistant Susan Fauteux and all the Town departments for their assistance during my first year as Town Accountant.

Respectfully submitted,

ALAN W. KALLMAN, Town Accountant

NOTICE

In accordance with General Laws, Chapter 64, Section 15, public notice is hereby given that the Town Clerk is prepared to furnish blanks for the RETURN OF A BIRTH to parents, householders, physicians and mid-wives who apply therefor.

The attention of parents and others is called to the importance of recording vital statistics correctly. If any errors or omissions are discovered, the same should be reported to the Town Clerk so that corrections may be made in accordance with the law. Failure to correct birth information may result in inconvenience to the child in later years, such as entering school, seeking employment, property rights, voting rights, marriage, military and naval service, veterans' benefits, travel outside the United States, etc., when a birth certificate is required.

General Laws, Chapter 46, Section 6, provides that "Parents within 40 days after the birth of a child, and every householder within 40 days after a birth in his house, shall cause notice thereof to be given to the town clerk of the town where such child is born..."

General Laws, Chapter 273 of 1946 provides that "Any resident of this Commonwealth who marries outside the Commonwealth and thereafter resides within the United States...may personally present to the town clerk of the town where such person was domiciled at the time of said marriage an original certificate, declaration or other written evidence of the same, or a photostatic copy thereof. The clerk may file such... as evidence establishing such marriage..."

TOWN OF OAK BLUFFS
REPORT OF THE SPECIAL TOWN MEETING
APRIL 12, 1983

The Moderator, Frederick L. Loud, Jr., Esq., announced that a quorum was present.

Nonvoters were permitted to remain without voice or vote.

Article 1. Voted as amended to authorize the Conservation Commission to acquire by purchase or the Board of Selectmen to take by eminent domain or otherwise for conservation purposes described in Chapter 40, Section 8c, Massachusetts General Laws, the following parcel of land:

The Patriots Trail Girl Scout Sailing Camp, Assessors Map 15, Lot 1; Map 22, Lot 3, 4, and 5.

To authorize the Treasurer, with the approval of the Selectmen, to borrow for a period of not over six months the sum of Three Hundred Seventy Eight Thousand, Nine Hundred Sixty Dollars (\$378,960.00) under the provisions of Chapter 44, Section 8c, of the General Laws for the acquisition of the Patriots Trail Girl Scout Sailing Camp for conservation purposes. And to authorize the Oak Bluffs Conservation Commission with the approval of the Board of Selectmen on behalf of the Town, to enter into any agreement that it deems advantageous with the Commonwealth of Massachusetts under the provisions of General Laws Chapter 132A, Section 11, for partial reimbursement of the costs of acquisition of the above described land. And further to direct that any reimbursement received shall be applied to the payment of any temporary borrowing under Chapter 44, Section 8c of the General Laws.

Article 2. Voted as amended to transfer the sum of One Hundred Thirty Thousand Dollars (\$130,000.00) from the account "Reconstruction of North Jetty" to an account for the purchase and expenses of acquiring the Patriots Trail Girl Scout Sailing Camp for conservation purposes.

Article 3. Voted to authorize the Oak Bluffs School Committee to use the sum of Eight Hundred Sixty Five Dollars (\$865.00) which was raised at an Oak Bluffs School yard sale, for playground facilities.

Article 4. Voted to appropriate the sum of Twenty Five Thousand Dollars (\$25,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of repairing and reconstructing the Oak Bluffs School.

Article 5. Voted to transfer the sum of Two Hundred Dollars (\$200.00) from Surplus Revenue to an account for Office Supplies for the Sign and Review Committee.

Article 6. Voted to transfer the sum of Two Thousand Dollars (\$2,000.00) from Surplus Revenue to an account for the study of Lagoon Pond and improvements.

Article 7. Voted to transfer the sum of Eight Hundred Dollars (\$800.00) from Surplus Revenue to the account "Propagation of Shellfish."

Article 8. Voted to transfer the sum of Four Hundred Thirty Two Dollars and Eighty Cents (\$432.80) from Surplus Revenue to the account "Deputy Shellfish Constable's Wages."

Article 9. Voted to appropriate the sum of Four Thousand Dollars (\$4,000.00) from Surplus Federal Revenue Sharing Funds for purchasing an automobile for the Building Inspector/Board of Health.

Article 10. To see if the Town will vote to appropriate the sum of Ten Thousand Dollars (\$10,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of purchasing copying machines for the Town Hall and Town Garage.

Article 11. Voted to appropriate the sum of One Thousand Dollars (\$1,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of purchasing a typewriter for the Town Clerk's Office.

Article 12. Voted to appropriate the sum of Two Thousand Dollars (\$2,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of renovating Waban Park.

Article 13. Voted to appropriate the sum of Five Thousand Dollars (\$5,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of repairing the North Bluff.

Article 14. Voted to appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500.00) from Surplus Federal Revenue Sharing Funds for the purpose of repainting the interior of the Oak Bluffs Library.

Article 15. Voted to transfer the sum of Thirty Five Thousand Dollars (\$35,000.00) from Surplus Revenue and Thirty Thousand Dollars (\$30,000.00) from the Stabilization Funds for the purchase of a Sanitation Truck.

Following a motion which was seconded this Special Town Meeting adjourned at 8:25 p.m. and the audience was directed to the business contained in the Warrant for the Annual Town Meeting.

JANE P. VOTTA, C.M.C., Town Clerk

**TOWN OF OAK BLUFFS
REPORT OF THE ANNUAL TOWN MEETING
HELD ON APRIL 12TH AND 13TH, 1983
AND THE ANNUAL TOWN ELECTION
HELD ON APRIL 14TH, 1983**

Pursuant to the foregoing Warrant, the inhabitants of the Town of Oak Bluffs qualified to vote in elections and Town affairs met at the gymnasium of the Oak Bluffs Elementary School in said Oak Bluffs, on Tuesday, the twelfth of April at 7:00 o'clock in the evening.

At 7:00 p.m., Moderator Frederick L. Loud, Jr., Esq., announced there would be a delay in starting this Annual Town Meeting as there were many voters in line waiting to enter the gymnasium.

At 7:20 p.m., he then read the preamble to the Warrant and the Constable's return. At this point there were Three Hundred Sixty Two (362) voters in attendance and many nonvoters. This was an all time high for attendance at an Oak Bluffs Annual Town Meeting.

Moderator Loud introduced Rev. Richard D. Bell, Pastor of the Trinity United Methodist Church who offered invocation.

Moderator Loud further announced that certain selected people in attendance, who were nonvoters, would be allowed to speak with his permission.

At this meeting Special Police Officer William N. deBettencourt, Jr. acted as Constable because Constable Peter A. Moreis, Jr., is a patient at Beth Isreal Hospital in Boston.

All participated in saluting the flag.

Chairman of the Board of Selectmen, Richard W. Blankenship, made a presentation to Mr. and Mrs. Arthur Shrubshall from Tavistock Devon, England from the Secretary of the Commonwealth Michael Joseph Connolly in honor of their attending an American Open Town Meeting modeled after that which originated in their own home country.

Article 1. Selectman Blankenship offered the Town Report as the report of the Board of Selectmen and other Boards and Committees.

A written report from the Oak Bluffs Conservation Commission, the Oak Bluffs Finance Committee and the Planning Board were distributed to the incoming voters. Further the Parent Advisory Group of the Martha's Vineyard Regional High School, had prior to the town meeting with the permission of the Board of Selectmen, inserted in all town reports a four page fact sheet. A copy of each is attached to these minutes.

Article 2. The following officers were elected from the floor of the Annual Town Meeting:

Poundkeeper - Ernest Garvin; Field Drivers - Joseph Nunes, Antone J. deBettencourt, Jr.; Surveyors of Lumber and Measurers of Wood and Bark - George Arrude, Manuel A. Phillips; Fence Viewers - Alfred M. Metell, Peter M. Williamson.

Article 18. Voted as amended that the Town of Oak Bluffs amend Schedule A of the Personnel By-laws so it will read as follows:

Article 4. Refer to Article 3 - Voted under that Article.

Article 5. Voted to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1983, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Article 6. Voted to appropriate the sum of Twelve Thousand Dollars (\$12,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of purchasing two police cruisers.

Article 7. Voted to appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) from Surplus Federal Revenue Sharing Funds for the purpose of paying the Town's share of the Traffic Violation Control System for Fiscal year 1984.

Article 8. Voted as amended to transfer the sum of Nine Thousand Six Hundred Dollars (\$9,600.00) from Water Available Surplus to an account for the purchase of a truck for the Water Department.

Article 9. Voted to transfer the sum of Seven Thousand Five Hundred Dollars (\$7,500.00) from Surplus Revenue to an account for the purchase of a truck for the Park Department.

Article 10. Voted to transfer the sum of Nine Thousand Dollars (\$9,000.00) from Surplus Revenue to an account for the purchase of a Jaws of Life for the Fire Department.

Article 11. Voted to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to repair the "Centennial Wrought-Iron Lights" on Circuit Avenue.

Article 12. Voted to raise and appropriate the sum of Seventeen Thousand Six Hundred Eighty Five Dollars (\$17,685.00) for continuation of the activities of the Martha's Vineyard Refuse Disposal and Resource Recovery District Committee.

Article 14. Voted to appropriate the sum of Eight Thousand Dollars (\$8,000.00) from Surplus Federal Revenue Sharing Funds to an account for the purchase of a sander for the Highway Department.

Article 15. Voted as amended to transfer the sum Nine Thousand Six Hundred Thirty Seven Dollars (\$9,637.00) from Surplus Revenue to be expended under the provisions of Chapter 732 of the Acts of 1982, which provides for State Aid to Highways, and upon reimbursement of said sum to the Town by the Commonwealth, said sum to be returned to Surplus Revenue.

Article 16. Voted as amended to transfer the sum of Three Thousand Two Hundred Twelve Dollars (\$3,212.00) from Surplus Revenue to be expended under the provisions of Chapter 732 of the Acts of 1982, which provides for State Aid to Highways.

Article 17. Voted to allow the Oak Bluffs Fire Department to withdraw from the jurisdiction of the Oak Bluffs Personnel Board and to have such Department supervise their own personnel matters.

Article 21. Voted to accept Chapter 606 of the Acts of 1981 which allows the Town to place controls on lewd and salacious entertainment in establishments serving alcoholic beverages.

Said Chapter to read as follows:

Be it enacted, etc., as follows:

Chapter 138 of the General Laws is hereby amended by inserting after Section 12A the following sections:

SECTION 12B: In any city or town which accepts the provisions of this section, no licensee, licensed under the provisions of Section Twelve, shall suffer or permit any person to appear on said licensed premises in any manner or attire as to expose to public view any portion of the pubic area, anus, vulva or genitals, or any simulation thereof, or shall suffer or permit any female to appear on licensed premises in such manner or attire as to expose to view any portion of the breast below the top of the areola, or any simulation thereof. Any violation of the provisions of this section shall be enforced by the alcoholic beverage control commission and the local authorities.

Article 22. Voted to accept the following by-law:

“No building in the central business district shall use unfinished or unpainted plywood or any other material to cover window or door areas except in case of emergency, and in an emergency, the covering shall be removed within 14 days. Permanent off-season window or door coverings shall not extend beyond the existing windows or door areas.

Article 23. Voted to withdraw this Article at the request of the petitioners, the Board of Selectmen.

Article 24. Voted to install a street light on Pole #E52 on the Edgartown-Vineyard Haven Road, opposite the Martha’s Vineyard Arena.

Article 25. Voted to install a street light on Barnes Road across from the entrance to Webb’s Camping Area.

Article 26. Town Counsel William P. Franzese felt this article, as written, contained two questions:

1. to withdraw and
2. how to vote

By a show of hands this article was defeated.

(To see if the Town will direct the Board of Selectmen to take the necessary steps to withdraw from the provisions of Chapter 637, Acts of 1974 which created the Martha’s Vineyard Commission and include the filing of a Home Rule Petition with the legislature and that this article be voted by secret paper ballot?)

Article 27. This Article was defeated by a standing vote of - Yes 80; No 52.

(Town Counsel informed the meeting this required a $\frac{2}{3}$ vote to pass)

Article 28. Town Counsel advised that this article should be voted in two separate portions:

Part 1 -

Voted to direct the Board of Selectmen to contact the Public Access Board within ten days and request the Directors to establish in accordance with Chapter 21, Section 17A of the General Laws, to designate a location for public access and conduct a public hearing in accordance with the law, so that the inhabitants of Oak Bluffs may have access to the two acres of land that is owned by the Town next to the jetties abutting East Chop Beach Club property.

Part 2 - as amended

Voted to direct the Board of Selectmen within 90 days to contact the Attorney General as to unauthorized erections in tide waters of Oak Bluffs Harbor and to ask the Attorney General to institute proceedings against the East Chop Beach Club as to the

violation of Chapter 91, Section 23 of the General Laws, in respect to the removal of such unauthorized use of piers, fences and placements of dingy wharfs.

Article 29. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass
By a standing vote it was defeated - Yes 28, No 64.

Article 30. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass
By a standing vote it was defeated - Yes 25, No 66.

Article 31. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass
By a standing vote it was defeated - Yes 24, No 58.

Article 32. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass
By a standing vote it was defeated - Yes 1, No (were not counted)

Article 33. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass
By a standing vote it passed - Yes 113, No 0.

Article 34. Voted as amended to amend the Oak Bluffs Zoning By-laws by:

1. Deleting from Section 2-4 (Establishment of Zones within the Coastal District) "Shore Zone: Consisting of the land from mean low water to 100 feet inland of the inland edge of any beach or marsh grasses or stream or wetland flowing into a coastal great pond and land 100 feet inland of the crest of any bluff exceeding a height of 15 feet or any within 100 feet of any stream or wetland draining into a coastal great pond."
2. Adding to Section 2-4 (Establishment of Zones within the Coastal District) "Shore Zone: Consisting of the land from mean low water to 100 feet of the inland edge any dune grass, wetland indicator species, or stream flowing into a coastal water body and land 100 feet inland of the crest of any bluff exceeding a height of 15 feet."

Article 35. Voted unanimously to withdraw this article.

Article 36. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass and it was voted unanimously.
Voted to amend the Oak Bluffs Zoning By-laws by:

Adding Section 5-1-1 - Conversion and expansion of an existing building to apartment units, but only if authorized by Special Permit by the Board of Appeals, and provided that:

- there shall be a maximum of two (2) apartment units for up to the first 5,000 square feet of lot area, and one (1) additional apartment unit for each additional 1,000 square feet of lot area.
- each apartment unit has one (1) off-street parking space.
- apartments comply with the rules and regulations of the Board of Health.

Article 37. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass
By a standing vote it passes - Yes 109, No 8.

Article 38. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass and it did -
Standing vote - Yes 98.
Moderator did not count the nos (132 voters in attendance) Voted unanimously.

Article 39. Town Counsel advised this Article required $\frac{2}{3}$ rd to pass and it did.
Standing vote - Yes 73, No 26.

At this point Richard W. Blankenship, Chairman of the Board of Selectmen, was recognized and he announced to the gathering that Thomas W. Younger, Town Accountant/Clerk to the Board of Selectmen is leaving the employ of the Town of Oak Bluffs as he has accepted a position with the Town of Norton as Executive Secretary to their Board of Selectmen. Mr. Younger was wished well from all.

A motion to adjourn this Annual Town Meeting was made, seconded and duly voted at 9:35 p.m.

JANE P. VOTTA, C.M.C., Town Clerk

The Attorney General of the Commonwealth
approved the following by-laws on May 6th, 1983 -
Articles 22, 33, 34, 36, 37, 38 and 39.

The Division of Local Acceptance was notified of the passing of Article 21).

TOWN OF OAK BLUFFS REPORT OF THE SPECIAL TOWN MEETING JUNE 14TH, 1983

The Moderator, Frederick L. Loud, Jr., Esq., announced at 7:00 p.m. that there were Sixty-four (64) voters present. Nonvoters were permitted to remain without voice or vote.

Following the reading of the Officer's return Moderator Loud read the following letter received from Selectman Richard W. Blankenship who is a patient at Falmouth Hospital.

"This will be the first town meeting I have missed since being elected Selectman. It is my hope that many will attend and you may be sure that my heart will be there with you even if I am not.

It is important to me that I list a few things that I am very grateful for. To the E.M.T., police, Coast Guard, staff of the Martha's Vineyard Hospital and Dr. Dietz in particular I owe my life. As yet, I am unable to believe in the avalanche of cards and messages that are still pouring in. For these kindnesses and all your prayers I have no choice but to get well.

The Vineyard is such a beautiful spot, Oak Bluffs in particular, I have decided to come home very very soon, I am so grateful to all of you."

Sincerely, Richard W. Blankenship.

Article 1. Voted to transfer the sum of Six Thousand Dollars (\$6,000.00) from Surplus Revenue to the account "Street Lighting".

Article 2. Voted to transfer the sum of Three Thousand Two Hundred Dollars (\$3,200.00) from Surplus Revenue to the account "Telephone System".

To authorize the Treasurer, with the approval of the Selectmen, to borrow for a period of not over six months the sum of Thirty-Six Thousand Five Hundred Dollars under the provisions of Chapter 44, Section 8c, of the General Laws for the acquisition of the Convery Property at Eastville Beach for conservation purposes providing that all back taxes and added costs be paid to the Town of Oak Bluffs. And to authorize the Oak Bluffs Conservation Commission with the approval of the Board of Selectmen on behalf of the Town, to enter into any agreement that it deems advantageous with the Commonwealth under the provisions of General Laws Chapter 132A, Section 11, for the partial reimbursement of the costs of acquisition of the above described land. And further to direct that any reimbursement received shall be applied to the payment of any temporary borrowing under Chapter 44, Section 8c, of the General Laws. Selectmen

At 8:15 p.m. the Moderator entertained a motion to adjourn and this Special Town Meeting voted to do so.

JANE P. VOTTA, C.M.C., Town Clerk

The Bureau of Accounts/Department of Revenue was informed of the passage of Article 6.

**TOWN OF OAK BLUFFS
REPORT OF SPECIAL TOWN MEETING
NOVEMBER 1, 1983**

The Moderator, Frederick L. Loud, Jr., Esq., announced at 7:05 p.m. that a quorum was present as there were 54 voters in attendance.

Nonvoters were asked to identify themselves and then were allowed to remain without voice or vote.

Following the reading of the Officer's return Moderator Loud conducted the meeting acting on all articles in the warrant as follows:

Article 1. Voted to pay from Surplus Revenue a bill of a prior Fiscal Year of \$58.30 from the Vineyard Gazette.

Article 2. Voted to transfer the sum of \$350.00 from Surplus Revenue to the account "Planning Board Advertising."

Article 3. Voted to transfer the sum of \$13,073.00 from Surplus Revenue to the account "Martha's Vineyard Regional High School District", necessary to pay for increased salaries.

Article 4. Voted to transfer the sum of \$13,353.00 from Surplus Revenue to the account "School Department Salaries and Expenses" necessary to pay for increased salaries.

Article 5. Voted to transfer the sum of \$1,250.00 from Surplus Revenue to the account "Parking Clerk and Hearing Officer - Fees and Expenses."

Article 6. This article was unanimously defeated to pay \$500.00 for the installation of a telephone extension in the Assessors Office.

Article 7. Voted to transfer the sum of \$1,800.00 from Surplus Revenue to the account "Assessor's Expenses".

Article 8. Voted as amended to transfer the sum of \$2,000.00 from Surplus Revenue to the account "Town Share of Marine Biologist" provided the other 3 towns (Chilmark, West Tisbury and Tisbury) fund equally.

Article 9. Voted to transfer the sum of \$16,253.00 from Surplus Revenue to be expended under the provisions of Chapter 289 of the Acts of 1983, which provides for State Aid to Highways.

Article 10. Voted to transfer the sum of \$5,418.00 from Surplus Revenue, to be spent under the provisions of Chapter 289, of the Acts of 1983, which provides for State Aid to Highways, said sum representing the local contribution.

Article 11. Voted to transfer the sum of \$15,000.00 from Water Available Surplus for the purpose of reducing the debt on the new Water Storage Facility.

Article 12. Voted to transfer the sum of \$20,000.00 from Water Available Surplus to an account for the purpose of installing test wells and running pumping tests on same.

Article 13. Voted to transfer the sum of \$1,000.00 from Water Available Surplus to an account for the purpose of Education and Out-of-State Travel Expenses.

Article 14. Voted to transfer the sum of \$10,000.00 from Surplus Revenue to the fiscal year 1984 budgetary item "Water Department - Development" and when a balance exists in the Water Department Surplus the sum of \$10,000.00 be transferred from Water Available Surplus to Surplus Revenue.

Article 15. Voted to transfer the sum of \$834.16 from Surplus Revenue to pay for Out-of-State Travel Expenses incurred by the Selectmen's Office on a recent emergency trip to Philadelphia to sign a government grant for harbor improvements.

Article 16. Voted to transfer the sum of \$2,000.00 from Surplus Revenue to an account, under General Government, for Out-of-State Travel.

Article 17. Voted as amended to expend the sum of \$300,000.00 for the purpose of construction and rehabilitation of bulkheads, circulation facilities, and related facilities in the harbor, and the paying of all related costs and expenses, and that to pay such expenses, the Municipal Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of \$300,000.00 at one time, or from time to time, under and pursuant to Chapter 44, Section 8, of the General Laws, as amended and supplemented, or any other enabling authority, and to issue Notes or Bonds of the Town therefor; and that the Board of Selectmen are hereby authorized to apply for, accept and expend any Grants that may be available and received for the Project, and that the sum of \$15,000.00 be transferred from Surplus Revenue for the purpose of paying the issuance costs of said Bonds, and the costs of interest for temporary Notes issued in anticipation thereof; and that the Board of Selectmen are hereby authorized to adopt such votes or resolutions and enter into such agreements as may be necessary to obtain a Grant or Loan of State or Federal Funds in connection with the foregoing Project and the financing thereof.

At 7:27 p.m. the Moderator entertained a motion to adjourn and this Special Town Meeting voted to do so.

JANE P. VOTTA, C.M.C., Town Clerk

D.P.W. informed of the passage of Articles 9 and 10.

**REPORT OF THE
1983 ANNUAL TOWN ELECTION
TOWN OF OAK BLUFFS**

Moderator:

Frederick L. Loud, Jr., Esq.

Marion Viera	New York Avenue
Daniel A. Waters	Norris Avenue
Emily M. Wilson	Central Avenue

PERSONNEL BOARD

During the past year, the Personnel Board has held regular meetings monthly and while reviewing proposed budgets these meetings were held twice a week. Throughout the year, communication was maintained with Department Heads, Commissioners, and Board of Selectmen. A result of this strong communication is the proposal of Schedule D and necessary By-Law changes. This proposal is a result of many hours of comparing Oak Bluffs with neighboring towns, discussing management with Department Heads, Commissioners, and Selectmen, and thoroughly considering all options feasible to set up a new schedule. The proposed Schedule D strengthens the management positions under our jurisdiction which previously have been included within the hourly wage schedules. The Personnel Board believes that management in Town should be addressed and treated separately from hourly employees. This Schedule D allows for such consideration.

The Personnel Board has voted a 4 percent Cost of Living increase for Schedule B, B-1, and C employees and merit step increments for Schedules B and C have been maintained for Fiscal Year 1984-1985. We have reviewed and approved department budgets under Board jurisdiction that reflect the voted increments. Approved budgets indicate employees to be in their proper grade and step. (They do not reflect the proposed Schedule D changes.)

During the past year, the Finance Committee appointed Mrs. E. Jacqueline Hunt to the Board after a 5 month absence of a Board member created by the term expiration of Mr. Thomas E. Wilson. The Board appreciates the valued service of Mr. Wilson.

The Personnel Board would like to thank all who have cooperated with us in the past year.

Respectfully submitted,

MARGARET A. STAFURKSY, Chairperson
E. JACQUELINE HUNT
CHARLES D. MARINELLI
JUNE ROSE
HANS P. STIBOLT

COUNCIL ON AGING

To the Selectmen and the Citizens of Oak Bluffs:

The Board of Directors regretfully accepted the resignation of Mrs. Anne Ross who had been an active member of the Board since 1979. Our best wishes to Anne in all of her future endeavors.

We welcome to the Board, Mrs. Ruth Hurd Minor, a former professor at New Jersey's Kean College, and a former Chairman of the Council on Aging of Union County, New Jersey.

During the past year the Council's staff completed the distribution of Federal Surplus Cheese and Butter in November, and again in December to 140 families and individuals.

Once again, our very sincere thanks to the Martha's Vineyard Striped Bass and Bluefish Derby Committee and the volunteer filleters who made it possible for the Council, with the invaluable assistance of Joseph S. Berry and Alfred Willett, to distribute more than 2,100 pounds of fresh bluefish to needy seniors of the community.

Some of the more popular programs at the Senior Center continues to be, Arts and Crafts, the Men's Day Program, Line Dancing, Bridge, and Bingo; but not necessarily in that order of popularity.

A recent grant from the Older Americans Act has enabled the council to purchase a video recorder which will permit the staff to present a variety of special programs for the visual entertainment of our elder citizens.

The Board appreciates the splendid cooperation it receives from the Selectmen, and from all the other members of the Oak Bluffs governmental family. Our special thanks to all of those individuals and organizations for their material contributions to the Council on Aging, and to the many volunteers for their gifts of talent, time and energy.

Respectfully submitted,

FRANK W. TOWNES, Chairman
MRS. BETSY WRIGHT, Vice-Chairman
NORMAN FRIEDMAN
FRANK MCCOOL
DR. RUTH HURD MINOR
MRS. MAGGIE STEELE
WILSON J. THOMAS

PLANNING BOARD

To the Selectmen and
Citizens of Oak Bluffs:

During 1983 the Planning Board reviewed and approved a major subdivision of 76 lots, known as Meadow View Farms, located off County Road. Several smaller subdivisions were reviewed. The Board also reviewed many Form A's, plans which do not require Planning Board approval because they have frontage on existing streets.

At the annual Town Meeting in April the town approved Planning Board articles which made minor revisions in the definition of the Coastal District. The town also accepted two other articles. The first established regulations for the number of apartments allowed per lot in the B-1 business district. This article also created minimum parking space requirements for these apartments. The second article established parking requirements for rooming, boarding and guest houses.

The major part of the Planning Board's time and energy this year was spent on establishing a Master Plan for Oak Bluffs. In the fall a questionnaire was distributed throughout the town to gather input on the direction in which citizens want the town to move. With the aid of the Martha's Vineyard Commission the Planning Board reviewed the results of the questionnaires and interviewed town boards to determine priorities for the town. At the same time an inventory of the assets of the town (roads, water systems, parks and recreational areas, wetlands, etc.) was developed. Using all this information the Planning Board established a rough draft of the goals of the Master Plan which will be presented to the town at hearings this spring, reviewed and amended, and presented in a final form at the Annual Town Meeting in April.

The office of the Building Official has provided the Board with information needed to carry out our function. The Planning Board would also like to thank the other town boards and committees and town citizens for their enthusiastic help in providing input for our Master Plan.

In 1983 Penelope Grande left the board, and her contribution has been missed.

Respectfully submitted,

Oak Bluffs Planning Board

POLICE DEPARTMENT

To the Honorable Board of Selectmen and
Citizens of Oak Bluffs:

As head of the Police Department for the Town of Oak Bluffs, I hereby submit my annual report for the year ending December 31, 1983:

Accidents	208	Attempted Breaking and Entering	3
Breaking and Entering	39	Parking Tickets	1,918
Assault and Battery	14	Larceny from Motor Vehicles	13
Motor Vehicle Violations	564	Arrests	257
Larceny from Boats	2	Male	225
Stolen Motor Vehicles	20	Female	32
		Juvenile	0

We have failed, for many years, to keep up with the growing influx of motor vehicles that continue to use our streets and cause an overflow of congested traffic. We have not established nor made any provisions for adequate parking facilities for the continued growth of motor vehicles that use our roadways.

The failure to provide these facilities has caused a situation whereby visitors are allowed to park their vehicles all day on roads in the downtown area. They also park their vehicles for periods of two to three days, while they travel to Hyannis, Nantucket, Falmouth and other off Island destinations. This type of parking is free of charge.

The continuing rise to operate Town Government is a growing concern in itself. We should give serious consideration whereby a parking system could be employed that would help to offset this situation. We should no longer allow boat owners to park their vehicles alongside their boats at the bulkhead for the entire season. We also should not continue to allow parking of vehicles in our two parking lots without a fee.

I am convinced that if a proper parking system were employed, enough revenue would be generated far in excess of the revenue that our harbor realizes.

It is my hope and concern that this matter be given serious thought for the betterment of our Town.

I would like to extend my thanks and appreciation to the members of my Department for their cooperation. I also wish to thank all the other law enforcement agencies and the Board of Selectmen for their assistance.

Respectfully submitted,

PETER M. WILLIAMSON
Chief of Police

We would like to thank you, the Oak Bluffs Citizens, for your continued support and also the Emergency Medical Technicians for their terrific job.

Respectfully submitted,

Board of Engineers

BUILDING INSPECTOR

Town of Oak Bluffs
Board of Selectmen
Oak Bluffs, MA 02557

Gentlemen:

I hereby submit my annual report for the period ending December 31, 1983. A complete list of the permits issued for the calendar year of 1983 are on file in the office of the Inspector of Buildings and are also displayed on the bulletin board at the Town Hall.

Summary of permits issued:

Single Family Dwellings	70
Hotel and meeting room	1
Additions and alterations	80
Other	109
Demolitions	7
Relocate	2
Signs	34

The estimated cost for new dwellings was \$5,245,100.00 and for all other permits issued it was \$941,519.99.

Total fees collected:

Building permits	\$15,861.51
Plumbing permits	3,593.00
Wiring permits	860.00
Wiring inspections	7,485.00
Periodic inspections	1,841.00
Sign permits	510.00
Gas permits	1,185.00
Oil burner permits	330.00
Zoning by-laws	469.00
Smoke detector inspections	400.00
Septic permits	2,110.00
Cesspool pump out permits	1,136.00
Total	\$35,780.51

We noted a definite increase in our activities this past year.

The services of the Building Department are diversified and most demanding. The work load has increased immensely. The Commonwealth has also placed greater responsibility on us, the time has arrived whereby serious consideration should be given for an assistant.

I want to thank the Selectmen, individuals and boards for their assistance and cooperation that helped to make this a successful year.

Respectfully submitted,

ALFRED M. METELL
Inspector of Buildings

REPORT OF THE ANIMAL CONTROL OFFICER

To the Honorable Board of Selectmen and
Citizens of Oak Bluffs

As Animal Control Officer for the Town of Oak Bluffs, I hereby submit my annual report for the year ending December 31, 1983.

The past year has been extremely busy, with a total of 813 calls being answered. Calls were answered for 32 cats and dogs hit by cars, 33 dead animals were removed from the road, 27 trips were made to the M.S.P.C.A., 43 skunks were removed from private property and many calls were received for lost and found animals.

I am very grateful to the taxpayers of the Town of Oak Bluffs for allowing the construction of the new animal pound. Not only has it been a great asset within my department, but I am sure that we are now meeting some of the state requirements.

I am also grateful for the assistance rendered to me from the other departments within the Town.

Respectfully submitted,

ERNEST GARVIN
Animal Control Officer

SHELLFISH DEPARTMENT

Board of Selectmen
Voters of the Town of Oak Bluffs

The following is my report for the year ending December 31, 1983.

We continued the nursery raft program for seed quahogs. Eighty thousand seed purchased in June were planted in eight rafts in Majors Cove. In August, I purchased two-hundred fifty thousand seed at very reasonable prices. Sixty thousand were planted in rafts to see if seed that small could be grown in rafts that late in the season. The remainder were kept at the Martha's Vineyard Shellfish Group Hatchery. During October, the eighty thousand seed were planted in Sengekontacket Pond, the average size was 1 inch. The sixty thousand seed were planted in the harbor and the average size was over ½ inch. The remaining seed grew well at the hatchery and is nearly ½ inch and is being stored over the winter along with one hundred thousand produced at our hatchery. They will be planted in rafts in the spring of 1984 and be ready for bottom planting in the fall.

The starfish removal program was a big success this year. With the new traps, we had triple the number of traps and we removed more starfish than ever. The number of starfish in the pond, this scallop season, was down from recent years.

I again conducted bacterial water samples with the cooperation of the Martha's Vineyard Commission, again only the harbor and Sunset Lake showed high counts, these areas are closed to shellfishing in the summer.

The Martha's Vineyard Shellfish Group hatchery entered its first production year. We again encountered problems with bacteria but thru the endless efforts of Biologist Rick Karney the sources were identified and a spawn was brought through. We now have over one hundred thousand seed quahogs to be planted in the spring of 1984 and we are ready for full production in 1984.

The oyster seed we overwintered were put back in rafts this spring. The rafts were cleaned several times during the summer. In September, the oysters were removed from the rafts and planted in Farm Pond. The average size was over 2½ inches. They should reach the 3 inch legal size by the fall of 1984.

The scallop seed that we moved last year grew very well in both Sengekontacket and Lagoon Pond. Both commercial and family fishermen had an excellent season. The scallop price hit record highs.

This fall there was no seed on the flat at the bridge. There was some near the beach in the upper part of Lagoon. I moved this seed into deep water. We also picked up approximately twenty bushels of seed from the beach in Sengekontacket and put it in deep water. There is a lot of seed in the channel in Sengekontacket which will be thinned out in the spring and moved to good areas that do not have seed this year.

Joseph Rose who has been my deputy since I became Shellfish Constable retired this spring. I would like to thank him for his excellent service.

Francis Bernard was hired to replace Joe and Robert Williston remained a deputy.

I have been working on two projects for several years and at this writing both are close to becoming realities. The herring run improvement was given number one priority by the soil conservation service and engineers are working on a design for local approval. The Lagoon improvement project is moving thru government channels.

As can be seen by the following figures, the amount and value of shellfish especially scallops has risen dramatically. With increased support, we can make our shellfish resource better for the benefit of all. I thank everyone for their help and support.

The following figures show the type and number of permits issued and the amount of shellfish harvested.

Commercial Licenses @ \$100.00	54
Duplicate Commercial Licenses @ 50¢	1
Resident Family Permits @ \$10.00	348
Resident Family Permits over age 60 free	240
Non-Resident Family Permits @ \$35.00	37
Permits Voided	3
Duplicate Family Permits @ 50¢	12
Total Family Permits	640
Total Revenue	\$10,181.50

All figures in Bushels

Commercial Level Bushel - Family Heaping Bushel

Family Quahogs - Sengekontacket	375½
Family Quahogs - Lagoon	30½
Family Quahogs - Oak Bluffs Harbor	99½
Family Clams - Sengekontacket	48
Family Clams - Lagoon	41½
Family Clams - Oak Bluffs Harbor	26½
Family Clams - Harts Channel	25
Family Scallops - Sengekontacket	622½
Family Scallops - Lagoon	128
Family Scallops - Oak Bluffs Harbor	5
Family Oysters - Farm Pond	19½
Commercial Quahogs - Sengekontacket	275
Commercial Quahogs - Lagoon	10
Commercial Quahogs - Oak Bluffs Harbor	340½
Commercial Scallops - Sengekontacket	3,717
Commercial Scallops - Lagoon	1,097½
Total Wholesale value	\$404,685.00

Respectfully submitted,

EDWIN A. BUGBEE
Shellfish Constable

MARTHA'S VINEYARD SHELLFISH GROUP, INC.

To the Oak Bluffs Board of Selectmen:

The Martha's Vineyard Shellfish Group, Inc. struggled through another difficult year of inadequate funding. Despite the shortfall in monies, dedicated volunteers enabled us to operate the hatchery resulting in the production of 100,000 seed quahogs and the discovery of a new bay scallop disease which may help explain periodic poor scallop sets.

The continued unavailability of federal funds and the end of Gay Head's participation in the Group under the restraints of Proposition 2½ are chiefly responsible for our budgetary crisis. In spite of our efforts to solicit needed monies through private donations, Karen Child, our Bookkeeper/Administrator for over three years was laid off in October. The Shellfish Biologist is presently the sole employee. Special thanks are due Jessica Thibodeau and Paula Coffey who volunteered at the hatchery. Jessica Thibodeau and Melanie Bassett were paid as hatchery assistants for 8 weeks under a summer CETA program. Michael Zoll, Director of the Dukes County Extension Service, continued to volunteer his time as the Group's Treasurer.

A break-in and arson attempt at the hatchery this spring resulted in the destruction of broodstock and delayed the start of our spawning season. We are grateful to Ralph Aiello for not charging us for his time to install a security alarm system. Except for the heat exchanger, all of the mechanical systems at the new hatchery were "debugged" by early summer and we successfully cultured our first crop of 100,000 seed quahogs. These are being overwintered at the State Lobster Hatchery and will be seeded in nursery rafts in the member towns this spring.

We successfully cultured several million scallops through critical larval stages only to have them succumb when placed in a flow of untreated water from the Lagoon. Samples of the diseased scallops analysed by Dr. Louis Leibovitz of the Laboratory for Marine Animal Health in Woods Hole revealed *Prorocentrum*, a marine alga, as the cause of the mass scallop mortalities. This is the first case where *Prorocentrum* has been indicated as a disease agent in juvenile scallops and may well help to explain periodic failures in natural scallop sets. *Prorocentrum* occurs seasonally in Island waters with greatest concentrations in late summer and early fall. By spawning earlier in the season, we should be able to avoid this disease in our hatchery cultures.

In other work we are happy to report that our efforts over the last several years to restore the alewife (herring) run at the head of the Lagoon are paying off. The Resource Conservation and Development Council of the Soil Conservation Service has picked the Lagoon run as a high priority and has begun a work program which will result in design plans and a possible 50% federal funding for reconstruction of this important Island fish run.

For more detailed reports of our work please call 693-0391.

Respectfully submitted,

RICHARD C. KARNEY, Biologist

WASTEWATER STUDY COMMISSION

To the Board of Selectmen and the Citizens of Oak Bluffs:

We are very pleased to report that significant progress has been made toward resolving some of the primary wastewater/septage concerns facing the Town. Through the efforts of the Board of Health and the Wastewater Commission, the state has granted tentative approval for the construction of septage lagoons. Up until now the state has maintained that sewers were necessary and other alternatives would not be acceptable. With little possibility of obtaining outside funding, sewer collection is not considered viable at this time. The '201' Wastewater Facilities Planning Study will be completed shortly and we anticipate acceptance of the study but no action taken on its recommendations pending the availability of funding. The construction of septage lagoons and the implementation of a septage management program now being developed, should address some of the immediate problems such as an inadequate disposal area and the monitoring of pumpout activities.

The Board of Health has taken the lead in carrying out these improvements, while the Wastewater Study Commission, meeting throughout the year, has made suggestions and recommendations. The contributions of the Wastewater Advisory Committee and the technical assistance provided by the Martha's Vineyard Commission have proved invaluable and are greatly appreciated.

Respectfully submitted,

FRANCIS E. CORREIRA
FRANCIS D. HOUGHTON, Chairman
PETER A. MOREIS, JR.
RALPH NORTON
FRANK W. TOWNES

WATER DEPARTMENT

To the Board of Selectmen
and the Townspeople of Oak Bluffs:

This year the Board of Water Commissioners included Antone deBettencourt, James Moreis, and Manuel deBettencourt.

David Dauphinais, Superintendent, has been with us one year now and is competently overseeing a very busy department.

Our most recent project, the new water storage facility, is complete and functional, and now provides needed water storage of 2,000,000 gallons.

Development continues in our Town and this year 83 new water services were installed, an increase of 30%. We are projecting 150 new services this coming season. Two developments were equipped with water services to be used as they are built upon: Iron Hill and Vineyard Hills.

In September, the Commonwealth of Massachusetts offered the Water Department a 'matching-funds' System Rehabilitation Grant under Chapter 286. We have outlined four projects concerned with the renewal and extension of existing Town mains.

Two hundred eleven million gallons of water were used this year and the daily high was one million four hundred thousand.

The Commissioners again ask for your cooperation in turning off all outside water at the sound of the fire horn.

Respectfully submitted,

ANTONE DEBETTENCOURT, Chairman
JAMES MOREIS
MANUEL DEBETTENCOURT
Board of Water Commissioners

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Oak Bluffs:

We hereby submit our annual Board of Health Report.

We continue to monitor the individual septic systems. We are very much concerned that these systems are not polluting our ground water. We note that thirty-five (35) persons have up dated their systems to conform to Title V of the State Environmental Code on under ground disposal of septic water.

We have inserted in the warrant, articles on Septage Lagoons and one on Solid Waste Resources and Recovery District to be voted on at our Annual Town Meeting.

One hundred and three (103) permits were issued for new septic systems and six hundred (600) permits were issued for pump outs.

We are evaluating the restroom areas in restaurants, hotels, and other places of assembly because our rules on alcoholic beverages requires more stringent control in these areas.

Our food inspection program continues and we had the benefit of assistance from the State inspectors this past summer.

We remind our citizens that because of our geographical location and limited facilities that our concern over pollution is very real.

We thank everyone for their cooperation and assistance that permitted us to carry out our duties this past year.

Respectfully submitted,

RICHARD W. BLANKENSHIP
Member, Board of Health

CONSERVATION COMMISSION

To the Citizens of Oak Bluffs:

In the past year we have been working to better protect the wetlands and natural resources in Oak Bluffs. The state has issued tough new regulations concerning wetlands; and we are developing regulations for our local wetlands bylaw which you approved at the last town meeting.

Last April you also voted to purchase the former Girl Scout Camp, which has been renamed Sailing Camp Park. While progress has been slow in repairing the facilities on the property, we hope to have the routine maintenance completed before the summer season. We have held public hearings concerning the use of this property and many more will be held in the future.

We hope that all the citizens of Oak Bluffs will continue to help us make this property a useful park for all to enjoy.

We would like to thank both the Martha's Vineyard Commission and the Vineyard Conservation Society for all the assistance they have provided in the past year.

Respectfully submitted,

SEAN COREY
FRANCIS CORREIRA
ROBERT CULBERT, Chairman
WALTER EGLINAS
JOSEPH O'DONNELL
BRADFORD SMITH
DAVID WARBURTON

REPORT OF THE PARK COMMISSIONERS

To the Citizens of Oak Bluffs:

The Park Department has gone through a year of departmental unrest and turmoil. We were faced with many problems involving the public who live around our parks that offer recreational activities to the general public. We have attempted and will continue to try to find a solution that will finally keep all parties concerned pleased with our decisions.

This department realizes that differences of opinions do exist between individuals on all matters, but we also realize that these persons, after all the facts are in, must live by the majority vote.

We were again pleased with the efforts of Mr. Manuel Francis and Mr. Donald Maderias who made our parks a thing of beauty. Their devotion and willingness to please the public brought many praises, both verbally and written.

Our recreational and beach activities were again under the supervision of our Director of Recreation, Mr. Daniel McCarthy. These well organized programs offered to the public what they desired. He was ably assisted by our Water Safety Supervisor, life guards and other summer personnel who made these programs so successful.

We would again like to thank the Chief of Police, Peter Williamson, and the Superintendent of Streets, Francis Correia, for helping to make our job that much easier.

We sincerely hope that you the voters and taxpayers will continue to help and support our programs so that, together, we can make Oak Bluffs a beautiful place in which to live.

Respectfully submitted,

DENNIS P. ALLEY

ALLAN A. DEBETTENCOURT

REPORT OF THE LIBRARIAN

Library Trustees:

The Librarian wishes to submit the following report for the year 1983.

Circulation of Books and Magazines:

Adult Fiction	9,952
Adult Non-Fiction	2,346
Juvenile Fiction	2,718
Juvenile Non-Fiction	480
Magazines	1,866
Interlibrary Loan	30
	<hr/>
Total Circulation	17,392
Summer Registration	585
Juvenile and Adult	
Number of Books Purchased	769
Magazines Subscribed To	35

Number of Books in Library

Adult	7,410
Juvenile	3,130
	<hr/>
	10,540

An excellent selection of childrens films were shown, as usual, in the Methodist Parish House last summer and were in charge of Priscilla Sylvia. Also many more reference books have been added during the year.

With the installation of two large windows the library seems much lighter. New shelving has been built under the largest giving a bit more space for books. Space is one thing we are in desperate need of. A start has been made towards painting the interior of the library and we expect it will soon be completed.

It has now become obvious that the building is badly in need of a new roof. Estimates have been submitted by several contractors and plans are being made for this to be done during the coming year. Quite apart from repairs the library cries out for a new addition. It seems truly tragic that the people of Oak Bluffs do not recognize this.

I wish to thank the Trustees for all the help and support given me during the past year.

Respectfully submitted,

ELIZABETH F. BLANKENSHIP, Librarian

REPORT OF THE SCHOOL COMMITTEE

To the Townspeople of Oak Bluffs:

We of the school committee have always believed in the school as an institution and in the staff's ability to instruct and motivate the students of our town; to that end many of our teachers have chosen to take one day courses offered on-island at various times throughout the year. These courses help our teachers to better understand themselves and their students as the learning process continues.

Mrs. Marjorie Leonard retired after more than twenty years of service in the educational field; and Miss Dinah Straight resigned from the staff to be married and travel with her husband. Both of these teachers will be greatly missed for they have made large inroads into the hearts and minds of children and parents alike.

Mr. Francis Pachico is an excellent choice as our new Superintendent. We have watched him grow in his command of the entire Island school system. Each of the school principals has been given specific duties that pertain to the central (Superintendent's) office; thereby giving all concerned an overview of the whole school system.

The Parent-Teachers Association, which encompasses a large group of community people concerned with similar school issues, has been active in several aspects of school life. Currently a sub-committee of the P.T.A. is discussing the school curriculum, as it now stands, and how it could be improved, updated, or revised.

Because of a rising birth rate and more young couples moving to the island for year round living, we are in a time of expansion, in direct opposition to what Proposition 2½ would have us do. Quality education cannot be based on a tight dollar with any realistic view of producing an independent, thinking child. Recently, with the help of other town departments, we have completed the long awaited handicap ramp, refurbished the science room, relocated the fifth grade classroom, math room, and school library. There are many projects yet to be done and we are going to need the help of you, the townspeople, in order to complete them.

Thank you for your continued support.

Respectfully submitted,

JAMES M. HARRIS, JR., Chairperson

SUPERINTENDENT OF SCHOOLS

Mrs. Carol Bennett
Martha's Vineyard Superintendency
Union Committee
Box 584
Edgartown, MA 02539

Dear Mrs. Bennett:

In accordance with the laws of the Commonwealth of Massachusetts, I am pleased to submit the report of the Superintendent of Schools for 1983 to you and the chairpersons of the Island School Committees.

On July 1, 1983, I became the Superintendent of the Island schools. At that time the Island school committees and the administrators agreed on a new format for the Superintendency Union. It was agreed that the second position, assistant to the Superintendent, would be eliminated and a Special Education/Chapter I Coordinator be hired and Island administrators would be assigned to system-wide responsibilities as Cabinet members. This new format would be in place on a two year trial basis with an evaluation to be done at the end of each year.

Island administrators were given the following assignments:

Dr. Gregory Scotten and Mr. Alan Campbell, principals, MVRHS and Tibsury School - Curriculum

Mr. David MacDonald, Principal, Oak Bluffs School - Inservice

Mr. Edward Jerome, Principal, Edgartown School - Computer Education

Dr. Irwin Freedman, Principal, West Tisbury School - Pupil Personnel Services

Dr. Herbert Custer, Vocational Director, MVRHS - Food Services

Mr. Roger Lemenager, Assistant Principal, MVRHS - Basic Skills/New Graduation Requirements.

Mr. Daniel Seklecki was hired as the Special Education/Chapter I Coordinator and he and the Cabinet members meet with me on a bi-monthly basis. When there is a need for reports to the Union School Committee the Cabinet members and Mr. Seklecki are asked to do so.

This new format appears to be working well. The administrators now have an opportunity to meet with staff members from the various schools and it has given them a better view of Islandwide educational programs. It has also allowed administrators to become better acquainted and work with school committee members from other towns. At the end of the current school year we will review the Cabinet assignments and make recommendations to the committees for possible changes.

In regards to other happenings in the Martha's Vineyard Schools it appears there will be some building additions and renovations taking place. The Oak Bluffs School is nearing completion of Phase One of their renovation project and will be seeking approval of Phase Two at the annual Town Meeting. West Tisbury is now in the process of hiring an architect for a possible addition and Edgartown has recently received a report from their local Space Needs Committee recommending additional rooms. The Tisbury Building Committee is presently looking at possible heating and roof renovations.

The Oak Bluffs, Tisbury and Edgartown schools have some needs in regard to asbestos encapsulation. A recent survey was done and these schools were found to have small amounts of asbestos under Priority I which means that the pipe coverings in some of the rooms where staff and students frequent must be encapsulated. Edgartown has already taken care of their problem but like the other schools, they still have some other areas under different priorities which must be done in the near future.

We are in the process of seeking some state funding for all of the above and at this point we have been encouraged by state officials in regards to the availability of funds.

As most committee and community members know, there is a great deal of discussion going on in regards to education at the state and federal level. There appears to be some support for the state having more power over educational decisions that have traditionally been made by local school boards. The local administrators and I are very much involved in these discussions and we will keep committee members informed as decisions are made.

In closing, I would like to give a special thanks to Mr. Seklecki for the fine job he is doing in this new position. Mrs. Surprenant and the office staff continue their tireless efforts in making our office function so well. I would also like to extend my gratitude to the administrators and staff members for their assistance during the last six months. The school committees have been most supportive and helpful under your fine leadership. I look forward to a good year and feel we have gotten off to a fine start.

Respectfully submitted,

FRANCIS E. PACHICO
Superintendent of Schools

OAK BLUFFS SCHOOL PRINCIPAL

To Mr. Pachico:

Oak Bluffs is fortunate to have an unusually fine school which tries to focus on the progress of each child as an individual. The success is due in large part to a fine staff and to an unusual sense of cooperation from the many boards and individuals in the Town.

The past year has seen the retirement and resignation of two truly outstanding teachers, Mrs. Marjorie Leonard and Miss Dinah Straight. They have made a contribution to hundreds of children which will affect them throughout their lives.

With the help of the Building Committee, School Committee and Board of Selectmen we have begun to make progress on improving the building plant. We have a new Science and Math room for the Jr. High and the beginning of a much needed library. This project was made possible by the cooperation of Town Departments, particularly the Highway Department.

The PTA continues to play a very active role in the life of the school. Through this organization we have started the modernization of our playground facilities. The PTA has also been helpful in working in the areas of curriculum and safety. This has resulted in the creation of a baby-sitting course for some of the students.

We have begun to study the possible revision and expansion of our Drug Education Program.

During the past year, there has been a major change in the structure of the Superintendent's office. With the elimination of the position of Assistant to the Superintendent each of the principals has been given a central office function. I have taken over the responsibility for teacher inservice program. This has been a challenging and stimulating role. We have made some major steps forward in this area. I have also served as the administration liaison with teacher negotiations. This years negotiations were long and protracted, resulting in the signing of only a one year contract on wages.

I thank you for your cooperation and support.

Respectfully submitted,

DAVID W. MACDONALD, Principal

REGIONAL HIGH SCHOOL PRINCIPAL

Mr. Francis E. Pachico, Superintendent
Martha's Vineyard Regional High School District
The Charles E. Downs Administrative Building
Vineyard Haven, MA 02568

Dear Mr. Pachico:

This year was particularly successful for the faculty, administration and school committee as years of development resulted in an outstanding ten year evaluation of the high school by the New England Association of Schools and Colleges. Among the highlights of the report were commendations to the faculty for program development and participation, to the administration for its overall efforts, to the student body for its impressive spirit and attitude, to the school committee and the community for the facilities and the level of support for excellence in education. Among the continuing concerns expressed were enlargement of library materials, increased public support for the activities program, and a continued monitoring of student dropout issues. With this comprehensive report in hand, the faculty and administration began immediately adjusting to recommendations and looking to future program needs.

As with each year, there were transitions, but this year there were some very noteworthy events. Significant retirements took place including Marion Higgins from biology, Jean Leonard from business education and Anne Lesnikowski, Librarian, representing a combined total of nearly eighty years of superb service to education. Each of these wonderful persons will be remembered for years for their superb contributions to the teaching of Island young people. Aides Loretta deBettencourt and Virginia Norve as well as secretary Regina Trebby, moved to other responsibilities. New faculty members included Magdalena Suarez in languages, Jean Loud in special needs, and Susan White as speech therapist.

Academically, students maintained the Vineyard standard of excellence by being accepted at such schools as Harvard, Yale, Columbia, Swarthmore, Babson, Bucknell, Colgate, George Washington, Boston College, Dickenson, Trinity, Holy Cross, Marietta, Clark, Regis, Beloit, Stonehill, Parsons Institute, the United States Merchant Marine Academy, and the excellent state university at Amherst. Vocational students found ready employment in auto mechanics, building trades, culinary and horticulture fields, and some went on to higher education.

The school received recognition in great variety including record amounts of scholarships, summer study opportunities for students, and the accolades of numerous scholarly societies for individual scholars. Sports teams showed improvement throughout the year with girls basketball achieving the eleventh consecutive league championship. The music department won notice through superior musical performances in Island concerts, in a Bennington, Vermont exchange and in the weather-aborted Cape Cod Festival where the little high school on the Vineyard provided 20% of the selectees who were drawn from fourteen schools. In drama, "A Funny Thing Happened On The Way to The Forum" received rave reviews.

Parent interest in the school increased as shown in parent-teacher conference nights and attendance at school events. The year also was a time in which the Parent Advisory Council was established with active parents groups operating in three towns and two others under development. In large numbers parents spoke out in favor of their Regional High School.

In summary, the year was very productive. It was a year for building a firm basis for Island pride in its high school. We look forward to meeting the challenges of new state curriculum requirements and to enhancing further the preparation of Island students for adulthood in the 21st century.

Sincerely,

GREGORY T. SCOTTEN, Ed.D.
Principal

REPORT OF THE FINANCE COMMITTEE

The members of the Finance Committee wish to impress on all that the time has come to establish priorities.

In April of 1978 at the Annual Town Meeting, Selectman Blankenship made the following statement "...funds for several articles will be provided for by use of Federal Revenue Sharing funds or through reimbursement...please weigh the merits of each article before voting...in the meantime we must urge all town departments to live within their budgets so we can keep the tax rate from escalating..."

Since that time our town has been revalued and now will be triennially by state Statute. In most cases the value will not come down, therefore, we strongly recommend you vote wisely.

The total of the budgets before you in the warrant for this Annual Town Meeting equal approximately \$3,018,819.69 this does not include funding for the water department or any articles.

The Assistant Assessor has advised us that with every additional \$205,432. you vote over and above last year you will add approximately \$1.00 to your tax rate (per thousand). That is assuming all revenues stay the same.

The Finance Committee is unanimously opposed to Schedule D because there is no actual taxpayer cost figure attached to the Schedule and the future monetary implications are unknown.

On the night of Town Meeting a position statement will be handed to all attending expressing the Finance Committee's position on the Bond issue and the override of proposition 2½.

There are other items of concern to the members of this Committee which we hope to discuss with the Board of Selectmen after the Town Meeting season. These items are the postage machine, the present telephone system, the town barn, the distribution of gasoline, staggered lunch hours in the Town Hall offices, etc.

The Finance Committee members feels that all town departments should live within their budgets without constantly asking for additional funds.

All Finance Committee meetings are open to the public and we urge your attendance.

Members Oak Bluffs Finance Committee

WARRANT FOR A SPECIAL TOWN MEETING

Commonwealth of Massachusetts

County of Dukes County, SS

To either of the Constables in the Town of Oak Bluffs, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to warn the inhabitants of the Town of Oak Bluffs, who are qualified to vote in Town affairs and elections to assemble at the School Gymnasium, School Street in Oak Bluffs on April 10, 1984 at seven o'clock in the evening, then and there to act upon the following articles:

Article 1. To see if the Town will vote to transfer the sum of Ninety-Three Dollars and Ten Cents (\$93.10) from Water Available Surplus to the account "Water Department - Administration" to pay for a prior out-of-state travel expense, or take any other action relative thereto. (Water Department Article), (Recommended by Finance Committee, Vote 11-0).

Article 2. To see if the Town will vote to allow the Town Treasurer to borrow monies from time to time of which the borrowing of funds shall not exceed the principal sum of One Hundred Forty-Two Thousand Four Hundred Dollars, (\$142,400.00). Such funds shall be used to construct a bicycle path along the High School side of the Edgartown-Vineyard Haven Road running from Oak Bluffs-Edgartown town boundary line to the Oak Bluffs-Tisbury town boundary line. The borrowing of these funds shall be reimbursed to the Town on a 100% share basis by the Massachusetts Department of Public Works. No borrowing is to take place until the Massachusetts Department of Public Works has approved its 100% share of the construction and until participating towns have approved similar worded articles. The interest on the loan is expected to cost Four Thousand Five Hundred Dollars (\$4,500.00) to be transferred from Surplus Revenue to the account "Interest on Loan for Bike Path Project." or take any other action relative thereto. (Selectmen's Article), (Recommended by Finance Committee, Vote 11-0).

Article 3. To see if the Town will vote to approve a capital expenditure of Twenty-Seven Thousand Three Hundred Dollars (\$27,300.00) to repair and repave the entrance drive and parking area of the Martha's Vineyard Regional High School; and to approve the transfer of Seven Thousand Ninety-Eight Dollars (\$7,098.00) from Surplus Federal Revenue Sharing Funds as the Town's share of this capital expenditure, or take any other action relative thereto. (Martha's Vineyard Regional High School District Article), (Recommended by Finance Committee, Vote 11-0).

Article 4. To see if the Town will vote to transfer the sum of One Thousand Five Hundred Dollars (\$1,500.00) from Surplus Revenue to an account for the purpose of updating the Town Assessors' Maps for the period of January 1, 1984 to June 30, 1984, or take any other action relative thereto. (Board of Assessors' Article), (Recommended by Finance Committee, Vote 11-0).

Article 5. To see if the Town will vote to transfer Six Thousand Dollars (\$6,000.00) from Surplus Federal Revenue Sharing Funds to an account for the "Repairs to Roof of the Oak Bluffs Library", or take any other action relative thereto. (Library Trustees Article), (Recommended by Finance Committee, Vote 11-0).

Article 6. To see if the Town will vote to transfer the sum of Eight Hundred Forty Dollars (\$840.00) from Surplus Revenue to the account "Treasurer's Clerical Expenses," which was inadvertently omitted in the printing of the Town Report and therefore not voted at the April, 1983 Town Meeting, or take any other action relative thereto. (Town Treasurer's Article), (Recommended by the Finance Committee, Vote 11-0).

Article 7. To see if the Town will vote to transfer the sum of One Thousand Dollars (\$1,000.00) from Surplus Federal Revenue Sharing Funds for the purchase of a typewriter for the Treasurer's Office, or take any other action relative thereto. (Town Treasurer's Article), (Recommended by Finance Committee, Vote 11-0).

Article 8. To see if the Town will vote to transfer the sum of One Thousand Dollars (\$1,000.00) from Surplus Federal Revenue Sharing Funds for the purchase of a typewriter for the Tax Collector's Office, or take any other action relative thereto. (Tax Collector's Article), (Recommended by Finance Committee, Vote 11-0).

Article 9. To see if the Town will vote to transfer the sum of Sixteen Thousand Dollars (\$16,000.00) from Surplus Federal Revenue Sharing Funds for the purchase of two police cruisers, or take any other action relative thereto. (Police Chief's Article), (Recommended by Finance Committee, Vote 11-0).

Article 10. To see if the Town will vote to transfer Ten Thousand Dollars (\$10,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of dredging operations in the Sengekontacket Pond area, or take any other action relative thereto. (Shellfish Committee Article), (Recommended by Finance Committee, Vote 11-0).

Article 11. To see if the Town will vote to transfer Three Thousand Dollars (\$3,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of microfilming municipal records at the Town Hall, or take any other action relative thereto. (Selectmen's Article), (Not Recommended by Finance Committee, Vote 5 For, 6 Against).

Article 12. To see if the Town will vote to transfer the sum of Six Hundred Seventy-Eight Dollars (\$678.00) from Surplus Revenue to the Fiscal Year 1984 Shellfish Department Deputy Constables wages account, or take any other action relative thereto. (Shellfish Department Article), (Recommended by Finance Committee, Vote 11-0).

Article 13. To see if the Town will vote to transfer the sum of Six Thousand Five Hundred Dollars (\$6,500.00) from "Water Department - Development" to "Water Department - Production", or take any other action relative thereto. (Water Department Article), (Recommended by Finance Committee, Vote 11-0).

Article 14. To see if the Town will vote to transfer the sum of Two Thousand Dollars (\$2,000.00) from Surplus Revenue to the account "Postage", or take any other action relative thereto. (Selectmen's Article), (Recommended by Finance Committee, Vote 11-0).

Article 15. To see if the Town will vote to transfer the sum of One Thousand Five Hundred Dollars (\$1,500.00) from the account "Participation with Island Programs" to the account "Council on Aging Expenses," or take any other action relative thereto. (Council on Aging Article), (Recommended by Finance Committee, Vote 10 For, 1 Against).

Article 16. To see if the Town will vote to transfer the sum of Two Thousand Five Hundred Dollars (\$2,500.00) from the account “Participation with Island Programs,” to the account “Maintenance of Senior Center,” or take any other action relative thereto. (Council on Aging Article) (Recommended by Finance Committee, Vote 10 For, 1 Against).

Article 17. To see if the Town will vote to accept the following by-law:

All owners of commercial property, or their tenants shall be responsible for the cleaning of sidewalks, curblines, and alleys which form the boundary lines of their property. All sidewalks and curblines shall be kept clear of sand, litter, garbage, trash, and hazardous materials. In addition, all sidewalks and curblines shall be cleared of snow and ice within twenty-four (24) hours of the end of a snowfall. Alleyways between buildings shall be kept clear of all litter, trash, garbage, and/or hazardous materials except that which is properly contained in a metal trash container and awaiting pick-up by a municipal or commercial refuse disposal service. Commercial property owners shall assign a responsible agent to comply with this by-law when they are absent from their property. Any and all violations of this by-law shall be subject to a Twenty-Five Dollar (\$25.00) fine for each day of violation.

or take any other action relative thereto. (Selectmen’s Article).

Article 18. To see if the Town will vote to accept the following by-law:

SUNDAY ENTERTAINMENT:

In all establishments in the Town of Oak Bluffs where alcoholic beverages are served, there shall be no live entertainment, music, patron dancing, or stage shows performed on Sundays; provided however; that entertainment by a single performer, playing an instrument or: singing, acting, dancing, or doing comedy, all of which is not made louder or amplified by electronic device, will be permitted. The Selectmen in their capacity as licensing authority for the town are empowered to enforce this by-law with the assistance of the Police Department.

Violations of this by-law shall be considered by the selectmen as grounds for suspension or revocation of the establishment’s license to sell alcoholic beverages (Selectmen’s Article).

Article 19. To see if the Town will vote to accept the following by-law:

“To set the hours of 8:30 A.M. through 8:30 P.M. for the use of recreational facilities in Niantic Park, excepting the tennis backboard, which shall begin use at 9:00 A.M. These hours shall be posted and enforced by the Park Department.” (Petitioned Article).

Article 20. “To see if the Town will vote to instruct the Park and Recreation Department to begin exploring with other island towns, the possibilities for an adult basketball program and league, whose activities would take place at a location other than the present Oak Bluffs, Niantic Park facility.” (Petitioned Article).

Article 21. “To see if the Town will vote to make eighteen the upper limit for participation in basketball programs and leagues using the Niantic Park basketball court.” (Petitioned Article).

Hereof fail not and give public notice by causing this notice to be posted in two or more places in this Town at least fourteen days before the time of said meeting, and published. And make due return of this warrant with your doings thereon to the Town Clerk at the time and place specified.

Given under our hands this twentieth day of March, 1984.

ANTHONY J. REBELLO
EDMOND G. COOGAN
RICHARD W. BLANKENSHIP
Board of Selectmen
Town of Oak Bluffs

Pursuant to the foregoing instructions, I hereby certify and warn the inhabitants of the Town of Oak Bluffs, qualified to vote as expressed in this Warrant to meet at the time and place specified.

Attest:

WENTWORTH T. TRIPP, Constable

WARRANT FOR THE ANNUAL TOWN MEETING

Commonwealth of Massachusetts

County of Dukes County, SS.

To either of the Constables in the Town of Oak Bluffs, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to warn the inhabitants of the Town of Oak Bluffs, who are qualified to vote in Town affairs and elections to assemble at the School Gymnasium, School Street, in Oak Bluffs on April 10, 1984 at seven o'clock in the evening, then and there to act upon the following articles:

Article 1. To hear the reports of the Selectmen and other Boards and Committees.

Article 2. To choose all other necessary officers.

Article 3. To see what sum of money the Town will vote to raise and appropriate for the payment of town debt and necessary expenses of the several departments for the ensuing fiscal year, and to act upon the recommendations of the Finance Committee, or take any other action relative thereto.

Article 4. To see if the Town will vote to fix the salary and compensation of all elected officers of the Town as provided by Section 108 of Chapter 41, of the General Laws, as amended for the twelve month period July 1, 1984 to June 30, 1985.

Moderator's Salary	114.40
Board of Selectmen/Health I	5,743.44
Board of Selectmen/Health II	5,615.79
Board of Selectmen/Health III	5,410.65
Treasurer's Salary	18,687.00
Tax Collector's Salary	19,462.80
Collector of Accounts Salary	632.00
Town Clerk Salary	19,405.51
Constable's Salary	126.62
Second Constable's Salary	126.62
Tree Warden's Salary	780.00
Cemetery Chairman's Salary	150.00
Water Commissioner's Salary, Chairman	800.00
Water Commissioner's Salary, Second Member	800.00
Water Commissioner's Salary, Third Member	800.00

and to raise and appropriate a sum of money therefor. (Recommended by the Finance Committee).

Article 5. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1984, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws Chapter 44, Section 17.

Article 6. To see if the Town will vote to transfer the sum of Six Thousand Dollars (\$6,000.00) from Surplus Revenue to an account for the purpose of updating the Town Assessors' Maps for the fiscal years 1982 and 1983, or take any other action relative thereto. (Board of Assessors' Article), (Recommended by Finance Committee, 11 Yes).

Article 7. To see if the town will vote to transfer the sum of Three Thousand Dollars (\$3,000.00) from Surplus Revenue to an account for the purpose of updating the Town Assessors' Maps for the period July 1, 1984 to June 30, 1985, or take any other action relative thereto. (Board of Assessors' Article), (Recommended by Finance Committee, Vote 11 Yes).

Article 8. To see if the Town will vote to accept Chapter 458 of the Acts of 1983 which places further regulations upon the duties of Dog Officers. Said Chapter to read as follows:

Be it enacted, etc., as follows:

Section 151A of Chapter 140 of the General Laws is hereby amended by adding after the first paragraph the following paragraph:-

Every dog officer shall make, keep, and maintain systems of records or forms which fully and correctly disclose the following information concerning each dog in his custody:-

The date and location of each apprehension; a description of each animal; place of confinement; if tagged the name and address of owner of such animal; name and address of new owner including the date of sale or transfer of such animal. If animal is destroyed said dog officer must record the method and date of destruction and the name of the person who administered the death of such animal, copies of such records shall, for a period of two years, be kept in the offices of the county dog office and the city or town clerk where such dog officer is employed. (Selectmen's Article).

Article 9. To see how the Town desires to be recorded on the following non-binding resolution dealing with the creation of a Martha's Vineyard Land Bank.

Be it resolved that the residents of the Town of Oak Bluffs support the establishment of a County Land Bank, the purpose of which is to acquire fee and less than fee interest in open space within Dukes County for future active and passive recreational use by the public, as well as lands to protect existing as well as future water supplies. Said County Land Bank shall be administered by a seven member Land Bank Commission, one member to be elected from each of the seven towns that comprise the County of Dukes County. Said Commission shall meet its financial obligations by drawing on a Land Bank Fund, financed by a two-percent fee assessed for certain transfers of real estate.

And, Be it further resolved, that the results of this vote be forwarded to the Town's representatives in the General Court, the presiding officers in each branch, and his Excellency, the Governor of the Commonwealth. (Selectmen's Article), (Recommended by the Finance Committee, Vote 11 Yes).

Article 10. To see if the Town will vote to transfer Thirty-Two Thousand Dollars (\$32,000.00) from Overlay Reserve to an account for the purpose of rebuilding Engine No. 4, or take any other action relative thereto. (Board of Fire Engineers, Article), (Recommended by Finance Committee, Vote 11 Yes).

Article 11. To see if the Town will vote to transfer the sum of Forty-Five Thousand Dollars (\$45,000.00) from Overlay Reserve to an account for the purpose of purchasing a new ambulance or to rebuild the existing ambulance, or take any other action relative thereto. (Board of Fire Engineers Article), (Recommended by Finance Committee, Vote 11 Yes).

Article 12. To see if the Town will vote to adopt a resolution to support the goals and objectives of the Town's Master Plan derived from the citizen survey/questionnaire and meetings with Town boards and residents. (Planning Board Article).

Article 13. To see if the Town will vote to amend Schedule A of the Personnel By-laws as follows:

or take any other action relative thereto. (Personnel Board's Article).

Article 17. To see if the Town will vote to amend Section 9 of the Personnel By-Laws by deleting:

“As required (d)	Administrative, Professional and Supervisory Group, Public Safety Group
As Required	Harbormaster
As Required	Shellfish Constable
As required	Inspection

And Substituting:

“As Required (d) Police Chief
 Highway Superintendent
 Water Superintendent
 Town Accountant
 Building Inspector
 Shellfish Constable
 Harbormaster
 Assistant Harbormaster”

or take any other action relative thereto. (Personnel Board's Article).

Article 18. To see if the Town will vote to amend the Personnel By-Laws by adding the following Schedule D:

SCHEDULE D
Annual Full Time Salary Schedule
Fiscal 1984-1985

Salary Grade	Position
S1	Police Chief - Not less than 1.5 times that of the highest paid patrolman
S2	Police Sergeant - 1.15 Times that of the highest paid patrolman
S3	Highway Superintendent, Town Accountant, Water Superintendent, Building Inspector.

Minimum	1	2	3	4	5	Maximum
\$19,650	\$20,650	\$21,700	\$22,800	\$23,950	\$25,150	\$26,450

S4						
Minimum	1	2	3	4	5	Maximum
\$17,150	\$18,150	\$19,100	\$20,050	\$21,050	\$22,100	\$23,200

S5						
			Shellfish Constable			
Minimum	1	2	3	4	5	Maximum
\$16,200	\$17,050	\$17,900	\$18,800	\$19,750	\$20,750	\$21,800

or take any other action relative thereto. (Personnel Board's Article), (Not Recommended by Finance Committee, 11 No).

ARTICLE 19. To see if the Town will vote to amend Section 5 of the Personnel By-Laws by adding the following:

“(m) A performance evaluation shall be conducted annually for all employees on Schedule D by the Administrative Authority prior to the granting of a step increase. This review shall be conducted within the framework of Form #23350 or other appropriate form, and reviewed personally with the employee. This Form, after being signed by the Administrative Authority, shall be forwarded to the Personnel Board as a basis for authorizing the step increase.”

or take any other action relative thereto. (Personnel Board's Article).

Article 20. To see if the Town will vote to transfer the sum of Sixteen Thousand Dollars (\$16,000.00) from Water Available Surplus to an account for the purpose of purchasing a new utility truck, or take any other action relative thereto. (Water Department Article), (Recommended by Finance Committee, 11 Yes).

Article 21. To see if the Town will vote to transfer the sum of Forty-Six Thousand Dollars (\$46,000.00) from Surplus Revenue to an account for the purchase of two (2) dump trucks for the Highway Department, or take any other action relative thereto. (Highway Department Article), (Not Recommended by Finance Committee, 11 No).

Article 22. To see if the Town will vote to transfer the sum of Ten Thousand Dollars (\$10,000.00) from Surplus Revenue to an account for the purpose of installing proper drainage at the intersection of Wamsutta, Tuckernuck and Circuit Avenues, or take any other action relative thereto. (Highway Department's Article), (Not Recommended by Finance Committee, Vote 10 No, 1 Abstention).

Article 23. To see if the Town will vote to appropriate the sum of One Hundred Fifty Thousand Dollars (\$150,000.00) for constructing, originally equipping and furnishing an addition to the public library, and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto. (Selectmen's Article), (Not Recommended by Finance Committee, Vote 3 Yes, 6 No, 2 Abstentions).

Article 24. To see if the Town will vote to appropriate the sum of Twenty-Five Thousand Dollars (\$25,000.00) for constructing septage lagoons for sewage treatment and disposal purposes, and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto. (Selectmen's Article), (Recommended by Finance Committee, Vote 11 Yes).

Article 25. To see if the Town will vote to appropriate the sum of One Hundred Seventy Thousand Dollar (\$170,000.00) for acquiring by purchase, eminent domain, or otherwise, on behalf of the Town, various parcels of land, as follows:

PURPOSES	PARCEL (Assessors' Maps)
Well Field	Map 54, Lot 1
Parking Lot	Map 9, Lot 20.1
Septage Lagoons	Map 29, Lots 158 and 160
	Map 28, Lots 12, 13, and 14
	Map 22, Lot 43
	Map 21, Lots 82, 83, 84, and 85

and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto. (Selectmen's Article), (Recommended by Finance Committee, Vote 11 Yes).

Article 26. To see if the Town will vote to appropriate the sum of Two Hundred Fifty Thousand Dollars (\$250,000.00) for constructing, originally equipping and furnishing an addition to the Oak Bluffs School, and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto. (Selectmen's Article), (Recommended by Finance Committee, Vote 6 Yes, 3 No, 2 Abstentions).

Article 27. To see if the Town will vote to raise and appropriate the sum of One Hundred Twelve Thousand Three Hundred Twenty-Four Dollars (\$112,324.00) for the Town's apportioned share of the operating and capital cost of the Martha's Vineyard Refuse Disposal and Resource Recovery District, or take any other action relative thereto. (Selectmen's Article), (Recommended by Finance Committee, Vote 11 Yes).

The Annual Town Meeting shall be adjourned until Ten O'Clock in the morning April 12, 1984 at the School Gymnasium, School Street.

Article 28. To elect the following Town Officers on the Official Ballot:

A Moderator for one year.

A Selectman for three years.

A Town Clerk for three years.

A School Committee Member for three years.

A Cemetery Commissioner for three years.

Five Members of the Finance Committee for three years.

A Member of the Planning Board for two years.

A Water Commissioner for three years.

A Park Commissioner for three years.

Also, Non-Binding Referendum Question:

“Shall the Town of Oak Bluffs be allowed to exempt from the provision of Proposition 2½, so called, the amounts required to pay for the bonds issued in order to finance the construction of a water standpipe and water mains, the construction and rehabilitation of harbor facilities, the construction, equipping and furnishing of an addition to the public library, the construction of septage lagoons for sewage treatment, the acquisition of various parcels of land for a well field, parking lot, and septage lagoons, the construction, equipping and furnishing of an addition to the Oak Bluffs School, and the Town's apportioned share of the proposed project of the Martha's Vineyard Refuse Disposal and Resource Recovery District?”

YES

NO

The polls for the reception of votes for the aforesaid officers and Non-Binding Referendum Question will be open from ten o'clock in the morning and will close at seven o'clock in the evening.

Hereof fail not and give public notice by causing this notice to be posted in two or more places in the Town at least fourteen days before the time of said meeting, and published. And make due return of this Warrant with your doings to the Town Clerk at the time and place specified.

Given under our hands this twentieth day of March, 1984.

ANTHONY J. REBELLO

EDMOND G. COOGAN

RICHARD W. BLANKENSHIP

Board of Selectmen
Town of Oak Bluffs

Pursuant to the foregoing instructions, I hereby certify and warn the inhabitants of the Town of Oak Bluffs, qualified to vote as expressed in this Warrant to meet at the time and place specified.

And, therefore, we reflect a moment of silence in their honor.

The Commonwealth of Massachusetts

Office of the Secretary of State
State House, Boston, MA 02133 (617) 727-2800

Michael Joseph Connolly, Secretary

June 1, 1984

Mr. Wilson J. Thomas
Pequot Ave., Box 253
Oak Bluffs, MA 02557

Dear Mr. Thomas:

On behalf of the Commonwealth of Massachusetts it is my great pleasure to extend to you my congratulations on your initiation into the Massachusetts Voter Hall of Fame. The purpose of the Voter Hall of Fame is to recognize the valuable contribution which you and a select number of individuals like you have made to our form of government.

This certificate is a symbol of our appreciation for your commitment to our electoral process. Your long-standing dedication to the voting process is a source of strength and vitality for our democracy. By exercising your right to vote for more than 50 years, you have kept the ears of government listening to the people and insured the right of future voters to do the same.

I commend your commitment to the spirit of our democracy and again, my congratulations and thanks for your effort.

Sincerely,

MICHAEL J. CONNOLLY
Secretary of State

MJC/wpc

Massachusetts Voter Hall of Fame Award

presented to

Wilson J. Thomas

of _____
Oak Bluffs

on _____
June 1, 1984

in recognition of a distinguished voting record of half a century. Your participation in democracy is a continuing source of strength to our state and nation.

Michael Joseph Connolly

Michael Joseph Connolly,
Massachusetts Secretary of State

Mr. Wilson J. Thomas, known as Bill, a member of the Oak Bluffs Board of Registrars of Voters for more than 30 years, received the above award from the Secretary of State Michael Joseph Connolly in recognition of a distinguished voting record of half a century. The award makes him a member of the Massachusetts Voter Hall of Fame, and was presented on June 12, 1984.

It is to be noted that both Howard E. and Esther C. Coe received the above award also.

STATE AND COUNTY OFFICIALS

1984

Representative in Congress for the 10th District
Honorable Gerry E. Studds, Cohasset, Democrat

REPORT OF THE CHAIRMAN OF THE BOARD OF SELECTMEN

To my Fellow Citizens of Oak Bluffs:

Three years ago at the end of my first term as Selectmen, I wrote of the honor it had been to serve Oak Bluffs during its one hundredth birthday celebration. At the time, Oak Bluffs was indeed the "Vineyard's town on the move". The level of pride and understanding of the special heritage of our town was at a high point. But the hard work was yet to come and much was left to do with proposition 2½ limiting our ability to get things done.

Three years ago Dick Blankenship, Tubby Rebello, and Ed Coogan sat in the Oak Bluffs Selectmen's room and agreed that the Library and School needed to expand, that the dump was about to die, that septage lagoons needed to be built, that the harbor needed major repairs, that our jetties and seawalls were tumbling down, that a bike path was needed on the Vineyard Haven-Edgartown Road, that downtown needed wider sidewalks and expanded parking facilities, that town records needed to be protected for future generations and last but by no means least new wells for our water system were a must.

I wish that we could say that all this has been done. Not quite, but we are on the way. The harbor project is now fully funded and one-third complete. The School and Library projects are about to begin. The entire island has joined forces to begin the much needed regional landfill project saving each dump from imminent death. The town has voted to build septage lagoons, a project which should be starting as you read this report. The state has voted funds to repair our most endangered seawall, but their list is long and their available engineers short. The funding for the bikepath has been secured with the aid of the Martha's Vineyard Commission as usual; and it must be remembered that the Commission was instrumental in funding of the harbor, the Eastville Beach and the Sailing Camp Park.

We do not have wider sidewalks, expanded downtown parking, new wells for the water systems or properly bound public records, but efforts in these areas have been started. We need to computerize our operation in town hall. We must repair and maintain the interior of the town hall building. The public works sector of our government cries out for consolidation to handle the growing demands on it. We must convince the owners of down town property who have resisted the urge to upgrade the exterior of their buildings to do so immediately for their sake and the sake of the town as a whole.

So as I end my tenure in this office, much has been done but as always a great deal more is left to do. The years in the immediate future are going to see greater demands on the organization of town functions. We can no longer run one man or woman operations. The laws and the problems are too complex. Mr. Rebello, Mrs. Marinelli and those who follow need your support and encouragement now.

It is too much to hope that a town would ever again have a Dick Blankenship and a Frank Townes living at the same time and working for the same goals for little or no financial return. I could never hope to begin to say what Dick did for Oak Bluffs in these past years. Without him the town would not be what it is today. Frank complemented Dick in an ideal way. Whatever area Dick could not cover Frank was there putting in all the hours necessary to keep a project moving. Together they kept the day and evening governments of Oak Bluffs moving ahead. Without them it just isn't the same.

Respectfully submitted,

EDMOND G. COOGAN, Chairman
Board of Selectmen

ANNUAL REPORT OF THE ASSESSORS

Board of Selectmen
Town of Oak Bluffs
Oak Bluffs, Massachusetts

Gentlemen:

The following is the tax rate recapitulation for Fiscal 1985, which was computed by the Assessors when determining the tax rate of \$12.08; and was approved on August 23, 1984 by the Department of Corporations and Taxation, Bureau of Local Taxation.

TOWN ACCOUNTANT

Edmond G. Coogan, Chairman
Board of Selectmen
Town of Oak Bluffs
Oak Bluffs, Massachusetts 02557

Dear Mr. Chairman:

In accordance with the provisions of Chapter 41, Section 61 of the Massachusetts General Laws, I herein submit my final annual report of the Oak Bluffs Accounting Department.

This report contains a statement of receipts and expenditures, summary of appropriations accounts for the fiscal year 1984 and the first six months of fiscal year 1985, and the balance sheet for the year ended June 30, 1984.

I would like to thank the Board of Selectmen and Susan Fauteux for their assistance during the past year.

Respectfully submitted,

ALAN W. KALLMANN
Town Accountant

Adjourned 9:56 p.m.

JANE P. VOTTA, C.M.C., Town Clerk

TOWN OF OAK BLUFFS REPORT OF THE 1984 ANNUAL TOWN MEETING APRIL 10, 1984

The Annual Town Meeting was held on April 10th, 1984 at the Oak Bluffs School Gymnasium.

At 7:00 P.M., Moderator Loud announced there were one hundred sixty-four (164) voters present.

Moderator Loud further announced that certain selected people in attendance, who were nonvoters, would be allowed to speak with his permission.

Reverend James F. Greene, Pastor of the Sacred Heart Parish offered invocation.

At this meeting Special Police Officer William N. deBettencourt, Jr. replaced Constable Peter A. Moreis, Jr., who is a patient in the Intensive Care Unit of the Martha's Vineyard Hospital.

Chairman of the Board of Selectmen Anthony J. Rebello made a presentation of a Citation from the Secretary of State Michael Connolly to Antone J. deBettencourt, Sr. who has chosen not to seek reelection to the position of Water Commissioner, a position he has held for more than twenty years and also to Robert E. Phillips who has resigned from the Board of Registrars of Voters, a position he has held for more than fourteen years.

Article 1. Selectmen Blankenship offered the Town Report as the report of the Board of Selectmen.

A written report from the Planning Board, the Water Department and parents of children in the Oak Bluffs School were handed to voters as they arrived. A copy of each is attached to these minutes.

Article 2. The following officers were elected from the floor of the Annual Town Meeting:

Poundkeeper - Ernest Garvin; Field Drivers - Joseph Nunes, Antone J. deBettencourt, Sr.; Surveyors of Lumber and Measurers of Wood and Bark - Herbert A. Combra, Jr., Robert W. Yapp; Fence Viewers - Alfred M. Metell, Peter M. Williamson.

Article 3. Voted unanimously as amended to raise the necessary sums of money to defray the general expenses of the town (budget) and to make appropriations therefor and to accept the recommendations from the 3rd and 4th columns as printed in the town report:

TOWN OF OAK BLUFFS REPORT OF A SPECIAL TOWN MEETING HELD ON APRIL 10TH, 1984

Moderator Frederick L. Loud, Jr., Esq. announced tht there were One Hundred Sixty-Four voters present. With the quorum having been met the voters were directed to act on:

Article 1. Voted unanimously to transfer the sum of Ninety-Three Dollars and Ten Cents (93.10) from Water Available Surplus to the account "Water Department - Administration" to pay for a prior our-of-state travel expense.

Article 2. Voted unanimously to allow the Town Treasurer to borrow monies from time to time of which the borrowing of funds shall not exceed the principal sum of One Hundred Forty-Two Thousand Four Hundred Dollars (\$142,400.00). Such funds shall be used to construct a bicycle path along the High School side of the Edgartown-Vineyard Haven Road running from Oak Bluffs-Edgartown town boundary line to the Oak Bluffs-Tisbury town boundary line. The borrowing of these funds shall be reimbursed to the Town on a 100% share basis by the Massachusetts Department of Public Works. No borrowing is to take place until the Massachusetts Department of Public Works has approved it's 100% share of the construction and until participating towns have approved similiar worded articles. The interest on the loan is expected to cost Four Thousand Five Hundred Dollars (\$4,500.00) to be transferred from Surplus Revenue to the account "Interest on Loan for Bike Path Project".

Article 3. Voted unanimously to approve a capital expenditure of Twenty-Seven Thousand Three Hundred Dollars (\$27,300.00) to repair and repave the entrance drive and parking area of the Martha's Vineyard Regional High School; and to approve the transfer of Seven Thousand Ninety-Eight Dollars (\$7,098.00) From Surplus Federal Fevenue Sharing Funds as the Town's share of this capital expenditure.

Article 4. Voted unanimoulsy for the Town to transfer the sum of One Thousand Five Hundred Dollars (\$1,500.00) from Surplus Revenue to an account for the purpose of updating the Town Assessors' Maps for the period of January 1, 1984 to June 30, 1984.

Article 5. Voted to transfer Six Thousand Dollars (\$6,000.00) from Surplus Federal Revenue Sharing Funds to an account for the "Repairs to Roof of the Oak Bluffs Library".

Article 6. Voted unanimously to transfer the sum of Eight Hundred Forty Dollars (\$840.00) from Surplus Revenue to the account "Treasurer's Clerical Expenses", which was inadvertently omitted in the printing of the Town Report and therefore not voted at the April, 1983 Town Meeting.

Article 7. Voted unanimously to transfer the sum of One Thousand Dollars (\$1,000.00) from Surplus Federal Revenue Sharing Funds for the purchase of a typewriter for the Treasurer's Office.

Article 8. Voted unanimously to transfer the sum of One Thousand Dollars (\$1,000.00) from Surplus Federal Revenue Sharing Funds for the purchase of a typewriter for the Tax Collector's Office.

Article 9. Voted unanimously to transfer the sum of Sixteen Thousand Dollars (\$16,000.00) from Surplus Federal Revenue Sharing Funds for the purchase of two police cruisers.

Article 10. Voted unanimously to transfer Ten Thousand Dollars (\$10,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of dredging operations in the Sengekontacket Pond area.

Article 11. By a standing vote of ninety-two (92) for and thirty (30) against this article passed to transfer Three Thousand Dollars (\$3,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of microfilming municipal records at the Town Hall.

Article 12. Voted unanimously to transfer the sum of Six Hundred Seventy-Eight Dollars (\$678.00) from Surplus Revenue to the Fiscal Year 1984 Shellfish Department Deputy Constables wages account.

Article 13. Voted unanimously to transfer the sum of Six Thousand Five Hundred Dollars (\$6,500.00) from "Water Department - Development" to "Water Department - Production".

Article 14. Voted unanimously to transfer the sum of Two Thousand Dollars (\$2,000.00) from Surplus Revenue to the account "Postage".

Article 15. Voted unanimously to transfer the sum of One Thousand Five Hundred Dollars (\$1,500.00) from the account "Participation with Island Programs" to the account "Council on Aging Expenses".

Article 16. Voted to transfer the sum of Two Thousand Five Hundred Dollars (\$2,500.00) from the account "Participation with Island Programs", to the account "Maintenance of Senior Center".

Article 17. This by-law was unanimously voted as it appeared in the warrant. (Commercial property responsibility for cleaning sidewalks, etc.)

Article 18. This by-law was unanimously voted as it appeared in the warrant. (Sunday entertainment)

Article 19. This article was defeated.

Article 20. Voted unanimously to instruct the Park and Recreation Department to begin exploring with other island towns the possibilities for an adult basketball program and league, whose activities would take place at a location other than the present Oak Bluffs, Niantic Park facility.

Article 21. This article was defeated.

On April 11th the Attorney was sent Article 17 and 18.

At 7:58 a motion was made, duly seconded and voted to adjourn this Special Town Meeting.

Summary:

Voted to take from Surplus Federal Revenue Sharing:

\$44,098.

Voted to take from Surplus Revenue:

\$9,518.00

JANE P. VOTTA, C.M.C., Town Clerk

Note:

Article 17 and 18 approved by Attorney General Francis X.

Bellotti, Boston, Massachusetts, July 9th, 1984.

TOWN OF OAK BLUFFS
REPORT OF THE 1984 ANNUAL TOWN ELECTION
APRIL 12, 1984

The Annual Town Election was called to order at 10:00 a.m. on April 12th by the Warden Wentworth T. Tripp, Constable. The call of the meeting and the officer's return was read. The polls were declared open at the prescribed time, for the reception of voters for the candidates on the official ballot for this Annual Town Election for the Town of Oak Bluffs.

Constable Peter A. Moreis, Jr. is a patient in the Intensive Care Unit of the Martha's Vineyard Hospital, therefore, Special Police Officer James Cage acted in that capacity until 5:00 p.m. when he was relieved by Special Police Officer Richard R. Mavro.

The following election officers were duly qualified to serve by the Town Clerk:

Helen S. Schneider, Patricia L. Law, Wilson J. Thomas, Robert E. Phillips and Lois A. DeBettencourt.

During the course of voting the absentee ballot envelopes were inspected and the ballots were deposited in the ballot box by the Warden. Forty-five absentee ballots were received and one was rejected.

At 7:00 the polls were declared closed and the ballot box registered Seven Hundred Twenty-Seven (727) and Seven Hundred Twenty-Seven (727) ballots were removed from the box of which forty-four (44) were absentees.

The following tellers were then administered an oath of office by the Town Clerk:

Florence BenDavid, Mary R. Thomas, Edna Zeppernick, Louise deBettencourt, Elma Sylvia, Peter Legendre, Pauline Phillips, David Madeiras, Dominic Grande and Marguerite Cook.

The official results are as follows:

James P. Kane
Blanks

Three Hundred Forty-one (341)
Three Hundred Twenty-eight (328)
Fifty-eight (58)

Non-Binding Question:

“Shall the Town of Oak Bluffs be allowed to exempt from the provision of Proposition 2½, so called, the amounts required to pay for the bonds issued in order to finance the construction of a water standpipe and water mains, the construction, equipped and furnishing of an addition to the public library, the construction of septage lagoons for sewerage treatment, the acquisition of various parcels of land for a wellfield, parking lot, and septage lagoons, the construction, equipping and furnishing of an addition to the Oak Bluffs school, and the town’s apportioned share of the proposed project of the Martha’s Vineyard Refuse Disposal and Resource Recovery District?”

Yes
No
Blanks

Three Hundred Fifty (350)
Three Hundred Thirty (330)
Forty-seven (47)

The public declaration of the number of votes cast for each candidate were made by the Town Clerk.

The Board of Registrars of Voters presented Robert E. Phillips, a member of the board, with a plaque as he has announced he is retiring from the Board. Robert has served as a member of the Board for thirteen years.

The used and the unused ballots, tally sheets, checklists and absentee ballot applications and ballot envelopes were all duly sealed and signed, and delivered to the Town Clerk to be kept the prescribed time.

The meeting adjourned at 9:20 p.m.
So voted to adjourn.

JANE P. VOTTA, C.M.C., Town Clerk

**TOWN OF OAK BLUFFS
REPORT OF A SPECIAL TOWN MEETING
JUNE 12, 1984**

Moderator Frederick L. Loud, Jr., Esq. announced that a quorum was present and therefore called this Special Town Meeting to order.

Following the reading of the Officer’s return Moderator Loud conducted the meeting acting on all articles in the warrant as follows:

Article 1. Defeated - “To see if the Town of Oak Bluffs will vote the following by-law under Chapter VI, Section XIIE of the Oak Bluffs By-Laws:

Add the Following:

Section XIIF:

By-Law

Any wholesale or retail business, or service office must be conducted entirely indoors.”

Article 2. Voted unanimously to authorize the Board of Selectmen to apply for, accept and expend any grants that may be available and received for further rehabilitation of the bulkhead and related facilities under the Coastal Facilities Improvement Program, M.G.L. Ch. 21F.

Article 3. Defeated - "To amend the Oak Bluffs, Zoning Map by changing From R-1 (Residential) to B-2 (Business) the following Oak Bluffs Assessor's Maps parcels: Map 5, Lot 18; Map 6, Lot 38; Map 6, Lot 39; Map 6, Lot 40; Map 6, Lot 41; and those portions of Map 7, Lot 1 now zoned R-1. Those portions of Map 7, Lot 1 presently zoned B-1 (Business) would remain. The above property is owned by the Martha's Vineyard Hospital, and the hospital property boundaries would determine these B-1 and B-2 District boundaries."

It was the general consensus of some of the voters present that zoning should not be brought up at Special Town Meetings. However, State Statute provides "any subject requested by 100 registered voters must be included in the Warrant for the Special Town Meeting".

Article 4. Voted unanimously to transfer the sum of Fifteen Thousand Dollars (\$15,000.00) from Water Department Surplus, when a Surplus is realized, to be used for the completion of the 2½ Test Well Project now underway.

Article 5. Defeated by a standing vote of:

Yes 27

No 22

Moderator Loud announced this article required a 2/3rds vote to pass and it did not receive it.

"To see if the Town will vote to change Lot 41, Map 9 (Oak Bluffs Assessor's Map) from B-2 to R-1."

Article 6. Voted unanimously to transfer the sum of Eleven Thousand Nine Hundred Sixty-Six Dollars and Thirty-Four Cents (\$11,966.34) from the Overlay Surplus, Reserve Fund to be used as follows:

Two Thousand Six Hundred Dollars (\$2,600.00) to be used to repair storm damaged plumbing and electrical service in the Oak Bluffs Harbor; and Nine Thousand Three Hundred Sixty-Six Dollars and Thirty-Four Cents (\$9,366.34) to be used to pay for the increase in street lighting costs.

Article 7. Voted unanimously to transfer the sum of Six Thousand Seven Hundred Fifty Dollars (\$6,750.00) from Surplus Federal Revenue Sharing to an account to be used as matching funds for a joint study of the Lagoon Pond with the Town of Tisbury.

Article 8. Voted unanimously as amended to transfer the sum of Eight Thousand Five Hundred Eighty Dollars (\$8,580.00) from Surplus Federal Revenue Sharing Funds to an account, within the fire department budget to be used for the salaries of two Emergency Medical Technicians to staff the Oak Bluffs Ambulance on week-days for ten hour shifts per day, between June 1, 1984 and September 1, 1984.

Article 9. Voted unanimously to transfer the sum of Thirty-Five Thousand Seven Hundred Seventy-One Dollars and Twenty-One Cents (\$35,771.21) from the following unexpended appropriations: Repair of Plumbing and Painting of Seaview Avenue Comfort Station, \$3,000.00; Tax Collector's Office Chair, \$18.86; Out-of-State Travel (General Government), \$1,425.58; Police Department Training School, \$199.90; Jaws of Life Purchase and Expense, \$231.68; Sanitation Truck Purchase and Expense, \$3,961.60; Plans to Construct Septage Lagoons, \$1,000.00; Septage Lagoon Rental from Tisbury, \$3,000.00; Health Services, \$300.00; Park Department Truck Purchase and Expense, \$13.00; Repairs and Renovations to Library, \$1,000.00; Contingency Funds, Library Improvements, \$1,000.00; Advertising, \$250.00; Planning Board Legal, \$800.00; Girl Scout Property Purchase and Expense, \$15,470.59; Council on Aging Participation with Island Programs, \$4,000.00; and Moderator's Expenses, \$100.00; to be used to pay for the following unanticipated end-of-year additional expenses:

Treasurer's Office, New Check Fees, \$246.49; Town Council, Legal Fees, \$2,000.00; Street Lighting, \$633.66; Insurance, \$18,000.00; Telephone, \$1,957.25; Public Health Nursing Services, \$3,900.00; Police Department Summer, Temporary and Special Salaries, \$4,500.00; Veteran's Benefits, \$4,400.00; and Traffic Violation Control System, \$93.81.

Article 10. Voted unanimously to transfer the sum of One Hundred Eighty Dollars (\$180.00) from Stewards' Salaries to Captains' Salaries.

Article 11. Voted unanimously to transfer the sum of Three Hundred Dollars (\$300.00) from Stewards' Salaries to Fire Department Contingent.

Article 12. Voted unanimously to transfer the sum of Seven Hundred Sixteen Dollars and Eighty-Eight Cents (\$716.88) from First Lieutenants' Salaries to Captains' Salaries.

Article 13. Voted unanimously to transfer the sum of Four Hundred Dollars (\$400.00) from Fire Alarm System to Fire Department Contingent.

Article 14. Voted unanimously to transfer the sum of Two Thousand Dollars (\$2,000.00) from Fire Department Building Repairs to Fire Department Contingent.

Article 15. Voted unanimously to transfer the sum of Three Hundred Dollars (\$300.00) from Secretary Wages to Ambulance Contingent.

At this point Moderator Loud announced that Mr. Wilson J. Thomas known as Bill, a member of the Oak Bluffs Board of Registrars of Voters for more than 30 years, received an award from the Secretary of State Michael Joseph Connolly in recognition of a distinguished voting record of half a century. The award makes him a member of the Massachusetts Voter Hall of Fame, and was presented on June 1, 1984.

A motion was made and duly seconded and voted to adjourn this Special Town Meeting and it adjourned at 7:41 p.m.

JANE P. VOTTA, C.M.C., Town Clerk

REPORT OF THE MASSACHUSETTS STATE PRIMARY SEPTEMBER 18TH, 1984

Article 5. Voted unanimously to transfer the sum of Eight Thousand Dollars (\$8,000.00) from Surplus Revenue to an account for the purpose of recertification.

Article 6. Voted unanimously to transfer the sum of Fourteen Thousand Three Hundred Seventy-Six Dollars (\$14,376.00) from Surplus Revenue to be spent under the provisions of Chapter 234, Acts of 1984, which provides for State Aid to Highways, and upon reimbursement by the Commonwealth, said sum to be returned to Surplus Revenue.

Article 7. Voted unanimously to transfer the sum of Four Thousand Seven Hundred Ninety-Two Dollars (\$4,792.00) from Surplus Revenue to be spent under the provisions of Chapter 234, Acts of 1984, which provides for State Aid to Highways, said sum representing the local contribution.

Article 8. Voted unanimously to accept Chapter 55 of the Acts of 1984:

"An Act Relative to the Payment of Certain Taxes. Section 1. Chapter 60 of the General Laws is hereby amended by adding the

following section: Section 106 - Any property tax due a city or a town in an amount not in excess of Twenty-Five Dollars shall be due and payable in a single payment when so determined by the appropriating body of such city or town. Section 2. This Act shall be applicable with respect to the tax assessment for the year commencing January first, nineteen hundred and eighty-four and for subsequent years.”

Article 9. Voted unanimously to transfer the sum of Fifteen Thousand Dollars (\$15,000.00), Ten Thousand Dollars (\$10,000.00) from Water Available Surplus and Five Thousand Dollars (\$5,000.00) from Operations to an account for Test Wells and pump test.

Article 10. Voted unanimously to transfer from Water Department Interest on Water Bond Anticipation Notes the sum of \$11,156.00 to Principal Payment due on F.H.A. Bond.

Article 11. Voted unanimously to transfer from Water Department Interest on Water Bond Anticipation Notes the sum of \$886.29; from Water Department Interest on Anticipated Water Bond Issue the sum of \$5,758.25; and from Interest on Bond the sum of \$1,419.12 to the Construction of the Water Storage Facility.

Article 12. Voted unanimously to transfer from Water Available Surplus the sum of \$351.80 to the Construction of the Water Storage Facility.

Article 13 Voted to amend Article #9 of the 12/23/71 Special Town Meeting which was tabled and voted as Article #27 of the February, 1972 Annual Town Meeting which read in part, “...4. That 2 members of the Shellfish Committee be appointed by the Selectmen as Deputy Shellfish Wardens and to serve without pay.” and amend it to read: “4. All members of the Shellfish Committee be appointed by the Selectmen as Deputy Shellfish Wardens and to serve without pay.”

Article 14. Voted unanimously to rename Commercial Avenue, Highland Drive and Atlantic Drive; from the intersection of New York Avenue and Commercial Avenue at Washington Park to the intersection of New York Avenue and Atlantic Drive; to East Chop Drive.

Article 15. Voted unanimously to grant an easement (.63 feet more or less in width and 28.21 feet more or less in length) abutting Lot 14 Pasque Avenue over Pasque Avenue for that portion of the dwellings of John M. Beatty and Joan B. Beatty, presently within the layout of said Pasque Avenue.

Article 16. Voted unanimously to rescind the vote approving Article 9 of the Special Town Meeting of September 20, 1983, which said vote approved acquisition of the Marjorie Convery Property at Eastville Beach.

Article 17. Voted unanimously to authorize the Conservation Commission to acquire by purchase for the sum of \$36,500.00 or the Board of Selectmen to take by eminent domain or otherwise for conservation purposes described in Chapter 40, Section 8(C) Massachusetts General Laws, certain parcels of land now owned by Marjorie Convery formerly Marjorie C. Zipser. More particularly described as the land in Oak Bluffs on Beach Road at Eastville Beach being Lots 39, 40, 41, 42, 43, and 44, as shown on a plan of Oak Bluffs Beach recorded with the Dukes County Registry of Deeds; and also Lot No. 38 as shown on Plan 13147A recorded with the Dukes County Registry District of the Land Court filed with original Certificate of Title No. 504.

Said property also shown on Oak Bluffs Assessors’ Map 6, Lot 15.

And further to authorize the Treasurer, with the approval of the Selectmen, to borrow for a period of not over six months the sum of Thirty-Six Thousand Five Hundred Dollars (\$36,500.00) under the provisions of Chapter 44, Section 8(C), of the General Laws for the acquisition of the Convery Property at Eastville Beach for Conservation purposes. And to authorize the Oak Bluffs Conservation Commission with the approval of the Board of Selectmen on behalf of the Town, to enter into any agreement that it deems advantageous with the Commonwealth under the provisions of General Laws Chapter 132A, Section 11, for the partial reimbursement of the costs of acquisition of the above described land. And further to direct that any reimbursement received shall be applied to the payment of any temporary borrowing under Chapter 44, Section 8(c) of the General Laws.

Article 18. Voted unanimously to authorize the payment of One Thousand Dollars (\$1,000.00) from the account “Highway Department, Salaries and Wages” for the purpose of paying a negotiated wage settlement to Henry Coito.

Article 19. Voted unanimously to transfer the sum of Sixteen Thousand Six Hundred Eighty Dollars (\$16,680.00) from Surplus Revenue to the account “Permanent Patrolmen Salaries” for the purpose of hiring two additional full-time police officers.

Article 20. Voted unanimously to rescind the vote approving the Article 27 of the Annual Town Meeting of April 10, 1984, which said vote approved the sum of One Hundred Twelve Thousand Three Hundred Twenty-four Dollars (\$112,324.00) as the Town’s apportioned share of the Martha’s Vineyard Refuse Disposal & Resource Recovery District.

Article 21. Voted unanimously to transfer the sum of One Hundred Twelve Thousand Three Hundred Twenty-four Dollars (\$112,324.00) from Surplus Revenue for the Town’s apportioned share of the operating and capital cost of the Martha’s Vineyard Refuse Disposal and Resource Recovery District.

Article 22. Voted unanimously to amend the vote approving Article 7 of the Special Town Meeting of June 17, 1984, which said vote approved the sum of Six Thousand Seven Hundred Fifty Dollars (\$6,750.00) to be transferred from Surplus Federal Revenue

Sharing Funds for the purpose of a joint study of the Lagoon Pond with the Town of Tisbury by allowing the Town of Oak Bluffs to accept matching funds of Six Thousand Seven Hundred Fifty Dollars (\$6,750.00) from the Town of Tisbury. The sum of Thirteen Thousand Five Hundred Dollars (\$13,500.00), which represents the Oak Bluffs share of \$6,750.00 (Voted on June 12, 1984) and the Tisbury share of \$6,750.00 to be used for the purpose of a diagnostic and feasibility study on Lagoon Pond; and to authorize the Board of Selectmen to apply for, receive and expend without further appropriation an additional sum of \$31,500.00 from the Commonwealth of Massachusetts for said purpose.

Article 23. Voted unanimously to allow the Board of Selectmen to enter into one or more intermunicipal agreements with the Town of Tisbury concerning watershed management and inflake restoration techniques as suggested by the proposed diagnostic and feasibility study of the Lagoon Pond.

Article 24. Voted unanimously as amended to establish in the Treasury, a fund, as set forth in this Article and authorize the Selectmen to do all things necessary to carry out its provisions, which will be kept separate and apart from all other monies by the Treasurer and in which shall be deposited seventy-five percent (75%) of the receipts received from the issuance of Commercial Shellfish Permits by said Town. The principal and interest of this fund shall be spent under the direction of the Shellfish Constable with the advise of the Shellfish Advisory Committee subject to final approval of the Selectmen, for the propagation, cultivation, protection and study of shellfish. The provisions of this article shall take effect upon its passage.

At this point Moderator Loud requested all in attendance pause for a moment of silent prayer for our former Selectman Richard W. Blankenship who died in September.

A motion was made and duly seconded and voted to adjourn this Special Town Meeting at 7:58 P.M.

JANE P. VOTTA, C.M.C., Town Clerk

Note:
November 3rd the Div. of Local Acceptance was advised of the passage of Article 8.
Certified copies of Articles 22 and 23 were sent to the M.V.C.
Certified copies of Articles 6 and 7 were sent to the Mass. D.P.W.
November 2nd a Certified copy of the vote on Article 24 was sent to Representative Cahoon.

REPORT OF THE STATE/NATIONAL ELECTION NOVEMBER 6, 1984

The polls opened at 7:00 A.M. and the warden Wentworth T. Tripp was in attendance as well as Constable Peter A. Moreis, Jr. and Helen S. Schneider.

In so much as this election was being conducted according to hours dictated by state statute the following also participated as poll workers:

Wilson J. Thomas, Patricia A. Law, Lois A. DeBettencourt, Deborah deBettencourt, Aurora Ferreira, E. Jacqueline Hunt, Carrie Tankard, Marguerite Cook, Joan Barbour and Ida K. Geyer.

At 8:00 P.M. the Warden declared the polls closed and there had been One Thousand Three Hundred Sixty-one votes cast of which One Hundred Fifty-nine were absentees.

Florence BenDavid, Louis G. Votta, Robert E. Phillips, Pauline Phillips, Susan Phillips, David Madeiras, David Cook, Bertha Madeiras, Edna Zeppernick, William N. deBettencourt, Jr., Penelope Grande, Elma Sylvia assisted in the actual counting of votes following the closing of the polls.

It should be noted that the total number in the two ballots differed because many absentee voters chose not to return their Martha's Vineyard Commission ballot - there was a total of One Thousand Three Hundred Forty-five M. V. C. Ballots cast.

Adjourned 12:09 A.M.

JANE P. VOTTA, C.M.C., Town Clerk

Herbert A. Combra, Jr. has petitioned for a recount for the office of County Commissioner.

This will be conducted under the proper guidelines and an amended report will follow the complete counting of all overseas ballots.

Date: 12/11/1984

To: John Cloonan, Director Election Div.,
Joseph E. Sollitto, Jr., Clerks of Court
County Commissioners, County of Dukes County
Candidates - Alley, Combra, Lobdell, Medeiros and Custer

From: Oak Bluffs Board of Registrars of Voters

Subject: Recount, 12/10/1984 Oak Bluffs

Following the recount which was held here in this Town Hall Yesterday, the following represents the final tally:

Alley	Six Hundred Forty-seven (647)
Combra	Eight Hundred Twenty-three (823)
Lobdell	Four Hundred Twenty-six (426)
Medeiros	Two Hundred Thirty-one (231)
Custer	Two Hundred Twenty-seven (227)
Blanks	Three Hundred Seventy-four (374)
Total	Two Thousand Seven Hundred Twenty-eight (2,728)

It is to be noted that the total varies from the November total by Six (6) as this represents three (3) overseas ballots which arrived after the 6th and by the 16th.

A true copy-

Attest,

JANE P. VOTTA, C.M.C., Town Clerk, Town of Oak Bluffs

Copy: Ja. J. Gillis, Jr., Edmond G. Coogan, Attorneys at Law

SPECIAL TOWN ELECTION DECEMBER 12, 1984

Pursuant to the foregoing Warrant, the polls were declared open by the presiding officer, Wentworth T. Tripp, for the reception of voters for the Oak Bluffs Special Town Election, at 10:00 A.M., the prescribed time. The following election officers were sworn in and qualified by the Town Clerk:

Helen S. Schneider, Deborah deBettencourt, Ida Kennedy Geyer, Patricia J. Law, Wilson J. Thomas, Wentworth T. Tripp and Lois A. DeBettencourt.

The ballot box was examined by the officers and found empty and registering zero. The official ballots were given to the ballot clerks for distribution. At 7:00 P.M., the prescribed time for the closing of the polls they were declared closed by the presiding officer. The ballots were removed from the ballot box in blocks of fifty (50) and given to the ballot clerks for counting. The ballot box registered eight hundred fifty (850) and eight hundred fifty ballots were removed from the box. There were seventy-five (75) absentee ballots cast.

At 7:00 P.M. the following arrived to assist in the counting: Florence BenDavid, David Cook and David Madeiras.

The official ballot was cast as follows:

Selectman:

Linda Marinelli
Roger W. Wey
Blanks
Others

Five Hundred Twenty-one (521)
Three Hundred Twenty-four (324)
Three (3)
Two (2)

The public declaration of the votes cast was made by the Town Clerk. The used and unused ballots, tally sheets and check lists were signed and sealed; and delivered to the Town Clerk to be kept the required time as prescribed by law.

Adjourned 7:35 p.m.

JANE P. VOTTA, C.M.C., Town Clerk

PERSONNEL BOARD

The present members of the Personnel Board are; E. Jacqueline Hunt, June Rose, Hans Stibolt, Louis Votta, and Jessica Weaver.

One of the major goals of the present Board is to re-examine the By-Laws and write policies and procedures, rules and regulations as indicated in Section I, Paragraph (d) of the Personnel By-Laws for implementation of said By-Laws. Toward that end, the Board is planning to meet with the board of Selectmen, the Finance Committee, and the public for suggestions and ideas.

The Personnel Board meetings are open to the public and you are encouraged to attend. It is planned to further encourage attendance by publishing meeting dates in the local papers.

This year the Board voted a 5% cost of living increase in line with the national average. This is reflected in the revised Schedules B, B-1, and C.

In summary, the Personnel Board would like to thank all who have worked with us and a special thanks to Margaret Stafursky and Charles Marinelli for their valued service to the Board.

The Personnel Board is concerned with the Selectmen's Article on the 1985 Annual Town Meeting Warrant which would abolish the Personnel Board. It is the belief of this Board that it performs a needed service to the Town of Oak Bluffs and its abolishment would not be in the best interests of either the Town, its employees, or its taxpayers.

COUNCIL ON AGING

To the People of Oak Bluffs:

The Board of Directors welcomes three new members: Ronald Mechur, director of the Vineyard Open Land Foundation; Sally Kallmann, associated with the Long Term Care facility at the Martha's Vineyard Hospital; and Dr. Dean Lusted, general practitioner and pathologist in Oak Bluffs.

We mourn the loss of Frank Townes, former chairman of our Board.

The Board regrettably accepted the resignation of Frank McCool, an active member who has relocated out of State, and Alice Jeffers, a staff member of the Council.

Oak Bluffs can be proud of their Senior Center. It is a bee-hive of activity during the year serving the community as a social center, an educational facility, and a base for numerous activities that assist or activities that assist our seniors.

In addition to programs that include Arts and Crafts, Line Dancing, Bingo, Bridge, Mens' Day, and Movies, the Senior Center is used for Blood Pressure Clinics, Preventive Medicine seminars, Fuel Assistance programs, assistance with legal and tax problems, a base for reassurance calls to the elderly and incapacitated, a repository and distribution center for the Federal Surplus Food Program, the Striped Bass Derby fish allocation program, and a central place for a variety of gatherings for our citizenry.

All of the Council on Aging activities are supervised by our able staff: Beryl Pond, Naomi Quisenberry, and Louise Bugbee.

The Council on Aging is appreciative to the townspeople for supporting the Oak Bluffs Center and making it the most comfortable and the most used Senior Center on the Island. We thank the Selectpersons and the Town Departments for their help and cooperation during the past year. We would also like to recognize the individuals and organizations that helped with their efforts and donations to make the Center that "special place" where people don't have to be alone.

NORMAN FRIEDMAN
Chairman

PLANNING BOARD

Selectmen and Citizens of Oak Bluffs:

This year saw the Planning Board move forward with our work on the Master Plan. After tabulating and reviewing the results of the Master Plan Questionnaire we worked to develop preliminary goals for the plan. These goals were presented and endorsed by this year's annual town meeting vote. Since then we have held public hearings on the harbor, traffic and parking, and town government and met with the various town committees and department heads to gain much needed input to continue the Master Plan process. One of the results of our work has been the creation of an Official Town Map which will be presented to the 1985 Annual Town Meeting. We would like to thank the Martha's Vineyard Commission for their able assistance in developing the Master Plan and Town Map.

The Planning Board also reviewed and approved several subdivisions including the 30 lot Meadow View Farms subdivision located off Barnes Road.

The Board responded to requests from the board of Appeals for our input on zoning matters before them.

The Office of the Building Official has provided our board with information necessary for our work. We also depend on other town departments: Highway, Health, Fire, Water and Conservation for information needed in the many aspects of planning and subdivision regulations.

Respectfully submitted,

PRISCILLA SYLVIA, Chairman
STEVE KREUGER, Treasurer
TERRY McCARTHY
JOHN BRADFORD
KENNETH ROSE

ANIMAL CONTROL OFFICER

To the Honorable Board of Selectmen and
Citizens of Oak Bluffs

As Animal Control Officer for the Town of Oak Bluffs, I hereby submit my annual report for the year ending December 31, 1984.

The past year has been extremely busy, with a total of 1,173 calls being answered. Calls were answered for 21 cats and dogs hit by cars, 28 dead animals were removed from the road, 27 trips were made to the M.S.P.C.A., 47 skunks were removed from private property, and many calls were received for lost and found animals.

With the construction of the new pound, we now have the facilities to deal with the growing number of dogs being picked up and held here to be claimed by their owners.

The new ticket system has been successful in gaining cooperation from dog owners and has been a source of increased revenue for the Town.

I am grateful for the assistance rendered to me from the other departments within the Town.

Respectfully submitted,

ERNEST GARVIN
Animal Control Officer

FIRE DEPARTMENT

Board of Selectmen
Town of Oak Bluffs
Oak Bluffs, Mass. 02557

Selectpersons:

We hereby submit our Annual Report for the Oak Bluffs Fire Department for the year 1984.

Kitchen Grease	2
High School	3
Rescue	2
Permit	1
Trash	1

63

We would like to remind the homeowner of Oak Bluffs to get their Smoke Detectors installed if they haven't already done so. It is a By-law of the Town of Oak Bluffs that every dwelling have the proper Smoke Detectors. Soon we will conduct a house to house inspection to see if they are installed. If we can help in the location of the Detector, please call our Department.

As you know, we sent one of our Firemen to the Massachusetts Fire Fighting Academy's Fire Instructors course. This past year we have inserted the Stop-Fire Training Program along with two Academy taught courses (Tactic's and Strategy and L.P. Gas Training Program) to our fire training.

In all, our trucks and equipment seem to be in excellent condition with no drastic problems forseen in the near future.

Respectfully submitted,

NELSON W. AMARAL, Chief
Board of Engineers

AMBULANCE

Oak Bluffs Board of Fire Engineers
Oak Bluffs, MA 02557

Dear Chief Amaral:

Early this summer we notified local businesses that we would be available at the Lake Avenue Fire Station, Monday thru Friday from 8:00 A.M. to 6:00 P.M., for any of their customers in need of first aid.

Please see the attached report. This reflects how busy we were as EMT's and in conjunction with daily maintenance and cleaning of the ambulance and fire stations, we were busy with people coming in asking for information and directions.

We found that we were a welcomed service in the Town of Oak Bluffs, especially among our own elderly citizens and summer visitors.

We would like to thank all of the persons responsible for making this full-time EMT Ambulance coverage possible for the summer of 1984.

We hope this has been as positive an experience for the Town as it has been for us. By being full-time EMT's stationed at the Lake Avenue Fire Station, our response time has been tremendously reduced. This reduction in response time has resulted, in some cases, in the difference between life and death, and in other instances, alleviating further complications from serious injuries.

We hope this positive experience indicates the need for continuing the full-time EMT-Ambulance coverage.

Thank you.

Respectfully submitted,

LINDA SEARLE
KENNETH DAVEY

OAK BLUFFS AMBULANCE REPORT

Year Ending December 31, 1984

The ambulance stood by for high school hockey and football games and fires as needed and assisted the visiting nurse service moving patients. During the summer we had two full time EMT's on duty during the day shift, they handled many calls and gave first aid as well as teaching CPR and choke saver classes. Our new ambulance was delivered at the end of December. Total ambulance miles driven during 1984 was 2,066.3.

BUILDING INSPECTOR

Town of Oak Bluffs
Board of Selectmen
Oak Bluffs, MA 02557

Gentlemen:

I hereby submit my annual report for the period ending December 31, 1984. A complete list of permits that were issued for the calender year of 1984 are on file in the office of the Inspector of Buildings and are also displayed on the bulletin board at the Town Hall.

Summary of permits issued:

New Homes	81
Additions and Alterations	80
Other: Garages, sheds and etc.	71

The estimated cost for new homes was \$4,736,832.00; for additions it was \$645,741.48, and for all others it was \$252,329.00. We had four cancellations.

Total Fees Collected:

Building Permits	\$14,243.99
Plumbing Permits	4,325.00
Wiring Permits	930.00
Wiring Inspections	8,657.00
Gas Permits	1,215.00
Oil Burner Permits	370.00
Zoning By-laws	268.00
Septic Permits	2,106.00
Cesspool Pumpouts	2,634.00
Smoke Detectors	540.00
Periodic Inspections	2,842.00
	<u>\$38,130.99</u>

I want to thank the Selectmen, all boards and individuals for their cooperation and assistance this past year.

Respectfully submitted,

ALFRED M. METELL
Inspector of Buildings

SHELLFISH DEPARTMENT

Board of Selectmen

Voters of the Town of Oak Bluffs:

The following is my report for the year ending December 31, 1984.

We continued the nursery raft program for seed quahogs and oysters, approximately 250,000 seed quahogs (including seed raised at the Martha's Vineyard Shellfish Group Hatchery) were grown to an average size of over one inch. They were planted on the flat North of the little bridge in Sengekontacket Pond, in front of Lagoon Road in Lagoon Pond, and in the Harbor. The Shellfish Group produced quahog seed this summer which is being held in flowing seawater and will be planted in rafts in the spring of 1985. Approximately 30,000 oyster seed were grown in rafts and planted in Farm Pond. The shellfish Group also raised scallop seed which were planted near Brush Island in Sengekontacket Pond.

The starfish removal program was also continued this year the second season for the new traps. Starfish were also hand removed from shallow areas at the head of the Lagoon Pond. Many starfish were removed and placed in the dump. This effort will continue.

I took bacterial water samples with the cooperation of the Martha's Vineyard Commission and the State Department of Environmental Quality Engineering, only the harbor and Sunset Lake showed high counts. These areas are closed in the summer.

In the spring I moved approximately 100 bushel of scallop seed in Sengekontacket Pond to better growing areas. The amount of seed in both ponds was very small compared to last year. When the season opened the size was very good but the quantity was down and the fleet thinned quickly.

This fall myself and two deputies moved approximately 400 bushel of scallop seed from the flat near the Lagoon Bridge and near the beach up the pond to Sengekontacket Pond. Two fishermen helped to plant the seed. We also moved many loads of seed from shallow to deep water in Lagoon.

This summer Dr. Arthur Gaines from The Woods Hole Oceanographic Institution began working on his study of the Lagoon Pond. At this writing, he is preparing his report, which will be used by the Division of Water Pollution Control Clean Lakes Program Project in Lagoon Pond, scheduled to start in the spring of 1985. This project is being funded by the State, Tisbury and Oak Bluffs in an effort to find the cause of the problems in Lagoon Pond and take the necessary actions. I received many complaints about the quantity of seaweed in the pond. This will be addressed in the clean lakes project.

The Herring run improvement project has been designed and an article appears on the warrant for funding to do the work.

The Mussels I planted a few years ago reached maturity and are being harvested.

I am now working on a grant from the State Division of Waterways to do maintenance dredging in Sengekontacket Pond. This will open up the channel at the little bridge and widen and deepen the existing channel. The Town of Edgartown is involved in this project to do dredging on their side of the pond.

I wish to thank my deputies Francis Bernard and Robert Williston and everyone who helped improve our shellfish resource.

The following is a report of licenses and permits sold by the Town and the amounts of shellfish harvested and the approximate dollar value. The decrease in value is due mainly to the drop in the

amount of scallops from our excellent season in 1983 and the drop in the scallop price. Oak Bluffs Harbor was closed to commercial shellfishing in 1984.

Commercial Licenses at \$200.00	36
Resident Family Permits \$20.00	323
Resident Family Permits over 60 free	240
Non Resident Family Permit \$100.00	7
Duplicate Family Permits 50¢	3
Non Resident 2 week Permits \$20.00	23
Total Family Permits	589
Total Revenue	14,821.50

All figures in Bushels Commercial level bushel - Family Heaping Bushel.

Family Quahogs - Sengekontacket	316
Family Quahogs - Lagoon	91½
Family Quahogs - Oak Bluff Harbor	59
Family Clams - Sengekontacket	39½
Family Clams - Lagoon	45
Family Clams - Oak Bluffs Harbor	20½
Family Clams - Harts Channel	20½
Family Oysters - Farm Pond	11
Family Mussels - Sengekontacket	36½
Family Mussels - Lagoon	21
Family Mussels - Boat Wharf	41
Commercial Quahogs - Sengekontacket	48½
Commercial Quahogs - Lagoon	66½
Commercial Clams - Lagoon	21
Commercial Scallops - Sengekontacket	1,253
Commercial Scallops - Lagoon	552½
Family Scallops - Sengekontacket	370
Family Scallops - Lagoon	53
Total Wholesale Value	\$200,000.00

Respectfully submitted,

EDWIN A. BUGBEE

MARTHA'S VINEYARD SHELLFISH GROUP, INC.

To the Town of Oak Bluffs:

Thanks in part to generous donations of time and money by supporters of our program, 1984 marked a turning point for the Shellfish Group which has been hampered by financial constraints since the loss of federal funding several years ago. With private donations supplementing town appropriations, our 4-town consortium continued its efforts to manage, protect and expand the shellfish resources of the member towns. Special thanks are due Will Holtham and the staff of the Homeport Restaurant for sponsoring the first annual Shellfish Group Clambake and Fundraiser.

The Shellfish Biologist was assisted by the town Shellfish Constables and Jessica Thibodeau who was hired as a hatchery assistant. Jenifer Strachan worked at the Hatchery under funding from a summer CETA program. Karen Child was paid hourly for bookkeeping services. Michael Zoll volunteered as Treasurer.

A review of our 1984 program follows.

- ***Solar Hatchery** -- Resolution of disease problems in the larval cultures was a major breakthrough enabling us to routinely bring millions of quahogs and scallops through critical larval stages. Although we are still working out problems with juvenile survival, we produced over 100,000 seed scallops and quahogs. Installation of a new heat exchanger purchased with private donations will allow earlier spawning in 1985 and hopefully avoid diseases related to poor Lagoon water quality in the warmer months.
- ***Nursery raft culture** -- We continued our successful raft culture of seed quahogs planting almost one half million quahogs (our 1983 cultures and supplemental seed purchased from other hatcheries) in the ponds of the member towns.
- ***Scallop Spat Collection** -- We successfully collected large numbers of seed scallops on experimental spat collectors. This year's pilot program will be expanded in 1985.
- ***Genetic study of Island scallop populations** -- In conjunction with George Mason University, shell color variation with regard to age is being studied in scallop populations in Menemsha and Lagoon Ponds.
- ***Further study of *Prorocentrum* disease in scallops** -- This new scallop disease discovered in Vineyard scallops last year is being further investigated with the Laboratory for Marine Animal Health in Woods Hole.
- ***Lagoon Herring Run Restoration** -- With assistance from the federal Soil Conservation Service, final plans for the reconstruction of this important fishway are nearing completion. Construction could begin as early as the fall of 1985.
- ***James Pond Management** -- As an active member of the James Pond Committee, the Shellfish Group has continued to assist with the development and implementation of plans to improve water quality and shellfish beds in this West Tisbury pond.
- ***Pollution** -- The Shellfish Group continues to play an important role in the monitoring and abatement of fecal coliform contamination in Tisbury Great Pond.

We are assisting with studies of Lagoon eutrophication and pollution by the Woods Hole Oceanographic Institution and the Water Pollution Control Division of the State Department of Environmental Quality Engineering.

For more detailed reports of our work call 693-0391.

Respectfully submitted,

RICHARD C. KARNEY
Shellfish Biologist

WATER DEPARTMENT

To the Board of Selectmen
and the Townspeople of Oak Bluffs:

This year the Board of Water Commissioners included James Moreis, Manuel deBettencourt, and Madison Alwardt.

Our most recent project is the Test Well Sight used for locating future water supplies. It is located on Barnes Road past the blinking light and going towards the West Tisbury line. The two inch (2'') Test Well project has been completed and the State D.E.Q.E. has given its permission to go ahead with the eight inch (8'') project. When the project is completed in February of March of 1985, and the D.E.Q.E. approves the sight for a future well system then we will be able to go ahead with the purchase of the land.

Development continues to grow in our Town, with a new water service increase of 115 new homes, serviced with Town Water, 43 lots in Vineyard Hills Development, and 80 lots in Meadowview Farms were also serviced with the same.

The Water Department will be switching over to its very own Computer System over the coming year, the System is an I.B.M. Personal Computer system X-tra. Its main function is mainly Billing, but it will be used for processing other information when needed. Its goal is to save the Department Time and Labor in future years through constant flow of an efficient updating system.

One hundred eighty million gallons of water was used this year and the daily high was one million seven hundred thousand.

The commissioners ask once again for your cooperation in turning off all outside water at the sound of the fire horn.

Respectfully submitted,

JAMES MOREIS, Chairman
MANUEL deBETENCOURT
MADISON ALWARDT,
Board of Water Commissioners

CONSERVATION COMMISSION

To the Citizens of Oak Bluffs:

In the past year we have become a much more active board, reviewing an ever increasing number of projects to ensure that our environment is not harmed. These duties will continue to increase because our town continues to grow and more landowners are attempting to use their property to its fullest.

In addition to our conservation duties, we are responsible for managing the Sailing Camp Park. There has been slow progress in fixing up the property, which was a shambles after two years of abandonment. We have stated before that the property should be slowly developed into a community center for the public. While there were some minor problems last summer, we have learned from them and hope that they will not be repeated. Here is a special thank you to everyone who has helped us so far.

By the time you read this we should have the large building, the Mainstay, furnished with chairs, tables and a working kitchen. These indoor facilities will be rented to private groups for their use.

Of course, the 15.4 acres are always open to the public and we encourage you to visit the park.

Respectfully submitted,

ROBERT CULBERT

PARK COMMISSIONERS

To the Citizens of Oak Bluffs:

We the Park Commissioners of the Town of Oak Bluffs submit to you the Citizens of Oak Bluffs a summary of the activities of the Park Department of your town for the past year.

First we would like to mention that our Director of Recreation Daniel G. McCarthy who has been with us for many years was very ill at the beginning of last spring. We thought that he wouldn't be with us this past year but he recovered from his illness and was able to come back and work under us. He has been like a right arm to us for many years and we hope he is here with us for many years to come.

The problems that occurred with the abutters in our recreational areas were solved and all concerned thanked us for our efforts. We would like to thank our Director of Recreation and his assistant Anne Carmichael and their co-workers for making this solution possible. We would also like to inform you that all of our recreational programs were well attended and enjoyed by all.

Our Parks again enjoyed a thing of beauty under the tender care of our Park Foreman Manuel Francis and his assistant Donald Madeiras and our two excellent summer employees Sean Corey and James Pisini.

At this time we would like to thank others who helped with our Parks and Recreational Facilities. The Water Department for allowing us to water our plants during restricted hours, Chief of Police Peter Williamson and his men for the many things they helped us with, and the Highway Superintendent Francis Correia and his men for a lot of things they do for us that are too many to mention, the Town Electrician James Gibson and the Town Carpenter Raymond Teator for the many things they do for us to keep this Department running efficiently.

We sincerely would like to thank you the Citizens of the Town of Oak Bluffs for supporting our department in the past and hope that it continues in the future.

Respectfully submitted,

ALLAN A. DEBETTENCOURT
DENNIS P. ALLEY
NELSON OLIVER

REPORT OF THE LIBRARIAN

Library Trustees:

The Librarian wishes to submit the following report for the year 1984.

Circulation of Books and Magazines:

Adult Fiction	8,902
Adult Non-Fiction	2,224
Juvenile Fiction	2,561
Juvenile Non-Fiction	342
Magazines	1,451
Interlibrary Loan	28
Total Circulation	15,509
Summer Registration	
Juvenile and Adult	540
Number of Books Purchased	748
Magazines Subscribed To	35

Number of Books in Library

Adult	7,500
Juvenile	3,300
	<hr/> 10,800

This year we were again allowed to use the Methodist Parish House to show our films for children. For this we are grateful.

Spring saw the completion of the interior painting of the library. Open house was held and all seemed happy with the results.

At the annual town meeting the sum of six thousand dollars was appropriated for a new roof on the library. One hundred fifty thousand dollars was also appropriated for a much needed addition. Plans are being made, a building committee organized and it now seems apparent that the room and space we have needed for so long will finally become a reality.

We have received several donations of books and purchased several reference volumes. Selectmen appointed Catherine McKechnie a Trustee, replacing Terrence McCarthy whose term expired this year. We are very happy with this choice.

I wish to thank the trustees for their interest and continued support during the past year.

Respectfully submitted,

ELIZABETH F. BLANKENSHIP, Librarian

OAK BLUFFS SCHOOL COMMITTEE

To the Townspeople of Oak Bluffs:

It has been a pleasure an experience and an educational two and a half years, to sit as a School Committee member and to serve as Chairman of the Oak Bluffs School Committee. I feel that our School Committee made great strides in helping our children in the Oak Bluffs School. During my tenure we activated the building committee and developed plans to put the so badly needed addition at the school. We applied for matching funds and those funds were approved by the Department of Education and approximately \$125,000.00 will be forthcoming. As I write this report, we are planning, to go this month to the Emergency Finance Board to finalize the reimbursement.

You the voters approved \$250,000.00 in advance to make this possible and will receive the reimbursement back into the General Funds.

The playground was improved with the help of the P.T.A., students, faculty, parents and Town help. We thank all of you for your support and your help.

Many internal changes took place inside the building. Carpeting to hold down sound, and painting to protect and to brighten up the class rooms.

Shortly before I left office we were consulting with the architect to come up with plans to repair the ramps next to the gymnasium and bring the rooms into compliance with the state law.

We have been enjoying leadership of our new Superintendent Mr. Pacheco. It was a pleasure to sit as your representative at the Regional School Committee.

I served on almost all sub-committees to see that not only your interests were protected but in addition I could work towards making the school a better school for all the students.

Negotiations were completed and all parties were satisfied. There were some very tense times but I was pleased to be a part of these negotiations and we obtained a three (3) year contract.

The science room is a room we can all be proud of and will benefit the students for many years to come. The math room is also complete and is a pleasure to see.

I personally want to thank the principal, Mr. MacDonald for his understanding and patience and I extend to you my thanks and my sincere gratitude to all who have contributed to make our school an excellent school one we can all be proud of.

Respectfully submitted,

LINDA MARINELLI, Chairman

SUPERINTENDENT OF SCHOOLS

Mrs. Marney Toole, Chairperson
Martha's Vineyard Superintendency Union
P.O. Box 256
Oak Bluffs, MA 02557

Dear Mrs. Toole:

In accordance with the laws of the Commonwealth of Massachusetts I am pleased to submit the annual report of the Superintendent of Schools for fiscal year 1984.

In my last report I informed the Island community of the new cabinet structure of the Superintendency Union. This new format eliminated the position of assistant to the Superintendent and assigned various school administrators to Island-wide educational responsibilities. I am happy to report that after reviewing this structure for the first year it was agreed it should continue in place for a second year. At the end of this current year it will again be reviewed and recommendations will be made for the future.

This past year has been a year of studying our building needs in the various schools. Three towns, Oak Bluffs, Edgartown and West Tisbury have found their building facilities inadequate as a result of program needs or increased enrollments. Voters in Oak Bluffs approved a \$250,000 proposal for a building addition and West Tisbury voters recently approved a 2.3 million dollar addition and renovation to their facility. Edgartown voters will be considering an approximate 2.3 million dollar addition at their town meeting in the spring.

We have been working with the Massachusetts School Building Assistance Bureau and I am happy to report they have been very supportive of our building needs. The State Board of Education has recently approved a 50% construction reimbursement and 40% for interest charges for the Oak Bluffs project. A recent legislative approval of increased funding may increase that reimbursement to 60% in each category and the towns of Edgartown and West Tisbury may be eligible for up to 70% reimbursement due to present and anticipated increased student enrollments. These towns are working closely with architects and school building assistance bureau officials to finalize plans for their facilities.

The Edgartown, Oak Bluffs and Tisbury Schools have encapsulated all of their asbestos covered pipes in the Priority I area. This was accomplished last summer through the use of regular school budget funds. We are not anticipating any further problems with asbestos.

Mabel McCarthy and Helen Manning, Reading Coordinators at the Tisbury and Oak Bluffs Schools have recently retired after many years of dedicated service. We will miss these two highly respected teachers and wish them well in their retirement.

Mr. William Honey, Treasurer of the Martha's Vineyard Regional High School since its inception has recently retired, but has agreed to continue in this position until a capable replacement can be found. Mr. Honey has been a mainstay at the high school and his expertise and dedication will be sorely missed.

On a sad note, the death of Charles A. Davis, former principal of the Martha's Vineyard Regional High School, shocked Vineyard residents last May. Mr. Davis will long be remembered for his outstanding service as the first principal of the Regional High School and his active participation in community affairs. On November 18, 1984 the original High School Building was dedicated in his honor as a memorial to a man who gave so much of himself to Vineyard youth.

Educational reform has been the theme for both the nation and the Commonwealth this past year. At this point very little has been finalized but various proposals for upgrading education have been discussed. It appears decisions made at the state and national levels will have impact on the Island educational system. At this time a Massachusetts assessment program is being proposed that will evaluate student learning in all major curriculum areas. Guidelines for this proposal are now being developed and the first assessments will be conducted in the 1985-86 school year.

In conclusion, I would like to thank all administrators and staff members for their fine cooperation this past year. Special thanks go to Daniel Seklecki and Susan Macy for their outstanding work with special education staff and students. Estelle Surprenant, administrative assistant in our office, continues to be our on the spot expert and Debbie Luce, her assistant, continues to do an outstanding job.

I would also like to thank you, Mrs. Toole, for your able leadership as Union chairperson. I have found the various school committees very supportive and your efforts have enabled us to have a productive year that has benefited our Vineyard students.

I look forward to another successful year for the fine schools on Martha's Vineyard.

Respectfully submitted,

FRANCIS E. PACHICO
Superintendent of Schools

OAK BLUFFS SCHOOL PRINCIPAL

Mr. Francis Pachico
Superintendent of Schools
Charles E. Downs Administrative Building
Vineyard Haven, MA 02568

Dear Mr. Pachico:

It is a pleasure to submit by eighth annual report to you as principal for the Oak Bluffs School.

This past year has been an exciting year. The school has continued to make progress in a number of areas. This progress is due in large part to an excellent staff who receive an unusually high level of support from the School Committee, Finance Committee, parents and community. I thank them all for that support.

Again this year we are faced with the retirement of two people whose lives have made major differences to the children of Oak Bluffs; Helen Manning and Nancy Leighton. It is impossible to put into words the appreciation I feel for all the time and wisdom these people have shared with the children of the Oak Bluffs School over the past years.

The program to up-grade and modernize the school has been moving forward. This past summer the corridors and a classroom were carpeted greatly reducing maintenance problems. The corridors were also painted.

The plans for the addition to the school have been approved and we hope to begin construction in the spring of summer. This will provide us with an expanded and modern library and the equivalent of three modernized classrooms.

In order to provide the children with the most up to date facilities we have continued to add and expand our use of computers. It is exciting to watch the skill that even the young children are gaining in this area.

I believe that the greatest strength of the Oak Bluffs School is the personal attention the children receive. The small size of our school and the dedication of its staff, all serve to make a warm supportive environment in which children may work.

Respectfully submitted,

DAVID W. MACDONALD
Principal

REGIONAL HIGH SCHOOL PRINCIPAL

Francis F. Pachico, Superintendent
Charles Downs Administration Building
Vineyard Haven, MA 02568

Dear Mr. Pachico:

The regional High School continued to gain recognition from the outstanding evaluation of its programs by the New England Association of Schools and Colleges. The music department received expanded acclaim through its dominance at the Cape and Islands Music Festival and won an invitation to the Tri-County Music Festival. Thea Duarte, a sophomore arts student, earned top awards in the Globe Art Awards competition. Miss Maureen McLeod and Mr. Edward Kopek, math and science teachers respectively, earned a General Telephone and Electronics grant to establish one of the first holography labs (for study of light and three dimensional images) to be established in an American High School. The horticulture program achieved state and regional awards for their involvement in community beautification. Marge Harris, a history teacher, was nominated for Teacher of the Year. We were deeply pleased when our publication, Sea Breezes, was recognized as the top literary magazine in all of New England by the New England Scholastic Press Association.

Major events of the year included Duncan Ross's production of "Fiddler on the Roof." Robert Nute, assisted by Beth Carr, directed three outstanding music concerts and music exchanges to both New Hampshire and Connecticut. The National Honor Society held one of the largest inductions in recent years.

The senior class students received a record number of scholarships. Thirteen received the President's award for outstanding scholarship. Individual students won acceptance to some of the finest colleges in the country including: Sara Lawrence, Marietta, Colgate, Bucknell, Bowdoin, Connecticut, Bates, Virginia, Tufts, Oberlin and the University of Massachusetts.

In varsity sports the Vineyard was well represented. The boy's basketball team won league top honors. Both boys' and girls' track teams were league champions. Ice hockey completed its first full season with a winning second half.

During the year the Island community was saddened by the death of Charles Davis. This man had opened the Regional High School and served as Principal during the first twenty years. Students, teachers and parents paused to remember him and honored him during graduation ceremonies.

The year ended with the preparation for new challenges. The school administration began to face the new reality of over-crowding. Quality education would be put to the test of two few spaces to house essential programs.

Respectfully submitted,

GREGORY T. SCOTTEN, ED.D.
Principal

MARTHA'S VINEYARD REGIONAL HIGH SCHOOL DISTRICT

March 1, 1985

To the Citizens of the Town of Oak Bluffs:

In compliance with Section VIII of the Agreement under which the District was formed and in accord with the recommendations of the Office of the Director of Accounts, I submit the Report of Receipts and Expenditures for the fiscal year ending June 30, 1984 and the Balance Sheet as of June 30, 1984.

Respectfully submitted,

BOARD OF HEALTH

To the Citizens of Oak Bluffs:

I have served as chairman of the Board of Health for only 3 months. The concerns that I shared with you before I became a Selectman, are still very real to me. I feel you have a right to know that our drinking water is in real danger of becoming polluted and over used. We must control growth, until such time as the Water Department can supply, you the people, with enough good water to take care of your needs.

We have voted to impose a moratorium on new applications for new restaurants in over used and saturated areas.

We have voted a moratorium on new building permits, until such time as the Water Department receives D.E.Q.E. approval for an emergency pumping station and wells. These decisions are not popular, but as responsible people, we must take this action to protect your health, safety and welfare.

As chairman, I ask you to support my recommendation for a Health Agent. I ask you, please, do not separate the Board of Health from the Board of Selectmen. These two positions enhance each other and allow Selectmen to do that which could not be done without Board of Health powers. An example would be the closing of a restaurant for sanitary reasons. If a Selectman does not have the time to do both jobs, than I feel they should not be serving the people. These are my honest feelings to you.

However, I respect your vote. Town Meeting is the one night that belongs to you and I will, along with the Board carry out your wishes, whether I agree with your choice or not.

Respectfully submitted,

LINDA MARINELLI
Chairman

WARRANT FOR A SPECIAL TOWN MEETING

Commonwealth of Massachusetts

County of Dukes County, SS

To either of the Constables in the Town of Oak Bluffs, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to warn the inhabitants of the Town of Oak Bluffs, who are qualified to vote in Town affairs and elections to assemble at the School Gymnasium, School Street, in Oak Bluffs on April 9, 1985 at seven o'clock in the evening, then and there to act upon the following articles:

Article 1. To see if the Town will vote to confirm, approve and authorize the issuance of bonds or notes of the Town in accordance with the provisions of Chapter 44 of the General Laws, Chapter 645 of the Acts of 1984, as amended, or any applicable enabling authority, for the purposes described in, and pursuant to, the votes adopted under Articles 23, 24, 25 and 26 of the Warrant for the Annual Town Meeting held on April 10, 1984, or take any other action relative thereto. (Selectmen's Article) Recommended by Finance Committee, Vote 6 Yes.

Article 2. To see if the Town will vote to appropriate the sum of Six Hundred Fifty-Seven Thousand One Hundred Forty-Six Dollars (\$657,146.00) to rehabilitate Lake Avenue Bulkhead and its related facilities and to meet said appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow the sum of Six Hundred Fifty-Seven Thousand One Hundred Forty-Six Dollars (\$657,146.00) at one time or from time-to-time pursuant to Chapter 44, Section 7 (17) of the Massachusetts General Laws and to issue at one time or from time-to-time bonds, or notes of the Town therefore, so that the whole loan will be paid in not more than ten (10) years from this date and to transfer the sum of Twelve Thousand Dollars (\$12,000.00) from Surplus Revenue to pay the interest on said borrowing. However, no borrowing shall take place until such time the Town has received notification from the Commonwealth of Massachusetts that it will be reimbursed said sum under the Coastal Facilities Improvement Program, Chapter 21F of the Massachusetts General Laws. Said reimbursement shall be fully applied to reduce the loan, or take any other action relative thereto. (Selectmen's Article) Recommended by Finance Committee, Vote 7 Yes.

Article 3. To see if the Town will vote to transfer the sum of Eighteen Thousand Dollars (\$18,000.00) from Surplus Revenue to the appropriation "Street Lighting" or take any other action relative thereto. (Selectmen's Article) Recommended by Finance Committee, Vote 7 Yes.

Article 4. To see if the Town will vote to transfer the sum of Four Thousand Dollars (\$4,000.00) from Surplus Revenue to the appropriation "Public Health Nursing Services", or take any other action relative thereto. (Selectmen's Article) Recommended by Finance Committee, Vote 7 Yes.

Article 5. To see if the Town will vote to transfer the sum of Nine Thousand Dollars (\$9,000.00) from Surplus Revenue to the appropriation "Summer, Temporary & Special Police Salaries", or take any other action relative thereto. (Police Chief Article) Recommended by Finance Committee, Vote 6 Yes, 1 Abstention.

Article 6. To see if the Town will vote to transfer the sum of Twenty-Five Thousand Dollars (\$25,000.00) from Surplus Federal Revenue Sharing Funds to be used along with the Ten Thousand Dollars (\$10,000.00) that was appropriated at the Town Meeting in April 1984 as the town's share of the cost of dredging the channel in Sengekontacket Pond in cooperation with the Town of Edgartown and the Commonwealth of Massachusetts Department of Environmental Management, Division of Waterways, Rivers, and Harbors Program, or take any other action relative thereto. (Shellfish Department Article) Recommended by Finance Committee, Vote 7 Yes.

Article 7. To see if the Town will authorize the Selectmen to enter into an agreement to indemnify the Commonwealth of Massachusetts against damages that may be incurred by work to be performed by the Department of Environmental Management, Division of Waterways under authority of Chapter 91 of the General Laws as most recently amended by Chapter 5, Acts of 1955, providing for improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores, and shores along a public beach. Said agreement to be entered into by the Selectmen as part of the contract to dredge the channel in Sengekontacket Pond, or take any other action relative thereto. (Shellfish Department Article) Recommended by Finance Committee, Vote 7 Yes.

Article 8. To see if the Town will vote to raise and appropriate the sum of Five Thousand Two Hundred Eighty Dollars (\$5,280.00) to pay two permanent E.M.T.'s for Ambulance duty for the eight weeks from May 2nd to July 4th, 50 hours per week at \$6.00 per hour subject to approval of the 1985-86 ambulance budget, or take any other action relative thereto. (Board of Engineers' Article) Recommended by Finance Committee, Vote 7 Yes.

Article 9. To see if the Town will vote to transfer the sum of One Thousand One Hundred Dollars (\$1,100.00) from Surplus Federal Revenue Sharing Funds to purchase a new typewriter for the office of the Building Official, or take any other action relative thereto. (Building Official's Article). Recommended by Finance Committee, Vote 7 Yes.

Article 10. To see if the Town will vote to transfer the sum of Five Thousand Dollars (\$5,000.00) from Surplus Federal Revenue Sharing Funds to begin a yearly maintenance program for the interior of the Town Hall, or take any other action relative thereto. (Selectmen's Article) Recommended by Finance Committee, Vote 7 Yes.

Article 11. To see if the Town will vote to transfer the sum of Four Hundred Dollars (\$400.00) from Surplus Revenue to the appropriation "Animal Control Officer's Expenses", or take any other action relative thereto. (Animal Control Officer's Article). Recommended by Finance Committee, Vote 7 Yes.

Article 12. To see if the Town will vote to transfer the sum of Three Thousand Nine Hundred Fifty Dollars (\$3,950.00) from Federal Revenue Sharing Funds for the purpose of constructing a finger pier for the relocation of the harbor attendants office, or take any other action relative thereto. (Harbor Master's Article). Recommended by Finance Committee, Vote 7 Yes.

Article 13. To see if the Town will vote to transfer the sum of Three Thousand Dollars (\$3,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of installing a sidewalk on Siloam Avenue, or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 6 Yes, 1 No.

Article 14. To see if the Town will vote to transfer the sum of Eight Thousand Dollars (\$8,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of installing a bank erosion curb and a bike path surface on Lake Avenue between Central Avenue and Commonwealth Square, or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 6 Yes, 1 No.

Article 15. To see if the Town will vote to transfer the sum of Five Thousand Dollars (\$5,000.00) from Surplus Federal Revenue Sharing Funds for the purpose of hiring an insurance consultant to prepare specifications for insurance bidding purposes, or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 6 Yes, 1 No.

Article 16. To see if the Town will vote to transfer the sum of Fifteen Thousand Dollars (\$15,000.00) from Surplus Revenue for the purpose of completing the Francis E. Correia Voluntary Retirement Fund, or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 4 Yes, 3 No.

Article 17. To see if the Town will vote to transfer the sum of Five Hundred Dollars (\$500.00) from Surplus Federal Revenue Sharing Funds for the purpose of binding town records, or take any other action relative thereto. (Town Clerk's Article). Recommended by Finance Committee, Vote 6 Yes, 1 No.

Article 18. To see if the Town will vote to transfer the sum of Eighteen Thousand Dollars (\$18,000.00) from Surplus Federal Revenue Sharing Funds to cover the purchase price of two new cruisers to replace the current ones, or take any other action relative thereto. (Police Department Article). Recommended by Finance Committee, Vote 6 Yes, 1 No.

Article 19. To see if the Town will vote to transfer the sum of Three Hundred Twenty-Four Dollars and Twenty-Three Cents (\$324.23) from Surplus Revenue to pay bills from a prior fiscal year to Reliable Market in the amount of Fourteen Dollars and Eighty-Four Cents (\$14.84) and Island Councils on Aging, Inc. in the amount of Three Hundred Nine Dollars and Thirty-Nine Cents (\$309.39), or take any other action relative thereto. (Council on Aging Article). Finance Committee No Action.

Article 20. To see if the Town will vote to transfer the sum of Nine Thousand Two Hundred Sixty Dollars (\$9,260.00) from Surplus Revenue for the retroactive pay due in the police contract, or take any other action relative thereto. (Selectmen's Article). Finance Committee, No Action.

Article 21. To see if the Town will vote to authorize the Board of Selectmen to grant an easement to Commonwealth Electric Company and New England Telephone and Telegraph Company for electric and telephone service upon, over, under and across the way shown as RICHMOND AVENUE, as that way is shown on a Plan entitled "PLAN OF FOREST HILL MARTHA'S VINEYARD, MASS., RICHARD L. PEASE SURVEYOR, JOHN H. MULLIN CIVIL ENGINEER" being recorded in Plan Book 4, Pages 3 & 4 with the County of Dukes County Registry of Deeds, Edgartown, Ma., or take any other action relative thereto. (Selectmen's Article). Finance Committee, No Action.

Article 22. To see if the Town will vote to transfer the sum of One Thousand Three Hundred Ten Dollars and Seventy-Seven Cents (\$1,310.77) from Surplus Revenue to pay a bill of a prior fiscal year from Campbell Oil Company, or take any other action relative thereto. (Selectmen's Article). Finance Committee, No Action.

Article 23. To see if the Town will vote to accept Chapter 121B, Section 3 of the General Laws (previously voted at a Special Town Meeting on July 1, 1948 “to determine whether there is a need for a housing authority in the Town of Oak Bluffs and to provide for the organization of such an authority in accordance with Section K of the Housing Authority Law, Chapter 121 of the General Laws of Massachusetts), or take any other action relative thereto. (Selectmen’s Article). Finance Committee, No Action.

Article 24. To see if the Town will vote to transfer the sum of Four Thousand Dollars (\$4,000.00) from Production (Pumping Station Maintenance) to Development, Counsel Fees, or take any other action relative thereto. (Water Department Article). Finance Committee, No Action.

Hereof fail not and give public notice by causing this notice to be posted in two or more places in the Town at least fourteen days before the time of said meeting, and published. And make due return of this Warrant with your doings to the Town Clerk at the time and place specified.

Given under our hands this twenty-first day of March, 1985.

EDMOND G. COOGAN
LINDA MARINELLI
ANTHONY J. REBELLO
Board of Selectmen
Town of Oak Bluffs

Pursuant to the foregoing instruction, I hereby certify and warn the inhabitants of the Town of Oak Bluffs, qualified to vote as expressed in this Warrant to meet at the time and place specified.

Attest:

WENTWORTH T. TRIPP, Constable

WARRANT FOR THE ANNUAL TOWN MEETING

Commonwealth of Massachusetts

County of Dukes County, SS

to either of the Constables in the Town of Oak Bluffs, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to warn the inhabitants of the Town of Oak Bluffs, who are qualified to vote in Town affairs and elections to assemble at the School Gymnasium, School Street, in Oak Bluffs on April 9, 1985 at seven o'clock in the evening, then and there to act upon the following articles:

Article 1. To hear the reports of the Selectmen and other Boards and Committees.

Article 2. To choose all other necessary officers.

Article 3. To see what sum of money the Town will vote to raise and appropriate for the payment of town debt and necessary expenses of the several departments for the ensuing fiscal year, and to act upon the recommendations of the Finance Committee, or take any other action relative thereto.

Article 4. To see if the Town will vote to fix the salary and compensation of all elected officers of the Town as provided by Section 108 of Chapter 41, of the General Laws, as amended for the twelve month period July 1, 1985 to June 30, 1986.

Moderator's Salary	120.12
Board of Selectmen/Health I	6,030.61
Board of Selectmen/Health II	5,896.58
Board of Selectmen/Health III	5,681.18
Treasurer's Salary	21,500.00
Tax Collector's Salary	23,100.00
Collector of Accounts Salary	665.00
Town Clerk's Salary	21,500.00
Constable's Salary	132.95
Second Constable's Salary	132.95
Tree Warden's Salary	810.00
Cemetery Chairman's Salary	150.00
Water Commissioner's Salary, Chairman	800.00
Water Commissioner's Salary, Second Member	800.00
Water Commissioner's Salary, Third Member	800.00

and to raise and appropriate a sum of money therefor. (Recommended by the Finance Committee).

Article 5. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1985, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue

a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws Chapter 44, Section 17.

Article 6. To see if the Town will vote to transfer the sum of Fifteen Thousand Dollars (\$15,000.00) from Surplus Revenue to the account "Insurance", or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 7 Yes.

Article 7. To see if the Town will vote to transfer the sum of Six Thousand Dollars (\$6,000.00) from Surplus Revenue to the account "Town Counsel, Legal Fees" or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 7 Yes.

Article 8. To see if the Town will vote to hire a part-time Health Agent. Said Agent, as required by statute shall be under the direction of the Board of Health and further to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to pay this position, or take any other action relative thereto. (Board of Health Article). Finance Committee 6 For, 1 Against taking no action.

Article 9. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Four Hundred Seventy-Six Dollars (\$13,476.00) for completion of the police contract for Fiscal Year 1986, or take any other action relative thereto. (Selectmen's Article). Finance Committee No Action.

Article 10. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the purchase of one bay sidewall at the Martha's Vineyard Arena, or take any other action relative thereto. (Petition Article). Recommended by Finance Committee, Vote 7 Yes.

Article 11. To see if the Town will vote to amend Schedule A of the Personnel By-laws as follows:

or take any other action relative thereto. (Personnel Board Article).

Article 15. To see if the Town will vote to establish the Position of Conservation Officer and to raise and appropriate Five Hundred Dollars (\$500.00) to be paid per year, said position to be appointed by the Conservation Commission or take any other action relative thereto. (Conservation Commission Article). Finance Committee No Action.

Article 16. To see if the Town will vote to pay a bill from a prior fiscal year out of Fiscal 1986 "School Department, Salaries & Expenses" in the amount of Two Thousand Three Hundred Seventy-two Dollars and Two Cents (\$2,376.02) to Campbell Oil Co. for the Oak Bluffs School or take any other action relative thereto. (Superintendent of Schools Article). Recommended by Finance Committee, Vote 7 Yes.

Article 17. To see if the Town will vote to authorize the Board of Selectmen to enter into an agreement with the Town of Tisbury and the U.S.D.A. Soil Conservation Service to construct a herring run at the head of Lagoon Pond and sign any necessary indemnity agreements, and to vote to raise and appropriate the sum of Ten Thousand Six Hundred Twelve Dollars and Fifty Cents (\$10,612.50) as the Town's share of the cost of the herring run, or take any other action relative thereto. (Shellfish Department Article). Recommended by Finance Committee, Vote 4 For, 3 Against.

Article 18. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be used for substance abuse (education and enforcement), to be put into a separate fund of the Police Department, said fund to be dispersed at the discretion of the Chief of Police, who will maintain a separate dispersal and accounting system and will be required to file on annual statement or accounting to the Board of Selectmen, or take any other action relative thereto. (Police Department Article). Recommended by Finance Committee, Vote 6 For, 1 Abstention.

Article 19. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to the Martha's Vineyard Citizens Consumer Action Group for the purpose of educating the inhabitants on consumer protection, or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 5 Yes, 1 No.

Article 20. 1. To see if the Town of Oak Bluffs will vote to establish a Board of Health separate from that of the Board of Selectmen? --If the above question is voted in the affirmative then--

2. To see if the Town of Oak Bluffs will vote to have an elected Board of Health consisting of three members - one to serve for one year; one to serve for two years; one to serve for three years beginning

with the Annual Town Election of 1986 and thereafter all terms to be for a three year term in accordance with the General Laws, Chapter 41, Section 1:

3. Starting salary for the position will be Six Thousand Six Hundred Seventy-Seven Dollars (\$6,677.00) total for the three members thereby reducing the salary of the Board of Selectmen by that amount, or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 1 Yes, 4 No, 3 Abstentions.

Article 21. To see if the Town will vote the following by-law: "To limit the number of liquor licenses granted by the Selectmen and authorized by Sections 12 and 15 of Chapter 138 of the General Laws to the number and classes of licenses in existence in the Town of Oak Bluffs on December 18, 1984, or take any other action relative thereto. (Selectmen's Article). Recommended by Finance Committee, Vote 7 Yes.

Article 22. To see if the Town will vote to raise and appropriate a sum of money for the purpose of numbering all residential and business buildings in the Town of Oak Bluffs, or take any other action relative thereto. (Petition Article). Finance Committee, No Action.

Article 23. To see if the Town will vote to rescind Article 14 of the April 11, 1978 town meeting which established the Personnel Board and rescind all subsequent amendments thereto, or take any other action relative thereto. (Selectmen's Article). Finance Committee, Vote 2 Yes, 5 No.

Article 24. To see if the Town will vote to accept Chapter 653 of the Acts of 1982, Clause 37-A relating to Real Estate Tax Exemptions for the Blind, or take any other action relative thereto. (Board of Assessors' Article). Finance Committee, No Action.

Article 25. To see if the Town will vote to direct the Board of Selectmen to have House Bill 6278, Chapter 377 of the Acts of 1984 amended to read as follows: SECTION 1. (Line 5 last word - "Commercial", Line 6 first two words - "Shellfish Permits") removed and in their place insert the following words - "All Shellfish Licenses and Permits, or take any other action relative thereto. (Shellfish Constable's Article). Finance Committee, No Action.

Article 26. To see if the Town will vote to transfer from Surplus Federal Revenue Sharing Funds the sum of Three Thousand Five Hundred Dollars (\$3,500.00) for an audit of the Town's Federal Revenue Sharing Funds, or take any other action relative thereto. (Selectmen's Article). Finance Committee, No Action.

Article 27. To see if the Town will vote to rescind the article which appears under Board of Health Regulations of Chapter XII of local Board of Health Regulations which reads: "Dumping grounds have been provided on land of Manuel S. deBettencourt near Farm Pond.", or take any other action relative thereto. (Board of Health Article). Finance Committee, No Action.

Article 28. To see if the Town will vote to establish a Senior Center Escrow Fund for the purpose of receiving gifts and/or donations of money to be used solely for the improvement of Oak Bluffs Senior activities. This fund will be kept separate and apart from all other monies by the Treasurer. The principal and interest shall be spent under the direction of the Council on Aging Members, or take any other action relative thereto. (Council on Aging Article). Finance Committee, No Action.

Article 29. To see if the Town will vote to instruct our State Representative to file legislation which will enable the Planning Board members to have terms of five years, with one member being elected each

year, or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

Article 30. To see if the Town will vote to adopt the following by-law:

Section 1:

A Committee known as the Capital Program Committee shall be established, composed of one member appointed by the Finance Committee, one member appointed by the Planning Board, and four members to be appointed by the Selectmen. The members from the Finance Committee and the Planning Board shall be appointed for one year terms. The other members shall be appointed for four year terms such that one will expire each year. The Town Accountant shall be an ex-officio member without right to vote. A member who ceases to reside in the Town shall resign. A vacancy shall be filled for the unexpired term in the manner of the original appointment. The Committee shall choose its own officers.

Section 2:

The Committee shall study proposed capital outlays involving the acquisition or improvements of land, buildings or personal property involving an expenditure of Five Thousand Dollars (\$5,000.00) having a useful life of at least three years. All officers, boards and committees, including the Selectmen and the School Committee, shall by October 1st of each year give to such Committee, on forms prepared by it, information concerning all projects anticipated by them as needing Town Meeting action during the ensuing six years. The Committee shall consider the relative need, timing and cost of these expenditures and the effect each will have on the financial position of the Town.

Section 3:

The Committee shall submit written recommendations to the Finance Committee for expenditure of capital outlays as described in Section 2, for inclusion in the Finance Committee's Annual Report.

or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

Article 31. To see if the Town will vote to amend the Oak Bluffs Zoning By-Laws by adding Section 3-1-e-8 - Uses requiring special permits by the Board of Appeals as follows:

Section 3-1-e-8

Conversion of a house or accessory building to provide for a guest apartment will be permitted only if the following conditions are met:

- (a) The house must have been owner-occupied by the petitioner for five previous years and must continue to be owner-occupied after the special permit issues.
- (b) There shall be at least one, off-street, parking space for each dwelling unit on the lot.
- (c) The guest apartment shall not exceed 750 square feet of floor area.
- (d) There must be at least 7,500 square feet of open space on the lot which is unpaved and unpaved and unoccupied by any structure.
- (e) The petitioner must comply with the rules and regulations of the Board of Health.
- (f) The Board of Appeals may not grant a special permit under this section in the Coastal District.

or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

Article 32. To see if the Town will vote to adopt an Official Map showing the public ways and parks therein as theretofore laid out and established by-law and the private ways then existing and used in common by more than two owners, or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

Article 33. To see if the Town will vote to amend the Oak Bluffs Zoning By-Laws by adding Section 20 - Flood Plain Zone as follows:

Section 20 - FLOOD PLAIN ZONE

20-Purpose. The Town of Oak Bluffs recognizing the dangers inherent upon coastal flooding at times of hurricanes or severe storms and as a means of protecting its citizens and their property, hereby establishes a series of Flood Plain Overlay Districts and Zoning Regulations for construction of structures and for the use of the land within these districts. Such districts are defined as shown on the Flood Insurance Rate Map, (FIRM), as published by the Federal Emergency Management Agency effective March 18, 1985, as amended, accompanied by Oak Bluffs Flood Insurance Study and on file with the Town Clerk, Planning Board and Building Official.

20-2 Base Flood Elevation Levels. The coastal area of the Town shall have Base Flood Elevation Levels established as Zones A1-30, A0 and VI-V30.

20-3 Flood Plain Permits. Permits for all proposed construction and uses of land within the Flood Plain Districts shall be required for the following:

- (a) New construction of residential or non-residential structures.
- (b) Substantial improvement (as defined) of any existing structure.
- (c) The addition to existing structures of increased water, electric or sewage and septage systems shall conform to the rules and regulations adopted by the Board of Health.
- (d) Alterations of the land form (as defined).

20-4 - Requirements. All Flood Plain Permits granted under Section 20-3 above shall be subject to the following provisions:

- 20-41 - Any new construction or substantial improvement to be undertaken within the Flood Plain District shall be in accordance with the Massachusetts State Building Code, or Town By-Laws, if more restrictive.
- 20-42 - The lowest floor of any new and substantially improved residential structures shall be elevated to or above the base flood elevation level. In the Coastal District, Section 2.7A, height shall be measured from the base flood elevation.
- 20-43 - In any new residential structure, there shall be no basement, and upon the making of a substantial improvement no new basement shall be installed.
- 20-44 - The lowest floor of any new and substantially improved non-residential structures shall be elevated to or above the base flood elevation level or be floodproofed (as defined) to this level.
- 20-45 - All new and replacement utility and water facilities shall be located and constructed to minimize or eliminate flood damage.
- 20-46 - All new and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters. On-site waste disposal systems are to be located to avoid impairment to them or contamination from them during flooding.
- 20-47 - Approval for any alteration of the land form (as defined) shall be obtained from the Board of Appeals by special permit. No alteration of the land form shall be permitted where there may be the liability of altering the drainage or run-off to the detriment of other landholders or the Town. Before granting a special permit for the alteration of the land form, the Board of Appeals shall duly consider any recommendations by the Conservation Commission and the Planning Board.

20-5 - Additional Requirements in V (Velocity) Zones.

If proposed construction or alteration of the land form is located within a V Zone (as defined), all Flood Plain Permits granted under Section 20-3 above shall be subject to the following additional requirements:

- 20-51 - All new construction within the V Zones (as defined) shall be located landward of the reach of mean high tide.
- 20-52 - All new construction and substantial improvements within the V Zones shall be elevated on adequately anchored pilings or columns and securely anchored to piles or columns so that the lowest floor (excluding the pilings or columns) is elevated to or above the base flood level. A registered professional engineer or architect shall certify that the structure is securely anchored to adequately anchored pilings or columns in order to withstand velocity waters and hurricane wave wash.
- 20-53 - All new construction and substantial improvements within the V Zones shall have the space below the lowest floor free of obstructions or be constructed with breakaway walls (as defined) intended to collapse under stress without jeopardizing the structural support of the structure so that the impact on the structure by abnormally high tides or wind-driven water is minimized. Such temporarily enclosed space shall not be used for human habitation.
- 20-54 - The use of fill for structural support of buildings within the V Zones is prohibited.
- 20-55 - Man-made alterations of sand dunes within the V Zones is prohibited.

Special Permits:

- 20-61 - The Board of Appeals may grant a special permit in the case of:
 - (a) New construction and substantial improvements to be erected on a lot adjacent to lots where existing structures have previously been constructed below the base flood level.
 - (b) Non-residential structures such as boathouses, boatyards or structures designed for education and research, the nature of which requires their location within the Flood Plain District.
 - (c) Restoration and reconstruction of structures listed in the National Register of Historic Places or the official State Inventory of Historic Places.
- 20-62 - Special permits shall only be issued upon a determination by the Board of Appeals that:
 - (a) Failure to grant the special permit would result in hardship to the applicant.
 - (b) The granting of the special permit will not result in increased flood heights, additional threats to public safety, extraordinary public expense or conflict with existing local by-laws, and
 - (c) The relief granted is the minimum necessary considering the flood hazard.
- 20-63 - Following the granting of such special permit, the Board of Appeals shall notify the applicant in writing that the issuance of a special permit to construct a structure below the base flood level will result in:
 - (a) Increased premium rates for flood insurance; and
 - (b) Increased risks to life and property.
- 20-64 - The Board of Appeals shall maintain a record of special permits including the reasons for their issuance.
- 20-65 - Except as heretofore set forth all other procedural and legal requirements regarding the issuance of special permits shall apply to this by-law.

20-7 - Administration. The Building Inspector shall administer the by-law as follows:

20-71 - Review proposed construction and alteration of the land form (as defined) within Flood Plain Districts to assure that all necessary permits have been received from those governmental agencies from which approval is required by Federal or State Law, or Town By-Law.

20-72 - Obtain and maintain records of the elevation (in reaction to Mean Sea Level) of the lowest floor, including basement, of all new or substantially improved structures. In addition, maintain records as to whether or not such structures contain a basement.

20-73 - If a structure has been floodproofed, obtain and maintain records of the elevation (in relation to Mean Sea Level) of the lowest floor and the elevation to which the structure was floodproofed. In addition, maintain records of floodproofing certification which have been prepared by registered professional engineers and architects in relation to the adequacy of floodproofing methods.

20-8 - In Zones A0, for new construction and substantial improvements, it is required that:

(a) Residential structures have the lowest floor (including basement) elevated above the crown of the nearest street to or above the depth number specified on Oak Bluffs Flood Insurance Rate Map.

(b) Non-residential structures have the lowest floor (including basement) elevated above the crown of the nearest street to or above the depth number specified on Oak Bluffs Flood Insurance Rate Map or to be floodproofed (as defined) to or above that level.

DEFINITIONS:

In this by-law, the following terms shall have the following meanings unless a contrary meaning is required by the context or specifically prescribed.

Alteration of the Land Form: Any man-made change in the existing character of the land including filling, grading, paving, dredging, mining, excavation or drilling operation other than routine excavation, well-drilling, backfilling, grading and paving incidental to the construction of a residence or other structure for which a building permit has been issued.

Base Flood Elevation Level: The level to which coastal waters may rise under the effect of wind, tide, and hurricane surge. Base flood means the flood having a 1% chance of being equalled or exceeded in any given year. Base Flood Elevation Levels are measured in feet above Mean Sea Level.

Breakaway Walls: Any type of walls, whether solid or lattice, and whether constructed of concrete, masonry, wood, metal, plastic or any other suitable building material which are not part of the structural support of the building and which are so designed as to breakaway, under abnormally high tides or wave action, without damage to the structural integrity of the building on which they are used or any buildings to which they might be carried by flood waters.

Flood Plain District: Those areas subject to coastal flooding at the Base Flood Elevation Levels established in Section 20-2 of this By-Law. The Flood Plain Districts are shown on the FIRM map on file in Town Hall with the Town Clerk, Planning Board and Building Official.

Flood Plain Permits: All permits required by Section 20-4 of the Zoning By-Law and shall be in addition to all other permits required by Town By-Laws, State and Federal Laws for the construction of a structure or the alteration of the land form.

Floodproofing: Watertight with wall substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effect of buoyancy. A registered professional engineer or architect shall certify that the floodproofing methods are adequate to withstand the flood depths, pressures, velocities, impact and uplift forces and other factors associated with the base flood.

Mean Sea Level: Whenever the Mean Sea Level appears in this By-Law, it shall be the Mean Sea Level Datum of 1929, known as the National Geodetic Vertical Datum.

Substantial Improvements: Any repair, reconstruction or improvement of a structure, the cost of which equals or exceeds 50% of the market value of the structure either (a) before the improvement or repair is started, or (b) if the structure has been damaged and is being restored before the damage occurred. For the purposes of this definition substantial improvement commences when the first alteration of any wall, ceiling, floor or other structural part of the building commences whether or not that alteration affects the external dimensions of the structure. The term does not, however, include any project for improvement of a structure to comply with existing state or local health, sanitary or safety code specifications which are solely necessary to assure safe living conditions.

Velocity Zones (V-Zones): Those direct coastal areas within a Flood Plain District which may be subject to extreme damage from the velocity of wave action or storm surge. The V Zones are shown on the Town FIRM map on file in Town Hall with the Town Clerk, Planning Board and Building Official.

or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

The Annual Town Meeting shall be adjourned until Ten O'Clock in the morning April 11, 1985 at the School Gymnasium, School Street.

Article 34. To elect the following Town Officers on the Official Ballot:

- A Moderator for one year.
- A Selectman for three years.
- A School Committee Member for three years.
- A Cemetery Commissioner for three years.
- Five Members of the Finance Committee for three years.
- Two Members of the Planning Board for five years.
- A Water Commissioner for three years.
- A Park Commissioner for three years.
- A Tree Warden for three years.
- Four Members of Oak Bluffs Housing Authority.

Also, Non-Binding Referendum Question:

Do you approve of the following by-law? "That the Town limit the number of liquor licenses granted by the Selectmen and authorized by Sections 12 and 15 of Chapter 138 of the General Laws to the number and classes of licenses in existence in the Town of Oak Bluffs on December 18, 1984."

YES
NO

The polls for the reception of votes for the aforesaid officers and Non-Binding Referendum Question will be open from ten o'clock in the morning and will close at seven o'clock in the evening.

Hereof fail not and give public notice by causing this notice to be posted in two or more places in the Town at least fourteen days before the time of said meeting, and published. And make due return of this Warrant with your doings to the Town Clerk at the time and place specified.

Given under our hands this twenty-first day of March, 1985.

EDMOND G. COOGAN
LINDA MARINELLI
ANTHONY J. REBELLO
Board of Selectmen
Town of Oak Bluffs

Pursuant to the foregoing instructions, I hereby certify and warn the inhabitants of the Town of Oak Bluffs, qualified to vote as expressed in this Warrant to meet at the time and place specified.

Attest:

WENTWORTH T. TRIPP, Constable

REPORT OF THE CHAIRMAN OF THE BOARD OF SELECTMEN

To the Citizens of the Town of Oak Bluffs:

As Chairman of the Board of Selectmen, it is my pleasure to present to you the annual report of the Board of Selectmen.

1985 was a year of progress, concern, sadness and many changes that have again taken place in Oak Bluffs.

After 10 years of dispute, concerning the bulkhead at East Chop, the Land Court judge found in favor of the town, only to be appealed by the lawyers representing the club. After obtaining well over 100 legal documents these lawyers are appealing, only to cost you the taxpayer \$10,000 to respond to it. I appeal to all of you openly, even though it will cost us some money, this is your bulkhead and you legally have a right to the access to the 2 acres that are at the entrance to the harbor. So I ask for your continued support in this matter.

After many years of devoted service to our town, we mourn the passing of Francis E. Correia, he will be sorely missed and we extend our sympathies to the family.

In 1985, we were forced to vote for a moratorium on building, because there was a serious problem with the distribution of water to the consumers. The moratorium was lifted when we felt that the emergency we declared was over and there was ample water to service customers throughout the summer.

We can all be proud at what's happening on Circuit Avenue. James Gibson has buried the conduit, which was a potential hazard, new wastebaskets have been placed to collect the rubbish. In general, we have a beautiful street to look at, and newly improved store fronts, certainly make you feel like shopping. The business people who took the time and expense to fix up their businesses are to be highly commended for their accomplishments.

I feel that the Friends of Oak Bluffs should be commended for the care and money they have spent throughout the town. They have contributed much to the beautification of our town. Thank you.

It was a pleasure to present Mrs. Caroline Pachico, our oldest citizen in Oak Bluffs, with the Golden Cane. She was 103 years old. The cane now will be presented to another oldest citizen.

Our town is growing at the rate of nearly 100 houses a year. I feel we must face facts realistically. If we are building homes at that rate, and we are, each of these homes will have at least 2 people occupying them. That means we must provide services to a bare minimum of 200 additional people each year. Services which include Police, Highway, Tax Collector, Assessors, Water Department, Treasurer, Town Clerk, Building Inspector, Personnel, Selectmen's available time, Parks, Forestry, Animal Control, Shellfish, Ambulance, Harbor Master and many more. We must now begin to face the fact that we must hire additional help or attempt to cut the work load back by eliminating much of the long hand writing, and switch over to a computerized system. We have formed a committee and hope to have all the necessary information for your approval in April.

Acting as the local licensing authority, we have been faced with many problems, and have spent thousands of dollars to defend our town. Hopefully 1986 will be a better year and less expensive.

The Martha's Vineyard Commission must be commended for their services and devotion to their job, and endless hours, and a job extremely well done. Thank you.

Thanks to the Highway Department. The bike path is nearly constructed and will, as I see it, be a tremendous improvement, both in appearance and safety for the bicyclists. Thank you to all for a job well done.

As usual, our parks were manicured very carefully and taken care of by Manny Francis and Donald Medeiros. We are indeed fortunate to have such devoted and knowledgeable people. Thank you.

In March of 1986 we will begin negotiations with the Police Department.

Since I have taken office, it has been a practice of mine, to be available to you full time and to be at Town Hall 8:30 to 1:00 or 2:00 o'clock. I have done that. All meetings have been open to the public.

It has been an impossible task to please everyone, so all I can say is that my opinions have always been up front and no one has had to guess at what my position was on any issue. Let us hope that in 1986 we can

1. Complete all unfinished projects,
2. Work to better our Town.

I thank you for your support in the past, present, and hopefully in the future.

Respectfully submitted,

LINDA MARINELLI, Chairman
Board of Selectmen

ANNUAL REPORT OF THE ASSESSORS

Board of Selectmen
Town of Oak Bluffs
Oak Bluffs, Massachusetts

Gentlemen:

TOWN ACCOUNTANT

Linda Marinelli, Chairman
Board of Selectmen
Town of Oak Bluffs, Massachusetts 02557

Dear Mrs. Marinelli:

In accordance with the provisions of Chapter 41, Section 61 of the Massachusetts General Laws, I herein submit my annual report of the Oak Bluffs Accounting Department.

This report contains a statement of receipts and expenditures, summary of appropriation accounts for the fiscal year 1985 and the first six months of fiscal year 1986, and the balance sheet for the year ended June 30, 1985.

I would like to thank the Board of Selectmen and Susan Fauteux for their assistance during the past year.

Respectfully submitted,

ELINOR M. RAY
Town Accountant

PERSONNEL BOARD

The Members of the Personnel Board are:

June M. Rose
Louis G. Votta
Violet M. Rego
Kenneth N. Rusczyk

Ken and Violet are the newest members - Violet being the appointee of the Moderator and Ken an appointee of the Finance Committee. At the writing of this report there is one vacancy on the Board which will be filled by the Board of Selectmen. June is the senior member of our Board.

Soon a consultant will be engaged by the Board to conduct an Impact Study, re-examine the by-laws and evaluate the wage scales. In the immediate future emphasis will be put on the F.L.S.A. which will be the law of the land.

The Board has endorsed a 4% Cost of Living Increase and a Step where applicable and nothing in excess of this.

We are grateful for the assistance rendered to us and the cooperation of so many.

Personnel Board meetings are open to the public and all are encouraged to attend.

Respectfully submitted,

JUNE M. ROSE
LOUIS G. VOTTA
VIOLET M. REGO
KENNETH N. RUSCZYK

BOARD OF HEALTH

To the Citizens of the Town of Oak Bluffs:

We hereby submit our annual Board of Health report.

As you all are aware of, our town is growing and ultimately the need to protect our environment becomes even greater.

Even though many problems have been addressed, many remain. The disposal of solid waste and waste water should be and must be a top priority. An adequate and safe supply of drinking water must be obtained. Our shellfish producing ponds are being addressed and those efforts must be continued. These are just a few of the health areas we must continue to keep on top of.

The Martha's Vineyard Refuse Disposal and Resource Recovery District should be taking over our waste facility soon. Because of our limited space at this time, we have no alternative but to welcome this take over. We must remember that it provides only short term relief and that it is an expensive proposition.

The Town of Oak Bluffs will, in the future, face many problems both politically and environmentally. The townspeople of Oak Bluffs have made wise choices before and I am sure, with logic and reason, they will continue to make these choice decisions.

Now that the Town has voted a separate Board of Health, we will do all we can to make the transition as smooth as possible. The present Board stands ready to assist the new members with any problems that may arrive.

We, the present Board of Health, would like to thank the Town employees for the cooperation they have extended and also the townspeople for their patience and understanding as we addressed the problems of last year.

Respectfully submitted,

ANTHONY J. REBELLO

MARTHA'S VINEYARD REFUSE DISPOSAL AND RESOURCE RECOVERY DISTRICT

Programs

This year the District began a Landfill Management Program at town landfills, to maximize landfill capacity and to ensure that daily operations do not hinder the final capping grades which towns must comply with. A hydraulic lift stake truck was purchased for the Island's ongoing recycling program, which collects, stores and ships glass, newspaper and aluminum off-island.

In October, 900 gallons of household hazardous substances were collected from Island residents and shipped to approved disposal sites. Studies of the Island's hazardous waste and recycling needs were proposed by independent consultants, and considered by the District Committee. Working with the Martha's Vineyard Commission, a method of keeping track of waste oil on the Island was established and a list of waste oil generators compiled. In November, 1800 gallons of this hazardous substance were shipped off-island. Also in November, attendants were hired with District funds to assist towns in daily landfill operations and with recycling duties.

Administration

The establishment of internal administrative structures has been ongoing this year. An auditor has been retained, personnel by-laws compiled and passed, health insurance plan for employees begun, and office procedures streamlined. Recycling and District Coordinators were put in place to oversee the District's day-to-day functioning, and an interim manager was hired to assist with budget preparations and the search for a District manager. This search has culminated in the hiring of a permanent, full-time manager who has considerable experience in public works projects, and who is on board as of February, 1986. In addition, the District has pursued contacts with state entities, inviting state officials to view Island landfills, visiting refuse disposal projects in other parts of the state, attending solid waste conferences, applying for technical assistance and other funding, tracking solid waste legislation, and maintaining ties with DEQE, the Bureau of Solid Waste, the Department of Environmental Management and the state legislature. We continue to explore and examine new technologies in addition to keeping abreast of developments in old technologies.

Critical Activities

In the beginning of this year the town of Tisbury was called to task by DEQE for the condition of its landfill. District engineers responded to DEQE's displeasure with the Tisbury landfill by undertaking complete hydrogeological studies of groundwater flow in the area of the town's present landfill, and by analysing landfill's impact on the nearby Sanborn well. Working with town engineers and the Board of Health, and with District groundwater studies of the area, a period of grace was achieved before capping had to be implemented in portions of the landfill. In the early Spring of 1985, two towns questioned the obligation of member towns to pay their portion of the District assessment, and this question was forwarded to, and resolved by, the Department of Revenue. Ongoing drilling of monitoring wells took place this past year at all town landfills, and designs for six transfer stations, six closure plans, and one baler facility have been brought close to completion. Closure plans for the Tisbury landfill were finalized and presented to DEQE in compliance with the Administrative Order from that Department.

Meanwhile, Public meetings with selectmen and other town officials were held in the Spring to discuss solid waste options and to explain the District's enabling legislation. This legislation was signed into law on September

23, 1985, by Governor Michael Dukakis. By the late summer of this year the proposed site of the District's baler facility was disputed by the Tisbury Water Commission. At year's end a town meeting vote gave jurisdiction of this land to the Tisbury Selectmen, and engineers are at present being retained by all parties to determine a workable layout for all the facilities which the parcel will house.

Funding

Project bonds were not issued in the current year and, after preliminary approval from the Department of Revenue, town assessments were reduced by a \$150,000 amount. This amount drained the pool of ready District revenues available to pay for engineering work. The same reduced pool of money must also fund District programs such as landfill management, recycling, hazardous waste/waste oil collection, and town landfill attendants. Most of these programs, undertaken to benefit the towns and the quality of life on Martha's Vineyard, were gotten underway this year, and we have seen, and anticipate, a resulting increase in operating expenses. The District Committee has discussed its FY '86 and FY '87 budget since the late summer of this year, and examined construction costs for engineering and design, and program costs. The Committee has returned time and again to its initial Agreement with the six towns to determine the scope of its responsibility and to translate this obligation into a budget which will provide adequate refuse disposal services to island residents.

Each town is reminded that the \$150,000 reduction in total assessment reduced its individual assessment to a level which did not require an override vote for that FY '86 assessment.

This action, however, served only to postpone what is inevitable if the District is to properly carry out its original mandate from the six towns.

In retrospect, the \$150,000 reduction in assessment served to erode what could have been the beginning of a firm financial base for the District, as it more properly should have been used to start a stabilization fund or reserve for future capital expenditures.

The Agreement between the District and the six towns calls for recycling and re-use, solid waste disposal, safeguards against pollution, and storage or transport of hazardous substances. The Regional Refuse Disposal District intends to carry out this charge in a manner which is economically and environmentally sound. The Committee thanks the many townspeople who have involved themselves in support of this important effort, and hopes for continued support and cooperation.

Respectfully submitted,

DAVID CASEAU
WILLIAM SHAY

POLICE DEPARTMENT

To the Honorable Board of Selectmen and
Citizens of Oak Bluffs:

As head of the Police Department for the Town of Oak Bluffs, I hereby submit my annual report for the year ending December 31, 1985:

Accidents	250	Motor Vehicle Violations.....	1,083
Arrests	387	Parking Tickets.....	2,230

In my annual report in 1983, I expressed concerns about the traffic problems that have existed for many years within our Town. I am, therefore, very pleased that the Board of Selectmen has approved a Traffic and Parking Committee to address these concerns and seek solutions.

In the upcoming year, you will see many changes begin to take place. The hope, of course, will be that the end result be for a smoother traffic flow. I request that the motoring public bear with this committee as these changes begin to take place in early spring.

Again referring back to the 1983 report, I requested that serious consideration also be given to a proper parking system, a system that would not only resolve many of the parking problems, but would also generate some serious revenue for the Town. Needless to say, I am very happy that as of this writing, the committee members are discussing this possibility.

Someone suggested to me that it would be rather interesting if I were to report some of my experiences during my past twenty-five years with the Oak Bluffs Police. I immediately dismissed the idea because of the space that it would require.

However, if one were to turn back the pages in the town reports, it is interesting to note that the entire Police budget of \$14,650.00 is less than that of today's patrolman's salary. The taxpayers purchased and equipped a Police ambulance cruiser for the sum of \$2,500.00. They paid their Chief of Police \$4,200.00 and the only patrolman received \$3,700.00. Today's total budget well exceeds \$300,000.00, and even with this figure we fail to meet the constant demands required by the continuing growth.

I would like to extend my thanks and appreciation to the members of my Department for their cooperation. I also wish to thank all the other law enforcement agencies and the Board of Selectmen for their assistance.

Respectfully submitted,

PETER M. WILLIAMSON
Chief of Police

BUILDING INSPECTOR

Town of Oak Bluffs
Board of Selectmen
Oak Bluffs, MA 02557

Board of Selectmen:

In compliance with the wishes of the Selectmen, I submit my annual report ending December 31, 1985.

A complete list of Building Permits issued for the calendar year of 1986 is on file in the Building Inspector's office or the bulletin board in the Town Hall.

Total of permits issued:

New Homes.....	118
Additions.....	56
Renovations.....	35
Other: Garages, sheds, and etc.....	58
Sign Permits.....	21

The estimated cost for new homes was \$8,164,750.00; for additions it was \$1,192,149.70; for renovations it was \$925,185.00, and for all others it was \$299,425.00.

Total Fees Collected:

Building Permits.....	\$20,422.00
Plumbing Permits.....	4,575.00
Wiring Permits.....	855.00
Wiring Inspections.....	8,290.00
Gas Permits.....	720.00
Oil Burner Permits.....	445.00
Septic Permits.....	3,565.00
Cesspool Pumpouts.....	2,755.00
Periodic Inspections.....	2,398.00
Zoning By-Laws.....	449.00
Smoke Detectors.....	740.00
	<u>\$45,214.00</u>

Respectfully submitted,

ARTHUR WYCHE
Acting Inspector of Buildings

HIGHWAY DEPARTMENT

Town of Oak Bluffs
Board of Selectmen
Oak Bluffs, MA 02557

To the Honorable Board of Selectmen:

It is with pleasure I submit to you my first Annual Report as Highway Superintendent. It has been a very active and difficult year so far and with the sad passing of Superintendent, Francis Correia, a great deal of knowledge of the Highway Department is gone.

I have instituted an open policy to all departments for assisting one another. I feel at the present time there is a good attitude among the labor force. Morale is high and job performance, I believe, is apparent.

We have undertaken the task of constructing a Bicycle Path on the Edgartown-Vineyard Haven Road and the Path should be completed by June, 1986. The Department will also make major repairs to the wood Bulkhead on the east side of the harbor. This work will begin in March and should be completed by May, 1986.

The Highway Department has chipped a tremendous amount of brush and many residents of Oak Bluffs have enjoyed free wood chips for their personal use from this work.

We have applied for a Chemical Storage Shed to be constructed from State Funds. We have been placed "Top Priority" on their list. This storage building will enable us to keep our Road Salt under cover and provide added protection to our ground water. We are also in the process of seeking \$1.2 million through PWED (Public Works Economic Development) and STRAP (Small Town Road Assistance Program) grants. These grants, if approved, will be for the reconstruction and paving of County Road.

We have paved several areas and plan to work on drainage problems on many streets this year.

The establishment of a new Board of Health and the Solid Waste District coming on line, I am sure, will create a lot of activity. The challenge will be interesting.

Respectfully submitted,

HERBERT A. COMBRA, JR.
Highway Superintendent

ANIMAL CONTROL OFFICER

To the Honorable Board of Selectmen and
Citizens of Oak Bluffs:

As Animal Control Officer for the Town of Oak Bluffs, I hereby submit my annual report for the year ending December 31, 1985.

The past year has been extremely busy with a total of 1,786 calls being answered. Calls were answered for more animals being hit this year and more animals were removed from roads wounded and killed.

There was a total of 49 skunks removed from roads throughout the Town. I also removed just under a hundred from private homes of citizens who had been having problems.

We have made great headway with the new pound and the ticket system in affect as this has been a source of increased revenue for the Town. I am grateful for the assistance rendered to me from the other departments within the Town.

Respectfully submitted,

ERNEST GARVIN
Animal Control Officer

FIRE DEPARTMENT

Board of Selectmen
Town of Oak Bluffs
Oak Bluffs, Mass. 02557

Selectpersons:

We hereby submit our Annual Report for the Oak Bluffs Fire Department for the year 1985.

Bomb Threat	4
Dwelings	4
No Fire (False)	5
Chimney	1
Grass	5
Dump	2
Pumping	5
Oil Burner	4
Pole (wires).....	2
Car	10
Gas/Oil Spill.....	3
Appliance Failure.....	1

Rescue	1
Mutual Aid.....	3
Trash.....	2
Miscellaneous (Smoke).....	3
Med-Evacuation.....	3

62

We were very pleased the way our Department executed the Hurricane Gloria emergency. The cooperation of all Departments was very appreciated and the dedicated time that was so willingly volunteered.

As a result of two cold water rescues, we found our wet-suits inadequate and are in the process of purchasing dry-suits for this type of rescue.

Other than the unfortunate accident of Engine 4 Fire Station, the Department has functioned smoothly.

Respectfully submitted,

Board of Engineers

AMBULANCE

To Chief Nelson Amaral:

Here is a breakdown of the runs that we had this summer.

	Walk-Ins	Bike Accident	Moped Accident	Miscellaneous Injuries & Illnesses	Total
May	1	1	0	18	20
June	5	1	6	20	32
July	17	1	6	16	40
August	12	0	2	29	43
September	3	1	1	29	34
TOTAL	38	4	15	112	169

Here is the break down of the walk-ins (Moped-Bike accidents)

	Bike	Moped
May	1	0
June	1	4
July	4	4
August	0	6
September	0	1
TOTAL	6	15

We had over 150 people come for blood pressure checks. We also ran 1 Choke Saver Course, with 11 people participating. All of the restaurant owners and managers were notified. We had a CPR Recertification in September, conducted by Joyce Stiles, EMT, with four EMT's and two Police Officers recertifying.

SHELLFISH DEPARTMENT

Board of Selectmen

Voters Town of Oak Bluffs

The following is my report for the year ending December 31, 1985.

We continued the nursery raft program for seed quahogs. Approximately 120,000 seed quahogs, all raised at the Martha's Vineyard Shellfish Group Hatchery were grown to an average size of nearly one inch and planted on the flats in Sengekontacket Pond.

The hatchery also spawned many scallop seed, approximately 250,000 were planted in Oak Bluffs in Sengekontacket. We placed approximately 75 spat collector bags in both ponds. In the fall, these bags were brought in and the seed planted. The bags worked well and approximately 200,000 seed were collected and planted in both ponds.

This fall I moved approximately 100 bushel of scallop seed from shallow water near Lagoon Road. This was the only place where any number of seed were found in shallow water. There was some seed scattered in deeper water in both ponds, but the amount was down from other years.

The starfish removal program was expanded to include the use of mop drags. Many thousand starfish were removed by the mops and the traps. We also hand removed starfish from shallow areas. Many other predators were also removed.

The water testing program was continued and Farm Pond was found to exceed the standards and was closed to all shellfishing. The selectmen were able to get permits and have the channel into Farm Pond dredged. This should help keep the pond clean, but this channel must be maintained and the opening at Hart's Harbor must be kept open.

The Herring Run Project is in final design stages and will begin next year pending funding by the Town of Tisbury.

Dr. Gaines from Woods Hole Oceanographic Institution completed his study of Lagoon Pond. His results will be used by the clean lakes study. A contractor has been selected and is ready to begin work this Spring.

The dredging of Sengekontacket Pond has been funded by the State Division of Waterways. We are waiting for the State to hire a contractor. The State moves very slow on these projects. We are continuing to push for the project to start as soon as possible.

Again this summer we purchased approximately 350 bushel of quahogs from a marginally contaminated area. They were mixed sizes approximately 50% small sizes. They were planted in the harbor. Many were planted near shore for hand diggers.

The quahogs planted in Sengekontacket were tested by D.E.Q.E. and certified fit for human consumption. Half the area was opened on January 1, 1986.

I wish to thank my deputies Francis Bernard and Robert Williston, the Shellfish Committee, and everyone who helped improve our shellfish resources. I would like to thank Biologist Rick Karney, his staff and the directors of the Martha's Vineyard Shellfish Group for the efforts which have made the hatchery a success.

The following is a report of licenses and permits sold by the Town and the amounts of shellfish harvested, and the approximate dollar value. The Oak Bluffs Harbor was closed to commercial shellfishing in 1985 in an effort to increase the amount of quahogs.

Family Quahogs - Sengekontacket.....	359
Family Quahogs - Lagoon.....	24½
Family Quahogs - Oak Bluffs Harbor.....	40

Family Clams - Sengekontacket.....	56½
Family Clams - Lagoon	36

Commercial Clams - Lagoon.....	14
Commercial Scallops - Sengekontacket.....	1,027
Commercial Scallops - Lagoon.....	350
Total Value Approximately \$200,000.00	
Commercial Licenses at \$200.00.....	33
Resident Family Permits at \$20.00.....	304
Resident Family Permits over 60, Free.....	214
Non-Resident Family Permits at \$100.00.....	3
Duplicate Family Permits at 50¢.....	6
Non-Resident 2 Week Family Permits at \$20.00.....	41
Total Family Permits.....	562
Total Revenue.....	\$13,803.00

Respectfully submitted,

EDWIN A. BUGBEE
Shellfish Constable

MARTHA'S VINEYARD SHELLFISH GROUP, INC.

To the Oak Bluffs Board of Selectmen:

Our efforts to manage, protect and expand the Island's shellfish resources continued in 1985 through the support of Island taxpayers and generous donations from private contributors. Special thanks are due Will Holtham and the staff of the Homeport Restaurant for continuing to host our annual Clambake and Fund-raiser.

In carrying out the program I am grateful for the assistance of the Shellfish Constables, the support of the Board of Directors, and the hard work of my dedicated staff. Paula Coffey filled the position of Hatchery Assistant which was funded in part by the Office of Job Partnerships. Meewon Kim, Jessie Sturges, and Schuyler Hadden made up the part time staff. Karen Child kept the books and Mike Zoll volunteered his time as Treasurer.

An update of our program follows.

***Solar Hatchery** — Our solar hatchery is nearing full production! A new method for growing mass cultures of algae food and modification of a Japanese spat collector enabled us to produce almost a half million seed quahogs and over 2 million seed scallops. Our first experiments with spawning and growing oysters, gives us great hope that we will soon be able to seed Island ponds with large numbers of hatchery produced oysters.

***Genetic studies of Island scallop and quahog populations** — In conjunction with George Mason University, we are continuing to study the genetic makeup of the Island's quahog and scallop populations.

***Lagoon Herring Run restoration** — With assistance from the Federal Soil Conservation Service, final design plans for reconstruction of this important fishway are nearing completion. Construction should begin in the fall of 1986.

***Pollution** — The Shellfish Group will continue to play an active role in the Clean Lakes Program's extensive diagnostic/feasibility study of Lagoon Pond in the coming year. We continue to assist in the monitoring and abatement of fecal coliform contamination in Tisbury Great Pond. We have submitted a preliminary application to the Clean Lakes Program for assistance in solving the Pond's pollution problems.

For more detailed reports of our work call 693-0391.

Respectfully submitted,

RICHARD C. KARNEY
Shellfish Biologist

CONSERVATION COMMISSION

To the Board of Selectmen and
Voters of Oak Bluffs:

This past year was an active one for the commission reviewing many projects in or near our wetlands. We foresee another busy year as more and more landowners attempt to use their land to the fullest.

This past year was the first year the Mainstay building at the Sailing Camp Park was open and rented to private parties. A sum of 2,400 dollars was collected from that rental. We also had one of the smaller cottages renovated by the High School shop class. This cottage was used to house a caretaker for the summer. With the presence of a caretaker, vandalism to the property quickly declined to a negligible level. It seems clear that a caretaker should be on the property, at least in the summer months. General maintenance and improvements have continued at the Sailing Camp Park.

We would like to encourage your use of the Sailing Camp Park this coming year.

The woodlot program continued this year, to a greater success than in past years. This program was conducted on the Sailing Camp property this year to improve the health of the woodlot and also to assist us in better utilizing the property.

We thank both the Town departments, and individuals that have helped us in various ways this past year.

Respectfully submitted,

DAVID W. GRUNDEN
Chairman

PARK COMMISSIONERS

To the Citizens of Oak Bluffs:

We, the Park Commissioners of the Town of Oak Bluffs submit to you the citizens of Oak Bluffs a summary of the activities of the Park Department of your Town for the past year.

The Park Department is divided into two divisions of operations: recreation and the gardening care of our parks. Our success, we believe, is mainly due to the dedicated concern of our two heads' of these divisions.

The beauty of our parks continues to be admired and congratulated by persons from all avenues of address. We cannot say enough for these compliments that come as a direct result of our park foreman, Manuel Francis' great concern for their beauty.

The recreation we offer covers the needs of all citizens of all ages. We offer safe swimming areas under certified life guards and free swimming lessons for all ages. Free tennis lessons, basketball activities, playground facilities and softball facilities, for all ages. We also support little league, youth hockey and supervise all band concerts.

Our recreation department has been supervised for seventeen years by Daniel G. McCarthy, our Director of Recreation. His dedication and handling of these activities has been the result of their success.

We would also like to thank all other departments and persons for their help when asked to assist us in our time of need.

We would like to thank you, the citizens of Oak Bluffs for supporting our department in the past and hope that it continues in the future.

Respectfully submitted,

DENNIS P. ALLEY, Chairman
NELSON S. OLIVER
ALLAN A. DEBETTENCOURT

WATER DEPARTMENT

To the Board of Selectmen
and the Townspeople of Oak Bluffs:

This year the Board of Water Commissioners included Manuel deBettencourt, James Moreis, and Madison Alwardt.

Our most recent project is the New Well, which will increase the Town of Oak Bluffs Water Supply. It is located on Barnes Road, past the blinking light, and going towards the West Tisbury Line. The Board of Water Commissioners are working very hard to complete this project by mid-summer, and at this time are in the process of acquiring land in that area for the New Well, and future Water Projects.

David Dauphinais, Superintendent of the Oak Bluffs Water Department, turned in a letter of resignation on January 9, 1986. Mr. Dauphinais served this Town well during his term with the Department, and will be missed.

The extension of twelve (12'') inch Water Main to the corner of County Road and the Edgartown-Vineyard Haven Road, has been completed this year.

Speaking to the Townspeople of Oak Bluffs, our Water Supply has been very crucial over the previous year. In late spring of 1985, the Water Commissioners issued a Building Moratorium, that went into effect immediately for the purpose of controlling the increase in water supply. The moratorium was lifted shortly after approval of a New Well System by vote of the Town in the June Meeting.

Development continues to grow in our Town, with a new water service increase of approximately 100 new homes, serviced with Town Water this year. The number of houses built in this coming year is expected to increase with the new water supply.

Approximately Two Hundred Twenty-Seven Million Nine Hundred Ninety Thousand gallons of water was used this year and the daily high was approximately One Million Five Hundred Seventy-Five Thousand gallons.

In the future, the Oak Bluffs Water Commissioners hope to see the continuation of the Study of Potential Pollution of Ground Water Supply, studied by the Martha's Vineyard Commission, and hope the Town of Oak Bluffs acknowledges a need for new Zoning Regulations to help save our limited water supply.

The Commissioners ask once again for your cooperation in turning off all outside water at the sound of the fire horn.

Respectfully submitted,

MANUEL deBETTENCOURT, Chairman
JAMES MOREIS
MADISON ALWARDT
Board of Water Commissioners

VETERAN'S AGENT

During Fiscal Year 1985, there were twelve cases that were financially aided by the Veteran's Service Department.

The total amount expended during this Fiscal Year period was \$11,687.27 of which 75% is reimbursed by the State of Massachusetts.

Amounts expended by Towns -

Gay Head.....	\$ 54.50
Chilmark - No Activity.....	.00
West Tisbury.....	1,294.50
Vineyard Haven.....	1,163.00
Oak Bluffs.....	5,682.77
Edgartown.....	3,547.00

Under the provisions of Chapter 115 of the General Laws, as amended, Veterans and their dependents were granted financial assistance.

Respectfully submitted,

WILFRED J. ANAIR
Director of Veteran's Services

ELDER SERVICES OF CAPE COD AND THE ISLANDS, INC.

Board of Selectmen
Town of Oak Bluffs
Post Office Box 1327
Oak Bluffs, MA 02557

To the Board of Selectmen:

Elder Services of Cape Cod and the Islands, Inc., continues to be one of the few Cape and Islands agencies to maintain a full-service office on Martha's Vineyard.

Dukes county and town funds are used to provide the required local share for grants received under the Older Americans Act. Older Americans Act funding supports the following programs administered by Elder Services.

The Island Senior Van Service - Ridership rose to three hundred seventy-two (372) in FY'85. A total of 82,131 miles were driven; 22,622 trips were made by the island's elderly and handicapped. The service was awarded a total of \$21,737 in Capital Equipment 16 (B)2 grants by the Executive Office of Transportation and Construction during 1985. The funds, to be received early in 1986, will be used to replace our weary 1981 van and purchase a micro-computer system. The Martha's Vineyard Regional Transit Authority provided \$68,000 toward FY'85 operating expenses.

The Nutrition Program - During FY'85 congregate luncheon sites served 10,741 meals. It was a year for moving--the Edgartown Site to the Anchors, the Tisbury/Oak Bluffs site to the Methodist Parish Hall in Oak Bluffs, and the Gay Head Site temporarily moved to the Howes House in West Tisbury while ceiling repairs are being made to the Gay Head Town Hall. This year we experienced an increase in the Meals on Wheels Program; 11,935 meals were served to one hundred seventy-five (175) homebound elders.

The Senior Aide Program - Four elders were placed in subsidized employment at local senior centers and the Elderly Home Crafts Shop.

In addition, in October 1985, Older Americans funds were granted by Elder Services to other agencies to provide **Contracted Services** to Island elders. Recipients of Older Americans Act grants were:

Tisbury Council on Aging - Outreach/Activity Program (\$2,000).

Up Island Council on Aging, Inc. - Howes House Renovation (\$1,300).

Island Councils on Aging, Inc. - Chore Service (\$9,000).

Legal Services of Cape Cod and the Islands, Inc. - The Elder Law Project (\$40,000).

Housing Assistance Corporation - Home Repair Program (\$12,000).

Elder Services also receives financial support from the Commonwealth's Executive Office of Elder Affairs. State Home Care funds provided social services as well as **Home Care services** to one hundred seventy-three (173) eligible elders in need of support in order to remain at home safely. Homemaker Services were purchased from M.V. Community Services, Inc. (FY'85 \$120,738); Chore Services were purchased from the Island Councils on Aging (FY'85 \$33,858).

Additionally, a 24-hour Protective Service Response System is available -- the goal to prevent and eliminate elder abuse and neglect.

As a Home Care Corporation and Area Agency on Aging, Elder Services' mission is ambitious.

"To act as a community resource and advocate in creating and

promoting opportunities for the optimum in health, independence and well-being for elders of Cape Cod and the Islands.”

The Town of Oak Bluffs’ continued support of our efforts is vital.

Respectfully submitted,
JACQUE CAGE
Martha’s Vineyard Director

COUNCIL ON AGING

The Oak Bluffs Council on Aging and Senior Center have had a most rewarding year. The congeniality at our Site invites active participation in our many programs and activities. We have demonstrated our ability to receive community support and to respond to community needs whenever necessary.

We have a helpful, developmental attitude toward all our Seniors rather than a custodial philosophy. We offer a variety of services, are capable of flexibility to accommodate changing needs in the community and we offer older people the opportunity to become involved in the ongoing planning process, and goals. We try to maintain these goals in our philosophy and in the operation of our Senior Center.

All of the Council on Aging activities are supervised by our able staff: Beryl Pond, Director, Louise Bugbee, Assistant Director, and Rosemarie Roberts, Activities Director.

In addition to programs that include Arts and Crafts, Line Dancing, Bridge, Bingo, Men's Day, Movies, and Aerobics, the Senior Center is used for Blood Pressure Clinics and Health Screening, Fuel Assistance programs, Hospice, assistance with legal and tax problems, medical insurances, Federal and State Income Tax returns, a base for reassurance calls to the elderly and incapacitated, a distribution center for the Federal Surplus Food Program (October through May), the Striped Bass Derby program for Seniors, and a central place for a variety of gatherings for our citizenry, Retired Federal Employees, Martha's Vineyard Senior Citizens of Oak Bluffs, and several active Walking Club.

The Board and staff wish to thank our Oak Bluffs Council on Aging members for their involvement, active participation and cooperation in all the affairs pertaining to the Senior Center. Our sincere gratitude to all of our wonderful volunteers. We also wish to thank the Selectmen and Town Hall personnel for their continued support and cooperation.

REPORT OF THE LIBRARIAN

Library Trustees:

The Librarian wishes to submit the following report for the year 1985.

Circulation of Books and Magazines:

Adult Fiction.....	8,735
Adult Non-Fiction	1,951
Juvenile Fiction.....	1,972
Juvenile Non-Fiction.....	250
Magazines	1,330
Interlibrary Loan.....	20
Total Circulation.....	14,258

Summer Registration

Juvenile and Adult.....	500
Number of Books Purchased.....	589
Magazines Subscribed To.....	32

Number of Books in Library

Adult.....	7,600
Juvenile.....	3,425
	11,025

Unfortunately there were no bids this spring to repair the library roof. Bidding was resumed in the fall and it is hoped that work will be started soon since repairs are urgent.

The Library Building Committee, with Lynn Bouck as Chairman, has been busy in an effort to get work started on the proposed addition to the library. Four applications for Design Services were received and after interviews with these the contract was awarded to "Design and Conservation" of New Bedford. An invitation to bid on the actual construction will appear soon and it is hoped that by summer of 1986 the much needed addition will have become a reality. This will be a great satisfaction to those who worked so hard to bring it about.

Several new reference volumes have been added and we have received donations of many new books. Finally I wish to mention the lovely decorative arrangements we have been enjoying for the past several years, these in the tubs at the entrance to the library. Thank you, Ethel Marsh, they have been appreciated by many and we are grateful for your interest and time you have spent doing them.

I wish to thank the trustees for their interest and continued support during the past year.

Respectfully submitted,

ELIZABETH F. BLANKENSHIP
Librarian

OAK BLUFFS SCHOOL COMMITTEE

To the Townspeople of Oak Bluffs:

This has been a year characterized by significant changes for the Oak Bluffs School. Several retirements, new leadership, and a building addition have had an impact. Nancy Leighton retired after twenty three years as a dedicated teacher. The PTA honored her and Helen Manning with a party which gave many of us an opportunity to show our appreciation and celebrate their new directions. Not surprisingly, both women have full agendas planned. Ruth Dolby and Olive Landers also retired from the school this year. Their many years of service are appreciated. In August, David MacDonald retired as principal after providing his leadership for eight years. He believed one of the keys to sound education relied on an awareness of each child as a unique individual; an awareness we continue to strive for at the Oak Bluffs School.

The leadership transition period was accompanied by all the expected emotions surrounding change — excitement, apprehension, and uncertainty. The teaching staff showed their dedication to the children and the school during this time by providing continuity within the school day and openly expressing their needs and concerns for the future. A search committee, whose members were representatives of the school committee, administration, staff, PTA, and community under the conscientious direction of Superintendent Francis E. Pachico, established the needs of the school. The committee unanimously selected Robert Abbey from a field of highly qualified candidates, to meet those needs. Robert continues to fulfill his promises by establishing goals and objectives for the school and supporting an evaluation process that monitors the progress towards those goals. He brings to Oak Bluffs strong educational leadership, energy, community spirit and a sense of humor.

1985 saw the passage of the education reform bill by the Massachusetts legislature. Chapter 188 is multifaceted and we have yet to realize the ramifications of the major portion of the bill. The Oak Bluffs school committee with the support of the Town, voted to accept the Professional Development Grant. We also voted to accept the Professional Development Grant. We also voted to accept money for school improvement and set up a School Improvement Council, as required, to determine how that allocation should be utilized.

In December, at long last, we broke ground for the building addition. It marked the culmination of the planning process. A great deal of time and effort on the part of the building committee, school administrators and town officials brought us to that point. The construction is now under way and we look forward to moving into the much needed space.

The PTA continues to enrich the school focusing on child safety, drug and alcohol abuse, building and playground improvements and after school programs for the children.

The teaching staff, with the addition of several new members we welcomed in September, continue to teach our children by their example that education is an ongoing dynamic process. Many have taken courses and workshops this year, enriching their classrooms by implementing what they have learned. A few areas they are working on include developmental placement, the reading program, the Great Books program, computer usage and library skills. We support and encourage their professional growth.

I have found the role of school committee member to be rewarding, frustrating, challenging, and ever changing. My special thanks go to Megan Alley, Pam Martisauskas, Estelle Surprenant, and Betsie King for their patience and endless assistance.

I believe you, the townspeople, can be proud of your school. On behalf of my fellow school committee member I would like to thank you for your continued support and counsel.

Respectfully submitted,

MARNEY TOOLE, Chairperson
Oak Bluffs School Committee

OAK BLUFFS SCHOOL PRINCIPAL

Mr. Francis Pachico
Superintendent of Schools
Charles E. Downs Administration Building
Vineyard Haven, MA 02568

Dear Mr. Pachico:

I'm happy to report that my first year as principal at the Oak Bluffs School has been both challenging and encouraging. Rarely have I found a committee, staff and group of parents and children as involved as those of Martha's Vineyard.

Our school addition is well underway as a result of long, steadfast work by building committee members. We are also renovating areas of the school by trimming, painting and brightening the buildings and grounds. Volunteers and town employees have provided much of the labor during our renovation efforts.

The school staff is moving on a number of fronts with involvement by the parent community. The School Improvement Council established by Chapter 188, the School Improvement act, voted to spend \$1560 appropriated by the legislature on an Island studies curriculum. School children will collect the stories and songs, study the history, architecture and heritage of Oak Bluffs and Martha's Vineyard. The teaching staff will also be choosing a new reading program in the coming year and teachers in grades 2-8 have been trained to work with a program in literature called Great Books. In-service workshops over the next eighteen months will help us learn more about reading research, the development of oral and written language and the writing process approach developed at the University of New Hampshire.

In the junior high we will be emphasizing individual attention through project work, independent studies and the development of inter-disciplinary activities. We are in the process of revising our reporting system at all grade levels.

Our K/1 program continues to be a model for schools as increased public attention is focused on early childhood education. Oak Bluffs provides an option of three years in early primary grades, helping children succeed who simply need more time to grow and develop. A large group including teachers, counselors, nurses and administrators is presently working on options for kindergarten screening and examining the need for developmentally appropriate activities in primary grades, island-wide.

Our PTA has been active as always and was named the Outstanding PTA of Massachusetts at the annual statewide convention last fall. These energetic parents and booksters of OBS have sponsored a number of projects this year including bake sales, a silent auction and an after school program during the winter months. The PTA helps the staff build community outreach and makes the school more than ever a community resource.

In closing, I would like to thank the people of Oak Bluffs for their interest in the town's children. The staff and school committee are working toward excellence in education, to setting high standards for behavior and for academic and personal growth. Our combined energy, our vision of a positive future and an ability to work together successfully will deepen the school's commitment to the people of Oak Bluffs. What children learn here is very important. The way in which they use that learning to enhance life is even more important.

Monday, June 16.....	*Final exams begin (reduced school schedule)
Friday, June 20.....	*Last day of school

*These dates will be delayed for each additional day school is closed for weather emergencies.

SUPERINTENDENT OF SCHOOLS

Mrs. Marney Toole, Chairperson
Martha's Vineyard Superintendency Union
P. O. Box 256
Oak Bluffs, MA 02557

Dear Mrs. Toole:

In accordance with the laws of the Commonwealth of Massachusetts I am pleased to submit the Annual Report of the Superintendent of Schools for 1985 to you and the chairpersons of the individual school committees.

The big news in public education this past year was the passage of Chapter 188, The Massachusetts Public School Improvement Act. This bill is a complex piece of legislation designed to promote excellence in education and is a result of numerous meetings of educators, legislators, and parent groups during the past few years. The Island school system has been receiving guidelines from the State on the various aspects of this bill and at this point we have accomplished the following.

- A) School Improvement Councils have been formed in all elementary schools and funding has been received at the rate of \$10.00 per pupil in Grades K-6.

The expenditure of these funds will be determined by the Councils with the approval of the local school committees.

- B) All school committees and all towns have voted to accept Professional Development Grants for their local schools.

It was necessary to have four of the six towns vote to approve the High School Grant also and this has been done.

These funds have been applied for and when received will be used to supplement teachers' salaries and shall be considered a stipend.

Numerous other items in the School Improvement Act such as minimum teachers' salary, school district evaluation, evaluation of teachers and administrators, essential skills grants and educational technology grants as well as other items are awaiting the formation of guidelines and will be implemented when these are accomplished.

On the local scene, it has been a busy year in regards to building additions and renovations. The Oak Bluffs Elementary School has awarded the bid for four (4) additional rooms and has recently poured the foundation. We anticipate completion of this project by early spring. Edgartown and West Tisbury are presently out to bid on substantially larger projects and we are anticipating bids will be awarded by mid-February. If we do have a successful bidder, we are hoping that the projects will be under way by early spring.

We had three (3) retirements occur during this past year.

Mr. David MacDonald, Principal of the Oak Bluffs School, retired last summer. Mr. Robert Abbey, an Elementary School Principal, from Bernardston, MA, was selected from many out-standing candidates as his replacement.

Mrs. Nancy Leighton - Oak Bluffs School

Mrs. Dorothy White - Edgartown School

These people retired after many years of fine service to our Island students. We would like to thank these educators for their efforts and wish them a long and healthy retirement.

In conclusion, I would like to thank the members of my office staff for their assistance to me over this past year. Mrs. Surprenant, Mrs. King, Mrs. Macy, and Mr. Seklecki, have made a fine team and their tireless efforts in making our office function so efficiently is greatly appreciated.

The Administrative Cabinet has again served our school system well and it appears that we will continue to use the expertise of these individuals on an island-wide basis in the coming year.

To the members of the various island school committees I would like to thank you for your support. Your efforts are not always appreciated by all but I am well aware of the time and effort spent by each committee member.

Last, but hardly least, I would like to thank you, Mrs. Toole, for the leadership you provide, as Chairman of the Union School Committee, for me and the committee members. It has been an interesting year and I look forward to the further implementation of the Education Reform Bill as it provides bigger and better things for our students.

Respectfully submitted,

FRANCIS E. PACHICO
Superintendent of School

REGIONAL HIGH SCHOOL PRINCIPAL

Mr. Francis E. Pachico
Superintendent of Schools
Martha's Vineyard Regional High School District
Vineyard Haven, MA 02568

Dear Mr. Pachico:

The 1984-85 school year was another very successful time for the Regional High School. It was a year in which almost 50% of the graduating class entered four year colleges and 62% planned to continue education beyond graduation; a year in which the Vineyard was league champion in at least one sport each season; a year in which teachers Ed Kopec and Maureen MacLeod developed one of the country's first high school holographic laboratories for studying light through a three dimensional photo production; and a year in which Pierre Hebert, the Culinary Arts instructor was awarded the *Certified Culinary Educator Certificate* and the *Certified Executive Chef* by *American Culinary Federation Educational Institute*.

Among the colleges to which our senior class won entry were the following national institutions: Dartmouth, Macalester, Colorado College, Syracuse, Worcester Polytech, Bentley, University of Denver, University of Pennsylvania, George Washington University, Wellesley, Rensselaer Polytech, American University and Haverford College and the various colleges and universities of the excellent Commonwealth of Massachusetts system.

The Special Needs department expanded its services because of the increase of students with hearing impairments and students identified as learning disabled. Four honors level students were offered advanced placement testing as the school experimented with future program concepts. The school also became part of a collaborative in which selected students could take college courses at Cape Cod Community College with other advanced students from all over the Cape.

Eleven seniors won the President's Academic Fitness Award and Angela Ashley was awarded the Superintendent's Award as the top all-around student.

The music program continued its impressive growth with more than 40% of the student body involved in it daily. Six students were selected for All State Music Honors and once again the All-Cape chorus selections were dominated by students from the little Vineyard high school. The travels of the music groups includes an exchange with Walpole High School and very exciting program with Middletown High School in Nova Scotia.

In the spring of 1985 the Spanish III students began a ten week experimental program of teaching Spanish to elementary school classes. Our students worked with the lower grades in Tisbury, Edgartown and West Tisbury and taught basic language concepts. Because of the success of this activity we are looking forward to another session in 1986.

The Vineyard greatly expanded its use of air transportation because of increased concern for student athlete class time and greater involvement in programs for the gifted on the Cape. The boat transportation was too time consuming and all available weekend scheduling had become fully utilized. The result has been dramatic in terms of more consistent and increased hours of class time.

The very large entering freshman class presented many challenges for the 1984-85 school year. More sections of every basic course had to be added. The inadequate space for assemblies and concerts was quickly felt. Finally pressure came to initiate a space needs study using the same architectural firm which was engaged to solve the problem for siding deterioration on the Rufus Shorter Wing of the high school.

1984 saw the introduction of teachers Christine Wiley and Diane Caporale to the Science staff, Laura Gliga and Andrea Galvin to the Special Needs staff, as well as the permanent assignment of Shauna Nute to the latter group. Kathleen Shannon began as librarian and Charlene DeBettencourt once again joined the teacher ranks in a Social Studies/English combination position. At the end of the year three teachers left the staff to join husbands off-Island - Nancy Holden, Diane Caporale and Frances Hale.

The first teacher to be awarded the Marion Higgins Teacher of the Year Award was Marge Harris. She was selected as our local nominee for National Teacher of the Year. The local award was named for Miss Higgins, that master Island teacher who taught so many Vineyard students.

The year also was a time of remembering as the older sections of the building were dedicated to Charles E. Davis, the first principal who served so well for twenty years.

The 1985-86 school year opened with much promise and many challenges for excellence. This was possible because of the continued outstanding work of teachers at the Regional through another school year.

Respectfully submitted,

GREGORY T. SCOTTEN
Principal

MARTHA'S VINEYARD REGIONAL HIGH SCHOOL DISTRICT

February 6, 1986

To the Citizens of the Town of Oak Bluffs:

In compliance with Section VIII of the Agreement under which the District was formed and in accordance with the recommendations of the Office of the Director of Accounts, I submit the Reports of Receipts and Expenditures for the fiscal year ending June 30, 1985 and the Balance Sheet as of June 30, 1985.

Respectfully submitted,

ALFONSO M. PALACIOS
Treasurer

NOTICE

In accordance with General Laws, Chapter 64, Section 15, public notice is hereby given that the Town Clerk is prepared to furnish blanks for the RETURN OF A BIRTH to parents, householders, physicians and mid-wives who apply therefor.

The attention of parents and others is called to the importance of recording vital statistics correctly. If any errors or omissions are discovered, the same should be reported to the Town Clerk so that corrections may be made in accordance with the law. Failure to correct birth information may result in inconvenience to the child in later years, such as entering school, seeking employment, property rights, voting rights, marriage, military and naval service, veterans' benefits, travel outside the United States, etc., when a birth certificate is required.

General Laws, Chapter 46, Section 6, provides that "Parents within 40 days after the birth of a child, and every householder within 40 days after a birth is his house, shall cause notice thereof to be given to the town clerk of the town where such child is born..."

General Laws, Chapter 273 of 1946 provides that "Any resident of this Commonwealth who marries outside the Commonwealth and thereafter resides within the United States...may personally present to the town clerk of the town where such person was domiciled at the time of said marriage an original certificate, declaration or other written evidence of the same, or a photostatic copy thereof. The clerk may file such... as evidence establishing such marriage..."

**REPORT OF THE ANNUAL TOWN ELECTION
TOWN OF OAK BLUFFS
APRIL 11, 1985**

At this Annual Town Election there were four hundred fifty-nine ballots cast, of which fifty-two (52) were absentee. The polls were open from 10:00 a.m. until 7:00 p.m. for the reception of voters.

Poll workers were Wentworth T. Tripp, Warden, Helen S. Schneider, Deborah deBettencourt, Patricia Law, Ida K. Geyer, Lois DeBettencourt.

At 7:00 p.m. David Madeiras arrived to assist with the counting of ballots.

The official results are as follows:

Moderator:

Frederick L. Loud, Jr.....	Three Hundred Seventy-nine (379)
Blanks.....	Seventy-nine (79)
Other.....	One (1)

Selectman:

Roger W. Wey.....	Three Hundred Forty-three (343)
Blanks.....	Ninety-nine (99)
Others.....	Seventeen (17)

Cemetery Commissioner:

Louis G. Votta.....	Three Hundred Ninety-seven (397)
Blanks.....	Fifty-eight (58)
Others.....	Four (4)

School Committee:

Jacqueline A. Vail.....	Three Hundred Fifty-six (356)
Blanks.....	One Hundred Three (103)

Park Commissioner:

Allan A. deBettencourt.....	Three Hundred Fifty-eight (358)
Blanks.....	Ninety-eight (98)
Others.....	Three (3)

Water Commissioner:

James Moreis.....	Three Hundred Sixty-two (362)
Blanks.....	Ninety-five (95)
Others.....	Two (2)

Finance Committee:

Jesse B. Law, III.....	Three Hundred Sixty-two (362)
Kenneth N. Rusczyk.....	Three Hundred-eleven (311)
Blanks.....	One Thousand Four Hundred Nine (1409)

(Five were to be elected)

Write-ins-

Joseph Amil.....	Seventy-two (72)
Melvin DeBettencourt.....	Fifty-three (53)
Shirley Graves.....	Forty-seven (47)
Others.....	Forty-one (41)

Planning Board:

John C. Bradford.....	Three Hundred Thirty-one (331)
Peter M. Martell.....	Two Hundred Eight (208)
Peter G. Palches.....	Two Hundred Five (205)
Blanks.....	One Hundred Seventy-four (174)

Referendum Question:

Yes.....	Two Hundred Seventy-eight (278)
No.....	One Hundred Sixty-seven (167)
Blanks.....	Fourteen (14)

Three Warden:

William N. deBettencourt, Jr.....	Three Hundred Fifty-nine (359)
Blanks.....	One Hundred (100)

It should be noted:

There also appeared on the official ballot the office of Oak Bluffs Housing Authority, however, at the Annual Town Meeting of this Town it was voted not to accept Chapter 121B, Section 3- which is the Housing Authority and therefore, there is no Housing Authority as the article defeated it by a standing vote of- Eight (8) for One Hundred Eighty-seven (187) Against.

At 10:30 p.m. a public declaration of the votes was announced by the Town Clerk.

The used and unused ballots, and all material related to this election were returned to the Town Hall vault for keeping according to statute.

10:30 p.m. Adjourned

JANE P. VOTTA, C.M.C., Town Clerk

**REPORT OF THE ANNUAL TOWN MEETING
HELD APRIL 9 AND 10, 1985**

Pursuant to the above Warrant, the Inhabitants of the Town of Oak Bluffs qualified to vote in elections and Town affairs met at the Oak Bluffs School gymnasium on School Street in said Oak Bluffs on Tuesday, the ninth day of April, at seven o'clock in the evening.

At 7:00 P.M. the meeting was called to order by the Moderator. He announced there was a quorum present and that one hundred fifty-six voters had been checked off as entering the hall and he read the preamble to the Warrant and the Constable's return.

Rev. James F. Greene, from the Sacred Heart Parish gave invocation.

The pledge of allegiance was led by Sam W. Kane, a student in the third grade of the Oak Bluffs School.

Selectman Rebello presented Edmond G. Coogan, the outgoing Selectman with a proclamation from the State Senate and Selectman Linda Marinelli presented him with a proclamation from the Secretary of State Michael Joseph Connolly. Jane P. Votta, the Town Clerk, presented him with a parting gift from the Town Hall employees. Mr. Coogan chose not to seek re-election to a position he has held since December 1978.

Richard J. Mavro, who has been a member of the Oak Bluffs Finance Committee for eighteen years has also chosen not to seek re-election. Jesse B. Law, III, Chairman of the Finance Committee and nephew of Mr. Mavro, presented him with a proclamation from the State Senate in honor of his many years of faithful service to the Town.

Article 1. Selectman Coogan offered the Town Report as the report of the Board of Selectmen.

Selectman Marinelli announced that the cover on the Town Report was in honor of the 250th anniversary of the Martha's Vineyard Camp Meeting Association.

At this point Moderator Loud asked for a moment of silence in honor of those Town residents who had died during the year.

Article 2. The following officers were elected on the floor of Town Meeting:

Inspector of Slaughtering: Joseph Nunes; Fence Viewers: Alfred M. Metell and Peter W. Williamson; Poundkeeper: Ernest Garvin; Field Drivers: Joseph Nunes and Antone J. deBettencourt, Sr.; Surveyors of Lumber and Measurers of Wood and Bark: Herbert A. Combra, Jr. and Robert W. Yapp.

Article 3. Moved that the Town vote to raise the necessary sums of money to defray the general expenses of the Town (Budget - Page 176 of the 1984 Town Report) and to make the appropriations therefor.

Article 44. Voted under Article 3.

Article 5. Voted unanimously to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1985, in accordance with the provisions of the General Laws, Chapter 44, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws Chapter 44, Section 17.

Article 6. Voted to transfer the sum of Fifteen Thousand Dollars (\$15,000.00) from Surplus Revenue to the account "Insurance".

Article 7. Voted unanimously to transfer the sum of Six Thousand Dollars (\$6,000.00) from Surplus Revenue to the account "Town Counsel, Legal Fees."

Article 8. Voted unanimously to defeat this article.

Voted had the article passed to take the funds from Surplus Revenue.

Article 9. Voted unanimously to transfer from Surplus Revenue the sum of Thirteen Thousand Four Hundred Seventy-Six Dollars (\$13,476.00) for completion of the police contract for Fiscal Year 1986.

Article 10. Voted unanimously as amended to transfer from Surplus Revenue Five Thousand Dollars (\$5,000.00) for the purchase of one bay sidewalk at the Martha's Vineyard Arena.

Article 11. Voted to amend Schedule A of the Personnel By-laws as follows:

SCHEDULE A

Refer to Page 189 and 190 of the 1984 Annual Town Report for the complete schedule.

Article 12. Voted to amend Schedule B-1 of the Personnel By-laws as follows:

SCHEDULE B - 1

Fiscal 1985-1986

Annual Salary Schedule

Refer to Page 190 of the 1984 Annual Town Report for the complete schedule.

Article 13. Voted to amend Schedule B of the Personnel By-laws as follows:

SCHEDULE B
Fiscal 1985-1986

Refer to Page 191 of the 1984 Annual Town Report for the complete schedule.15

Article 14. Voted to amend Schedule C of the Personnel By-laws as follows:

SCHEDULE C
Fiscal 1985-1986

Refer to pages 191 and 192 of the 1984 Annual Town Report for the complete schedule.

Article 15. Voted as amended to transfer from Surplus Revenue the sum of Five Hundred Dollars (\$500.00) to be paid per year - and establish the position of Conservation Officer, said position to be appointed by the Conservation Commission.

Standing Vote:

Yes 86

No 37

Article 16. Voted as amended to pay a bill from a prior fiscal year from Surplus Revenue "School Department" to Campbell Oil Co. in the amount of Two Thousand Three Hundred Seventy-two Dollars and Two Cents (\$2,372.02).

Article 17. Voted as amended to authorize the Board of Selectmen to enter into an agreement with the Town of Tisbury and the U.S.D.A. Soil Conservation Service to construct a herring run at the head of Lagoon Pond and sign any necessary indemnity agreements, and to transfer from Surplus Revenue the sum of Ten Thousand Six Hundred Twelve Dollars and Fifty Cents (\$10,612.50) as the Town's share of the cost of the herring run.

Article 18. Voted as amended to transfer from Federal Revenue Sharing Funds the sum of Five Thousand Dollars (\$5,000.00) to be used for substance abuse (education and enforcement), to be put into a separate fund for the Police Department, said fund to be dispersed at the discretion of the Chief of Police, who will maintain a separate dispersal and accounting system and will be required to file an annual statement or accounting to the Board of Selectmen.

Article 19. Voted as amended to transfer from Surplus Revenue the sum of Two Hundred Dollars (\$200.00) to the Martha's Vineyard Citizens Consumer Action Group for the purpose of educating the inhabitants on consumer protection.

Article 20. 1. To establish a Board of Health separate from that of the Board of Selectmen-

Yes 85

No 58

2. Voted unanimously to have an elected Board of Health consisting of three members - one to serve for one year; one to serve for two years; one to serve for three years beginning with the Annual Election of 1986 and thereafter all terms to be for a three year term in accordance with the General Laws, Chapter 41, Section 1.

3. Voted unanimously the starting salary for the position will be Six Thousand Six Hundred Seventy-Seven Dollars (\$6,677.0) total for three members thereby reducing the salary of the Board of Selectmen by that amount.

Article 21. Voted to indefinitely postpone this article.

Voted to adjourn this Annual Town Meeting until April 10th, 1985. 11:30 p.m.

April 10th, 1985

Article 22. Voted to take no action on this article, there was no amount of money indicated nor how by whom it would be down.

Article 23. The Moderator announced this article required 2/3rds vote, however, he declared it unanimously defeated by voice vote.

Article 24. Voted unanimously to accept Chapter 653 of the Acts of 1982, Clause 37-A relating to Real Estate Tax Exemptions for the Blind.

Article 25. Voted unanimously to direct the Board of Selectmen to have House Bill 6278, Chapter 377 of the Acts of 1984 amended to read as follows:

SECTION 1. (Line 5 last word "Commercial", Line 6 first two words - "Shellfish Permits") removed and in their place insert the following words - "All Shellfish Licenses and Permits".

Article 26. Voted unanimously to transfer from Surplus Federal Revenue Sharing Funds the sum of Three Thousand Five

Hundred Dollars (\$3,500.00) for an audit of the Town's Federal Revenue Sharing Funds.

Article 27. Voted unanimously to rescind the article which appears under Board of Health Regulations of Chapter XII of Local Board of Health Regulations which reads:

“Dumping grounds have been provided on land of Manuel S. deBettencourt near Farm Pond.”

Article 28. This article was withdrawn.

Article 29. Voted unanimously to instruct our State Representative to file legislation which will enable the Planning Board members to have terms of five years, with one member being elected each year.

Article 30. Voted unanimously as amended to adopt the following by-law:

Section 1:

A Committee known as the Capital Program Committee shall be established, composed of one member appointed by the Finance Committee, one member appointed by the Planning Board, one member appointed by the Moderator and three members to be appointed by the Selectmen. The members from the Finance Committee and the Planning Board and the Moderator shall be appointed for one year terms. The other members shall be appointed for three year terms such that one will expire each year. The Town Accountant shall be an ex-officio member without right to vote. A member who ceases to reside in the Town shall resign. A vacancy shall be filled for the unexpired term in the manner of the original appointment. The Committee shall choose its own officers.

Section 2:

Section 3:

These two sections were voted as printed in the 1984 Town Report on Page 194.

Article 31. Voted as amended to amend the Oak Bluffs Zoning By-Laws by adding Section 3-1-e-8 Conversion of a house or accessory building to provide for a guest apartment will be permitted only if the following conditions are met:

- (a) The house must have been owner-occupied by the initial petitioner for five previous years and must continue to be owner-occupied after the special permit issues.
- (b) There shall be at least one, off-street parking space for each dwelling unit on the lot.
- (c) The guest apartment shall not exceed 750 square feet of floor area.
- (d) There must be at least 7,500 square feet of open space on the lot which is unpaved and unoccupied by any structure.
- (e) The petitioner must comply with the rules and regulations of the Board of Health.
- (f) The Board of Appeals may not grant a special permit under this section in the Coastal District.

Article 32. Voted to withdraw this article.

Article 33. Voted as amended by a standing vote of-

Yes 73

No 1

to amend the Oak Bluffs Zoning By-laws by adding Section 20 - Flood Plain Zone as follows:

Section 20 - FLOOD PLAIN ZONE

20-Purpose. The Town of Oak Bluffs recognizing the dangers inherent upon coastal flooding at times of hurricanes or severe storms and as a means of protecting its citizens and their property, hereby establishes a series of Flood Plain Overlay Districts and Zoning Regulations for construction of structures and for the use of the land within these districts. Such districts are defined as shown on the Flood Insurance Rate Map, (FIRM), as published by the Federal Emergency Management Agency effective March 18, 1985, as amended, accompanied by Oak Bluffs Flood Insurance Study and on file with the Town Clerk, Planning Board and Building Official.

20-2 Base Flood Elevation Levels. The coastal area of the Town shall have Base Flood Elevation Levels established as Zones A1-30, A0 and VI-V30.

20-3 Flood Plain Permits. Permits for all proposed construction and uses of land within the Flood Plain Districts shall be required for the following:

- (a) New construction of residential or non-residential structures.
- (b) Substantial improvement (as defined) of any existing structure.
- (c) The addition to existing structures of increased water, electric or sewerage and septage systems shall conform to the rules and regulations adopted by the Board of Health.
- (d) Alterations of the land form (as defined).

20-4 - Requirements. All Flood Plain Permits granted Under Section 20-3 above shall be subject to the following provisions:

20-41 - Any new construction or substantial improvement to be undertaken within the Flood Plain District shall be in accordance with the Massachusetts State Building Code, or Town by-laws, if more restrictive.

20-42 - The lowest floor of any new and substantially improved residential structures shall be elevated to or above the base flood elevation level. In the Coastal District, Section 2.7A, height shall be measured from the base flood elevation.

20-43 - In any new residential structure, there shall be no basement, and upon the making of a substantial improvement no new basement shall be installed.

20-44 - The lowest floor of any new and substantially improved non-residential structures shall be elevated to or above the base flood elevation to be floodproofed (as defined) to this level.

20-45 - All new and replacement utility and water facilities shall be located and constructed to minimize or eliminate flood damage.

20-46 - All new and replacement sanitary sewerage systems shall be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters. On-site waste disposal systems are to be located to avoid impairment to them or contamination from them during flooding.

20-47 - Approval for any alteration of the land form (as defined) shall be obtained from the Board of Appeals by special permit. No alteration of the land form shall be permitted where there may be the liability of altering the drainage or run-off to the detriment of other landholders or the Town. Before granting a special permit for the alteration of the land form, the Board of Appeals shall duly consider any recommendations by the Conservation Commission and the Planning Board.

20-5 - Additional Requirements in V (Velocity) Zones.

If proposed construction or alteration of the land form is located within a V Zone (as defined), all Flood Plain Permits granted under Section 20-3 above shall be subject to the following additional requirements:

20-51 - All new construction within the V Zones (as defined) shall be located landward of the reach of mean high tide.

20-53 - All new construction and substantial improvements within the V Zones shall be elevated on adequately anchored pilings or columns and securely anchored to piles or columns so that the lowest floor (excluding the pilings or columns) is elevated to or above the base flood level. A registered professional engineer or architect shall certify that the structure is securely anchored to adequately anchored pilings or columns in order to withstand velocity waters and hurricane wave wash.

20-52 - All new construction and substantial improvements within the V Zones shall have the space below the lowest floor free of obstructions or be constructed with breakaway walls (as defined) intended to collapse under stress without jeopardizing the structural support of the structure so that the impact on the structure by abnormally high tides or wind-driven water is minimized. Such temporarily enclosed space shall not be used for human habitation.

20-54 - The use of fill for structural support of buildings within the V Zone is prohibited.

20-55 - Man made alterations of sand dunes within the V Zones is prohibited.

Special Permits:

20-61 - The Board of Appeal smay grant a special permit in the case of:

(a) New construction and substantial improvements to be erected on a lot adjacent to lots where existing structures have previously been constructed below the base flood level.

(b) Non-residential structures such as boathouses, boatyards or structures designed for education and research, the nature of which requires their location within the Flood Plain District.

(c) Restoration and construction of structures listed in the National Register of Historic Places or the official State Inventory of Historic Places.

20-62 - Special permits shall only be issued upon a determination by the Board of Appeals that:

(a) Failure to grant the special permit would result in hardship to the applicant.

(b) The granting of the special permit will not result in increased flood heights, additional threats to public safety, extraordinary public expense or conflict with existing local by-laws, and

(c) The relief granted is the minimum necessary considering the flood hazard.

20-63 - Following the granting of such special permit, the Board of Appeals shall notify the applicant in writing that the issuance of a special permit to construct a structure below the base flood level will result in:

(a) Increased premium rates for flood insurance; and

(b) Increased risks to life and property.

- 20-64 - The Board of Appeals shall maintain a record of special permits including the reasons for their issuance.
- 20-65 - Except as heretofore set forth all other procedural and legal requirements regarding the issuance of special permits shall apply to this by-law.
- 20-7 - Administration: The Building Inspector shall administer the by-law as follows:
- 20-71 - Review proposed construction and alteration of the land form (as defined) within Flood Plain Districts to assure that all necessary permits have been received from those governmental agencies from which approval is required by Federal or State Law, or Town By-law.
- 20-72 - Obtain and maintain records of the elevation (in reaction to Mean Sea Level) of the lowest floor, including basement, of all new or substantially improved structures. In addition, maintain records as to whether or not such structures contain a basement.
- 20-73 - If a structure has been floodproofed, obtain and maintain records of the elevation (in relation to Mean Sea Level) of the lowest floor and the elevation to which the structure was floodproofed. In addition, maintain records of floodproofing certification which have been prepared by registered professional engineers and architects in relation to the adequacy of floodproofing methods.
- 20-8 - In Zones AO, for new construction and substantial improvements, it is required that:
- (a) Residential structures have the lowest floor (including basement) elevated above the crown of the nearest street to or above the depth number specified on Oak Bluffs Flood Insurance Rate Map.
 - (b) Non-residential structures have the lowest floor (including basement) elevated above the crown of the nearest street to or above the depth number specified on Oak Bluffs Flood Insurance Rate Map or to be floodproofed (as defined) to or above that level.

DEFINITIONS:

In this by-law, the following terms shall have the following meanings unless a contrary meaning is required by the context or specifically prescribed.

Alteration of the Land Form: Any man-made change in the existing character of the land including filling, grading, paving, dredging, mining, excavation or drilling operation other than routine excavation, well-drilling, back-filling, grading and paving incidental to the construction of a residence or other structure for which a building permit has been issued.

Base Flood Elevation Level: The level to which coastal waters may rise under the effect of wind, tide, and hurricane surge. Base flood means the flood having a 1% chance of being equalled or exceeded in any given year. Base Flood Elevation Levels are measured in feet above Mean Sea Level.

Breakaway Walls: Any type of walls, whether solid or lattice, and whether constructed of concrete, masonry, wood, metal, plastic or any other suitable building material which are not part of the structural support of the building and which are so designed as to breakaway, under abnormally high tides or wave action, without damage to the structural integrity of the building on which they are used or any buildings to which they might be carried by flood waters.

Flood Plain District: Those areas subject to coastal flooding at the Base Flood Elevation Levels established in Section 20-2 of this By-law. The Flood Plain Districts are shown on the FIRM map on file in Town Hall with the Town Clerk, Planning Board and Building Official.

Flood Plain Permits: All permits required by Section 20-4 of the Zoning By-law and shall be in addition to all other permits required by Town By-laws, State and Federal Laws for the construction of a structure or the alteration of the land form.

Floodproofing: Watertight with wall substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effect of buoyancy. A registered professional engineer or architect shall certify that the floodproofing methods are adequate to withstand the flood depths, pressures, velocities, impact and uplift forces and other factors associated with the base flood.

Mean Sea Level: Whenever the Mean Sea Level appears in this By-law, it shall be the Mean Sea Level Datum of 1929, known as the National Geodetic Vertical Datum.

Substantial Improvements: Any repair, reconstruction, addition or improvement of a structure, the cost of which equals or exceeds 50% of either the assessed or fair market value (performed by an independent appraiser), of the structure either (a) before the improvement or repair is started, or (b) if the structure has been damaged and is being restored before the damage occurred. For the purposes of this definition substantial improvement commences when the first alteration of any

wall, ceiling, floor or other structural part of the building commences whether or not that alteration affects the external dimensions of the structure. The term does not, however, include any project for improvement of a structure to comply with existing state or local health, sanitary or safety code specifications which are solely necessary to assure safe living conditions.

Velocity Zones (V-Zones): Those direct coastal areas within a Flood Plain District which may be subject to extreme damage from the velocity of wave action or storm surge. The V-Zones are shown on the Town FIRM map on file in Town Hall with the Town Clerk, Planning Board and Building Official.

At this point Moderator Loud recognized Selectmen Coogan who stated he wished to have paragraph 4 of the "Report of the Chairman of the Board of Selectmen" which appears on page 12 of the 1984 Town Report clearly understood. When he referred to 'properly bound public records' he was referring to the article passed a year ago authorizing the microfilming of records and did not mean the binding of same.

A motion was made and duly seconded and voted to adjourn this Annual Town Meeting until Thursday, April 11th, 1985 at ten o'clock in the morning when the voters will vote for the candidates on the official ballot at the Oak Bluffs School Gymnasium.

8:12 p.m. adjourned.

Attest- JANE P. VOTTA, C.M.C., Town Clerk

Summary:

Raise and Appropriate (budgets)	\$3,426,214.73
Transfer Surplus Revenue	53,156.52
Transfer Federal Revenue Sharing Funds	8,500.00
Water Available Surplus	396,584.08

**REPORT OF A SPECIAL TOWN MEETING
HELD IN OAK BLUFFS
ON APRIL 9TH, 1985**

Moderator Frederick L. Loud, Jr., Esq. announced that one hundred fifty-six (156) voters were present.

Article 1. This article was voted as amended by a standing vote of
164 Yes
0 No

"Voted as amended the following motion presented by Selectmen Edmond G. Coogan - I move that the Town vote to confirm, approve and authorize the issuance of bonds or notes of the Town in accordance with the provisions of Chapter 44 of the General Laws, Chapter 645 of the Acts of 1948, as amended, or any other applicable enabling authority, for the purposes described in, and pursuant to, the votes adopted under Article 23, 24, 25 and 26 of the Warrant for the Annual Town Meeting held April 10, 1984."

Article 2. This article was voted by a standing vote of

FINANCE COMMITTEE

During the calendar year of 1985 the Oak Bluffs Finance Committee held ten meetings.

Recently the following letter was sent to all Town department heads:

“Once again the members of the Oak Bluffs Finance Committee find it necessary to write and remind you of our feelings in relation to overspending.

Too often Department Heads appear before our Committee and before Town Meeting requesting funds be transferred and funds be made available for, many times, purchases that have already been made.

The Finance Committee with the start of this New Year are informing you we are taking a very strong position and will not look favorably upon Department Heads who request funds once they have made the purchase.

Last November the Special Town Meeting showed many examples of this type of expenditure and it is our sincere hope this will not be the case during this year or the years to follow.

In closing we would like to mention that you all get a monthly appropriation statement from the Town Accountant and it is your obligation as a Department Head to be certain you are in balance with the Accountant at all times.”

The Finance Committee supports a 4% Cost of Living increase and a step where applicable.

Due to a resignation of one of our appointees to the Personnel Board, our Vice-Chairman, Kenneth Ruscyk, has willingly agreed to fill the position on a temporary basis.

The Finance Committee has voted to support the forthcoming Impact Study which will be done through the Personnel Office.

The Finance Committee welcomes all to attend their open meetings and requests that support is rendered to their decisions at Town Meeting.

As I prepare to leave the position as Chairman of the Finance Committee, I would like to take this opportunity to thank all of you for your time, support and endurance.

Respectfully submitted,

JESSE B. LAW, III
Chairman

WARRANT FOR A SPECIAL TOWN MEETING

Commonwealth of Massachusetts

County of Dukes County, ss

To either of the Constables in the Town of Oak Bluffs, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to warn the inhabitants of the Town of Oak Bluffs, who are qualified to vote in Town affairs and elections to assemble at the School Gymnasium, School Street, in Oak Bluffs on April 8, 1986 at seven o'clock in the evening, then and there to act upon the following articles:

Article 1. To see if the Town will vote to rescind the vote on Article #20 of the 1985 Annual Town Meeting, said rescision to be effective with the passing of this article, and thereby to revert back to the Board of Selectmen also serving as the Board of Health in this Town, or take any other action relative thereto. (Petition Article). Finance Committee, 4 No, 2 Abstentions, 1 Yes to Not Recommend.

Article 2. To see if the Town will vote to amend the vote on Article #20, Part 3, voted at the April 1985 Annual Town Meeting, by striking out the clause, "thereby reducing the Salary of the Board of Selectmen by that amount", or take any other action relative thereto. (Petition Article). Finance Committee, Not Recommended.

Article 3. To see if the Town will vote to transfer from Surplus Revenue the sum of Forty-Five Thousand Dollars (\$45,000.00) to the appropriation "Insurance", or take any other action relative thereto. (Board of Selectmen Article). Finance Committee, 8 Yes.

Article 4. To see if the Town will vote to transfer from Surplus Revenue the sum of Nine Thousand Five Hundred Dollars (\$9,500.00) to the appropriation "Street Lighting", or take any other action relative thereto. (Board of Selectmen Article). Finance Committee, 8 Yes.

Article 5. To see if the Town will vote to transfer from Surplus Revenue the sum of Forty Thousand Dollars (\$40,000.00) to the appropriation "Town Counsel, Legal Fees", or take any other action relative thereto. (Board of Selectmen's Article). Finance Committee, 1 Abstention, 7 Yes.

Article 6. To see if the Town will vote to transfer from Surplus Revenue the sum of One Thousand Eight Dollars (\$1,008.00) to pay a bill of a prior fiscal year from William P. Franzese, Town Counsel, or take any other action relative thereto. (Board of Selectmen's Article). Finance Committee, 1 No, 7 Yes.

Article 7. To see if the Town will vote to transfer the sum of One Thousand Five Hundred Dollars (\$1,500.00) from Surplus Federal Revenue Sharing Funds to purchase two new hand-held portable two-way radios to be used by on-call personnel of the Oak Bluffs Fire Department/Ambulance Service, or take any other action relative thereto. (Fire Department/Ambulance Service Article). Finance Committee, 8 Yes.

Article 8. To see if the Town will vote to transfer the sum of Nine Thousand Dollars (\$9,000.00) from Surplus Federal Revenue Sharing Funds to purchase thirty (30) new pagers and chargers to be used by the Oak Bluffs Volunteer Fire Department, or take any other action relative thereto. (Fire Department Article). Finance Committee, 8 Yes.

Article 9. To see if the Town will vote to transfer the sum of Nine Thousand Dollars (\$9,000.00) from Surplus Federal Revenue Sharing Funds to purchase a new copy machine with service contract for the Oak Bluffs Town Hall, or take any other action relative thereto. (Board of Selectmen Article). Finance Committee, 8 Yes.

Article 10. To see if the Town will vote to transfer the sum of Two Thousand Dollars (\$2,000.00) from Surplus Revenue to the appropriation "Pay for Separate Inspectors", or take any other action relative thereto. (Building Inspector's Article). Finance Committee, 8 Yes.

Article 11. To see if the Town will vote to transfer the sum of Twelve Thousand Dollars (\$12,000.00) from Surplus Federal Revenue Sharing Funds for drainage on Maple Avenue, Carole Avenue, Wayland Avenue, Tuckernuck Avenue, Lagoon Road and County Road, or take any other action relative thereto. (Highway Department Article). Finance Committee, 8 Yes.

Article 12. To see if the Town will vote to transfer the sum of One Thousand Two Hundred Dollars (\$1,200.00) from Surplus Revenue for the purpose of constructing a bus turn-around on Beach Road, or take any other action relative thereto. (Highway Department Article). Finance Committee, 8 Yes.

Article 13. To see if the Town will vote to transfer the sum of Twenty Thousand Dollars (\$20,000.00) from Surplus Federal Revenue Sharing Funds to cover the purchase of two new cruisers to replace the current ones, or take any other action relative thereto. (Police Department Article). Finance Committee, 8 Yes.

Article 14. To see if the Town will vote to transfer the sum of Nine Thousand Dollars (\$9,000.00) from Surplus Federal Revenue Sharing Funds to purchase a generator and radio for the Civil Defense Department, or take any other action relative thereto. (Civil Defense Article). Finance Committee, 8 Yes.

Article 15. To see if the Town will vote to transfer the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for partial funds for the Impact Study, or take any other action relative thereto. (Personnel Board Article). Finance Committee, 8 Yes.

Article 16. To see if the Town will vote to transfer the sum of One Thousand Six Hundred Seventy-Four Dollars (\$1,674.00) from Surplus Revenue to pay two unpaid bills of a prior fiscal year due to Fairhaven Marine, Inc. from the Harbor Master's Department, or take any other action relative thereto. (Board of Selectmen Article). Finance Committee, 2 No, 6 Yes.

Article 17. To see if the Town will vote to transfer the sum of One Thousand Dollars (\$1,000.00) from Surplus Revenue for the printing and updating of Town By-law Books, or take any other action relative thereto. (Planning Board, Building Official, and Town Clerk's Article). Finance Committee, 8 Yes.

Article 18. To see if the Town will vote to transfer the sum of Seventeen Thousand Dollars (\$17,000.00) from Surplus Federal Revenue Sharing Funds to purchase a new truck for the Forestry Department, or take any other action relative thereto. (Forestry Department Article). Finance Committee, 8 Yes.

Article 19. To see if the Town will vote to transfer the sum of Two Thousand Five Hundred Dollars (\$2,500.00) from Surplus Revenue for the purpose of resodding the baseball diamond at Viera Park, or take any other action relative thereto. (Park Department Article). Finance Committee, Not Recommended.

Article 20. To see if the Town will vote to transfer the sum of Sixteen Thousand Nine Hundred Ninety-Eight Dollars (\$16,998.00) from Surplus Revenue for tuition cost for two (2) Special Education students presently

attending the Martha's Vineyard Regional High School, or take any other action relative thereto. (Superintendent of Schools Article). Finance Committee, 8 Yes.

Article 21. To see if the Town will vote to transfer the sum of Ten Thousand Dollars (\$10,000.00) from the Fiscal 1986 appropriation "Gasoline" and the sum of Eight Thousand (\$8,000.00) from the Fiscal 1986 appropriation "Town Buildings' Utilities" for a total of Eighteen Thousand Dollars (\$18,000.00) for the purpose of purchasing a new 1986 2 to 3 yard Diesel Dump Truck for the Highway Department, or take any other action relative thereto. (Highway Department Article). Finance Committee, 8 Yes.

Article 22. To see if the Town will vote to adopt the following By-law:

Section 4

4-1

Water Resource Protection District By-Law

- A. 1) The groundwater underlying this Town is the only source of its existing and future drinking water supply;
- 2) The groundwater aquifer is integrally connected with, and flows into, the surface waters, lakes, streams and coastal estuaries which constitute significant recreational and economic resources of the town used for bathing and other water-related recreation, shellfish and fishing;
- 3) Accidental spills and discharges of petroleum products and other toxic and hazardous materials have repeatedly threatened the quality of such groundwater supplies and other related water resources on Martha's Vineyard and in other Massachusetts towns, posing potential public health and safety hazards and threatening economic losses to the affected communities;
- 4) Unless preventive measures are adopted to prohibit discharge of toxic and hazardous materials and to control their storage within the town, further spills and discharges of such materials will predictably occur, and with greater construction, commercial and industrial development, population, and vehicular traffic in the Town of Oak Bluffs and on Martha's Vineyard.
- 5) The foregoing conclusions are confirmed by findings set forth in the "Water Quality Management Plan for Martha's Vineyard", April 1978 prepared by the Martha's Vineyard Commission pursuant to Section 208 of the Federal Clean Waters Act; by the report entitled "Edgartown Water Resource Protection Plan", February, 1983, prepared for the Edgartown Board of Health by Anderson-Nichols & Co., Inc., and "Public Drinking Water Resource Protection Plan", May 1985, by The Martha's Vineyard Commission.

B. Supplementary Regulations:

Overlay Districts are districts with supplementary regulations to those of the underlying zoning districts and to other town regulations. Where there is a conflict between any other regulations and the overlay district regulations, the more limiting requirements shall prevail.

C. Water Resource District:

- 1) The objectives of the Water Resource Protection District is to protect the public health by preventing contamination of the groundwater resources providing water supply for the Town.
- 2) The Water Resource Protection Districts are shown on the Oak Bluffs Water Resource Protection Map, this overlay map dated January 24, 1986, shall become an official part of the town zoning map and shall be on file for public inspection with the Town Clerk and the Planning Board. The area delineated shows the zone of contribution for each municipal well. (The area from which each well draws its drinking water.)
- 3) Sewage flow estimates shall be determined using procedures given in the Massachusetts State Environmental Code. Minimum Requirements for the Subsurface Disposal Sanitary Sewage 1977, Title 5.

D. Regulations:

1) Prohibited Uses:

- a) New Underground fuel tanks
- b) Chemical treatment of septic systems
- c) Outside storage of road salt, fertilizer and pesticides

2) Permitted Uses - Commercial or Residential development with on site subsurface sewage disposal systems; provided that:

- a) The wastewater flow estimates for new lots shall not exceed 110 gallons of wastewater flow per day per 15,000 square feet of land area.
- b) Existing lots shall be permitted 330 gallons of wastewater flow per day or 110 gallons of wastewater flow per 15,000 square feet of land area, whichever is greater.
- c) Existing lots (Prior to the date of adoption of this by-law exceed the limits of 2b) if a special permit can be obtained as specified by Section 3-1-e-8 of the Oak Bluffs Zoning By-law.

3) Uses by Special Permit:

- a) Any use established after the date of adoption of this by-law which involves the generation, use or storage of any toxic or hazardous materials (as defined by (M.G.L. 21c) in greater quantities than that associated with a normal household use. (see definition, Section F).
- b) Parking lots greater than 3,500 square feet, unless the lot shall have an impervious surface and shall be constructed with oil retention catch basins.

E. Special Permits:

The Special Permit Granting Authority for the Water Resource Protection District shall be the Planning Board, and as such be subject to the notice, hearing, and other procedures and criteria applicable to the Planning Board actions on Special Permits, and subject to the following regulations and conditions:

- 1) Such Special Permits shall be granted in the Planning Board determines, in conjunction with other town agencies as specified in Section E.2 below, that the intent of this by-law, as well as the criteria, are met. In making such determination, the Planning Board shall give consideration to the simplicity, reliability, and the feasibility of the control measures proposed and the degree of the threat to water quality which would result if the control measures failed. The Planning Board shall explain any departures from the recommendations of the other town agencies in its decision.
- 2) Review by other town agencies. Upon receipt of the Special Permit application by the Planning Board, the Planning Board shall transmit one copy each to the Highway Department, the Board of Health, and the Water Department, for their written recommendations. Failure to respond in writing within 45 days shall indicate approval by said agencies. Five copies of the application shall be furnished by the applicant.
- 3) Special Permit Criteria - Special Permits under section D.3 shall be granted only if the Planning Board determines, in conjunction with the other town agencies as specified above, that groundwater quality resulting from on-site waste disposal and other on-site operations will not fall below federal or state standards, if existing groundwater quality is already below those standards on-site disposal will result in no further decisions.
- 4) Submittals - In applying for a special permit under this section, the information listed below shall be submitted.
 - a) A complete list of all chemicals, pesticides, fuels, and other potentially toxic or hazardous materials

to be used or stored on the premises in quantities greater than those associated with the normal household use, accompanied by a description of measures proposed to protect all storage containers/facilities from vandalism, corrosion, and leakage, and to provide for control of spills.

- b) A description of potentially toxic or hazardous wastes to be generated, indication storage and disposal methods.
- c) Evidence of approval by the Massachusetts Department of Environmental Quality Engineering (DEQE) of any industrial waste treatment or wastewater system over 15,000 gallons per day capacity.
- d) For underground storage of toxic or hazardous materials, evidence of qualified professional supervision of system design and installation.
- e) Analysis certifying compliance with Section E.3, such analysis if required by the Planning Board shall be done by a technically qualified expert, at the expense of the applicant.

F. Definition:

The following defines toxic or hazardous materials and list activities that are presumed to utilize, generate or store them. Also included are activities that do not present a toxic concern but are otherwise not consistent with protection of the well.

TOXIC OR HAZARDOUS MATERIALS

Any substance or mixture of such physical, chemical or infectious characteristics as to pose a significant, actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this zone of contribution. Toxic or hazardous materials include, without limitations, organic chemicals, petroleum products, heavy metals, radio-active or infectious wastes, acids, and alkalies, and include products such as pesticides, herbicides, solvents and thinners. Wastes generated by the following activities, without limitation, are presumed to be toxic or hazardous, unless and except to the extent that anyone engaging in such an activity can demonstrate the contrary to the satisfaction of the Planning Board.

-airplane, boat and motor vehicle service and repair or storage

-chemical and bacteriological laboratory operation

-cabinet making

-dry cleaning

-electronic circuit assembly

-metal plating, finishing and polishing

-motor and machinery service and assembly

-painting, wood preserving and furniture stripping

-pesticide and herbicide application

-photographic processing

-printing

-dye

-car washes

-landfills

-mining lands

-animal feedlots

-parking lots over 3,500 square feet which are not designed and constructed using impervious surfaces and oil retention catch basins.

G. Non-Conforming Uses

Any lawful use of land or building or part thereof at the time of the adoption of this ordinance may be continued, with normal repairs and maintenance permitted, although such use does not conform to the provisions of this ordinance, provided however that:

- 1) A non-conforming use shall not be changed to another non-conforming use.
- 2) A non-conforming use shall not be expanded or enlarged.
- 3) A non-conforming use which has been discontinued for one (1) year shall not be resumed.
- 4) Any non-conforming building or land use damaged or destroyed by fire or other natural disaster may be repaired or replaced if the extent of damage is less than 50% of its fair market value prior to damage.

H. Violations:

Written notice of any violation of Sections D and E shall be provided by the Building Inspector and/or Zoning Enforcement Officer to the owner of the premises and to the Planning Board, specifying the nature of the violations and a schedule of compliance, including cleanup of any spilled materials. This compliance schedule must be reasonable in relation to the public health hazard involved and the difficulty of compliance. In no event shall more than 30 days be allowed for either compliance or finalization of a plan for longer-term compliance. or take any other action relative thereto. (Planning Board Article).

Article 23. To see if the Town will vote to grant a deed without warranties conveying lots numbered 93, 94, and 95 Second Avenue as shown on a "Plan of Central Place, Oak Bluffs, (Assessors' Map No. 11-295) to Belmeta G. Mendes; in consideration of the town acquiring title to lots numbered 96, 97 and 98, Second Avenue and School Street as shown on "Plan of Central Place" (Oak Bluffs Assessors' Map No. 11-294); or take any other action relative thereto. (Board of Selectmen and Assessors' Article)

Hereof fail not and give public notice by causing this notice to be posted in two or more places in the Town at least fourteen days before the time of said meeting, and published. And make due return of this Warrant with your doings to the Town Clerk at the time and place specified.

Given under our hands this twenty-first day of March, 1986.

LINDA MARINELLI
ANTHONY J. REBELLO
ROGER W. WEY
Board of Selectmen
Town of Oak Bluffs

Pursuant to the foregoing instructions, I hereby certify and warn the inhabitants of the Town of Oak Bluffs, qualified to vote as expressed in this Warrant to meet at the time and place specified.

Attest: WENTWORTH T. TRIPP, Constable

WARRANT FOR THE ANNUAL TOWN MEETING

Commonwealth of Massachusetts

County of Dukes County, ss

To either of the Constables in the Town of Oak Bluffs, Greeting:

In the name of the Commonwealth of Massachusetts, you are herby directed to warn the inhabitants of the Town of Oak Bluffs, who are qualified to vote in Town affairs and elections to assemble at the School Gymnasium, School Street, in Oak Bluffs on April 8, 1986 at seven o'clock in the evening, then and there to act upon the following articles:

Article 1. To hear the reports of the Selectmen and other Boards and Committees.

Article 2. To choose all other necessary officers.

Article 3. To see what sum of money the Town will vote to raise and appropriate for the payment of town debt and necessary expenses of the several departments for the ensuing fiscal year, and to act upon the recommendations of the Finance Committee, or take any other action relative thereto.

Article 4. To see if the Town will vote to fix the salary and compensation of all elected officers of the Town as provided by Section 108 of Chapter 41, of the General Laws, as amended for the twelve month period July 1, 1986 to June 30, 1987.

or take any other action relative thereto. (Personnel Board Article). Recommended by Finance Committee, 11 Yes.

Article 9. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1986, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Article 10. To see if the Town will vote to transfer from Surplus Revenue the sum of Sixteen Thousand Dollars (\$16,000.00) for the purpose of purchasing a computerized parking and traffic system for the area around the harbor, or take any other action relative thereto. (Parking and Traffic Committee Article). Finance Committee, 3 Yes, 4 No, 1 Abstention Not to Recommend.

Article 11. To see if the Town will vote to transfer interest from the Cemetery Perpetual Care Trust Fund Account in the amount of Three Thousand Dollars (\$3,000.00) for the purpose of erecting street markers, new fencing and planting trees in Oak Grove Cemetery, or take any other action relative thereto. (Cemetery Commissioners' Article). Recommended by Finance Committee, 8 Yes.

Article 12. To see if the Town will vote to transfer from Surplus Revenue the sum of Five Thousand Dollars (\$5,000.00) to be used for substance abuse (education and enforcement), to be put into a separate fund of the Police Department, said fund to be disbursed at the discretion of the Chief of Police, who will maintain a separate disbursement and accounting system and will be required to file an annual statement or accounting to the Board of Selectmen, or take any other action relative thereto. (Police Department Article). Recommended by Finance Committee, 8 Yes subject to available funds.

Article 13. To see if the Town will vote to install a street light on Pole #110/20 on Shirley Avenue, or take any other action relative thereto. (Petition Article). Finance Committee, refer to Street Lighting Committee.

Article 14. To see if the Town will vote to transfer from Surplus Revenue the sum of Ten Thousand Dollars (\$10,000.00) to be added to the Stabilization Fund, or take any other action relative thereto. (Board of Selectmen's Article). Recommended by Finance Committee, 8 Yes.

Article 15. To see if the Town will vote to adopt the following By-Laws:

1. At each Annual Town Meeting of the Town of Oak Bluffs, the warrant will carry a Selectmen's Article specifying an amount of money (including zero) which may be taken from Surplus Revenue and used to reduce the total to be raised by taxation in the budget approved for the next ensuing fiscal year.
2. The above amount to be taken from Surplus Revenue shall be proposed by the Selectmen at a regular or special Selectmen's meeting at least 30 days before the Annual Town Meeting, or take any other action relative thereto. (Board of Selectmen's Article). Recommended by Finance Committee, 8 Yes.

Article 16. To see if the Town will vote to approve taking Fifty Thousand Dollars (\$50,000.00) from Surplus Revenue and to reduce by that amount the total to be raised by taxation in the budgets approved for Fiscal 1987, or take any other action relative thereto. (Board of Selectmen's Article). Recommended by Finance Committee, 8 Yes.

Article 17. To see if the Town will vote to transfer the sum of Eight Thousand Five Hundred Dollars (\$8,500.00) from Surplus Federal Revenue Sharing Funds for an audit of the Town's Accounting Records, or take any other action relative thereto. (Board of Selectmen's Article). Recommended by Finance Committee, 8 Yes.

Article 18. To see if the Town will vote to transfer the sum of Four Thousand Dollars (\$4,000.00) from Surplus Revenue to purchase a used police cruiser for the Building Inspector's Department, or take any other action relative thereto. (Building Inspector's Article). Recommended by Finance Committee, 8 Yes.

Article 19. To see if the Town will vote to amend Schedule A of the Personnel By-laws by adding the following:

Position	Schedule	Pay Grade	Pay Rate Unit	Work Week
Deputy Shellfish Constable	B	3	Week	40

or take any other action relative thereto. (Shellfish Department Article). Not Recommended by Finance Committee, 11 No.

Article 20. To see if the Town will vote to amend the following By-law:

CHAPTER XVIII of the Town of Oak Bluffs By-laws.

Harbor (I) by striking the following sections and replacing them with the following provisions:

Title-Regulations governing the use of ponds, beaches and the Oak Bluffs Harbor.

Section 1. Speed Limit - 4 Miles per hour and no wake.

Section 2. Refuse - No dumping refuse of any sort.

Section 14. No discharge of any kind.

(II) By adding the following:

16. No bleach, detergents, abrasives or soaps may be dumped into the water.

17. Moorings - A mooring consists of any equipment used to secure a boat for more than three days.

A. A maximum of 52 moorings may be issued in Lagoon Pond.

B. A maximum of 10 moorings may be issued in Sengekontacket Pond.

C. No moorings are permitted in Farm Pond, Sunset Lake or Crystal Lake.

D. Commercial Shellfishermen may be issued moorings to be used from October through April.

18. Beaches - For all beaches within Oak Bluffs:

- A. Vehicles of all types are not permitted on beaches except in emergencies or at the existing Town boat launching ramps.
- B. There are two beach launching ramps for Lagoon Pond, one each at the ends of Lagoon and Colonial Avenues.
- C. There are three boat launching ramps for Sengekontacket Pond, all on the pond side of State Beach, one next to the Little Bridge, one 1/2 mile from the Little Bridge, and the third 270 yards from the Big Bridge.
- D. There is one boat launching ramp in Oak Bluffs Harbor located off East Chop Drive.
- E. Parking is not allowed on any beach.

19. Piers -

- A. Definitions:
 - Dock - A platform extending from shore over water either floating or fixed which is used either to secure, protect or provide access to boats, or is used for recreational activities.
 - Float - (Raft) - A platform over water, either floating or fixed, that is connected to the shore.
 - Pier - A dock that is in a fixed position, supported by piles or pillars.
- B. No new piers or docks in Sengekontacket Pond and Farm Pond.
- C. No new piers in Lagoon Pond until the Lagoon Pond Study is complete and a policy is made, the policy will be made within six months of receiving the Lagoon Pond final report.

21. Enforcement - The Shellfish Constable and his assistants may write tickets for violations of this by-law. or take any other action relative thereto. (Conservation Commission Article). Recommended by Finance Committee, 11 Yes.

Article 21. To see if the Town will vote to amend the following By-law:

CHAPTER XVIII of the Town of Oak Bluffs By-laws.

Regulations governing the use of ponds, beaches and the Oak Bluffs Harbor.

20. No jet skis are permitted.

or take any other action relative thereto. (Conservation Commission Article). Recommended by Finance Committee, 11 Yes.

Article 22. To see if the Town will vote to install a street light on Pole #47/3 at the corner of Pall Mall and Park Street, or take any other action relative thereto. (Petition Article). Finance Committee, refer to Street Lighting Committee.

Article 23. To see if the Town will vote to amend Schedule A of the Personnel By-laws as follows:

Position	Schedule	Pay Grade	Pay Rate Unit	Work Week
Carpenter	B	6	Week	40
Heavy Motor Equipment Operator	B	5	Week	40
Laborer	B	3	Week	40
Laborer (Part-Time or Seasonal)	C	6	Hour	
Mechanic	B	6	Week	40

and to eliminate Highway Superintendent and Assistant Highway Superintendent from Schedule A and place on Schedule D, or take any other action relative thereto. (Highway Department Article). Not Recommended by Finance Committee, 11 No. Wait for Impact Study.

Article 24. To see if the Town will vote to transfer from Surplus Revenue the sum of Fifty-Five Thousand Dollars (\$55,000.00) to be used to purchase a computer system, maintenance contract and supplies for the Town Hall, or take any other action relative thereto. (Computer Committee Article). Recommended by Finance Committee, 7 Yes, 1 Abstention.

Article 25. To see if the Town will vote to amend the Oak Bluffs Zoning By-law by adding the following to Section 3-1:

e (8) Recreational, educational, and community service uses which are not for profit, or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

Article 26. To see if the Town will vote to amend the Oak Bluffs Zoning By-law by adding the following: Section 5

5-3 Business/Residential B-3 Districts

In B-3 Districts, no buildings or structures shall be constructed or altered and no building, structure or premises shall be used for any purpose except for the following:

a. Permitted Uses:

- business or professional offices, bank, medical offices.

Exception: The following uses shall be governed by all sections of this By-law pertaining to R3 District.

b. Special Permit Uses: For uses of the B-3 District the Planning Board shall be the special permit granting authority.

Uses by Special Permit:

- Municipal Uses: Public, religious, sectarian or denominational school, religious buildings

- Farm, including the sale of natural products raised or not raised on the premises

- Retail stores, wholesale jobbers

- Dry Goods: Clothing, furniture, home furnishings, household appliances, hardware & Consumer electric stores

- Restaurants and other places for serving food

- Food and Beverage: Bakeries, meat, fish, dairy, grocery markets; supermarkets

- Places of Entertainment: (theatres, halls, clubs)

- Private Clubs

- Any other use not specifically prohibited

c. Prohibited Uses:

- Airplane, boat and motor vehicle service and repair or storage

- Chemical and bacteriological laboratory operation

- Cabinet making

- Dry cleaning

- Electronic circuit assembly

- Metal plating, finishing and polishing

- Motor and machinery service and assembly

- Painting, wood preserving and furniture stripping

- Pesticide and herbicide application

- Photographic processing
- Printing
- Dyeing or dyemaking
- Car washes
- Landfills
- Mining land
- Animal Feedlots
- Parking lots over 3,500 square feet which are not designed and constructed using impervious surfaces and oil retention catch basins.

Section 7-1

f. B-3 Business/Residential Districts: All uses, shall comply with the following:

1. The minimum lot size shall be 60,000 square feet;
2. The maximum percentage of any site devoted to buildings, roads or parking shall be 50%, leaving 50% of the site open and undeveloped;
3. The maximum gross square footage of any permitted use shall not be greater than 20% of the area of the site;
4. The setback between any structure and any street line shall be at least 100 feet. The setback between any structure and any other lot line shall be at least 50 feet.
5. A buffer zone comprised of trees and landscaping consistent with the rural character of the surrounding area shall be established within 100 feet of any street to any parking or roadway, except access roads;
6. The maximum building height shall be 32 feet;
7. There shall be at least three (3) parking spaces per 1,000 gross square feet of any business use;
8. A minimum of 200 feet of frontage is required in addition to 10 feet of frontage for each 1,000 gross square feet of use;
9. Any application for a permit pursuant to Section 5-3 shall be accompanied by a site plan, prepared by an architect, engineer, or land surveyor and submitted to the Planning Board for review.

Site plans shall indicate existing proposed boundaries and all existing and proposed structures, parking and loading spaces, access, driveways and driveway openings, service areas, and other open areas, and all facilities for lighting, for water supply, for sewage, refuse and other waste disposal, for drainage, for screening, and for other landscape features.

The Site Plan shall provide for:

- a. compliance with the requirements for parking and loading spaces, for lot size, frontage, and heights and lot coverage of buildings, and all other provisions of this By-law;
- b. convenience and safety of vehicular and pedestrian movement on the site and for the location of driveway openings in relation to street traffic;
- c. adequacy of arrangement and the number of parking and loading spaces in relation to the proposed uses of the premises;
- d. arrangement and appearance of proposed buildings, structures, free-standing signs, screening and landscaping;
- e. adequacy of methods for waste disposal, surface and subsurface drainage and lighting;

- f. areas to be left open and undeveloped - such open space shall be guaranteed through dedication by covenant or comparable legal instrument between the property owner and the town;
 - g. where any part of the proposed site falls within an Overlay District the boundaries of the Overlay District shall be shown on the site plan.
10. Where the Planning Board deems it appropriate to evaluate a proposed site, and Environmental Analysis, as set forth in the Rules and Regulations Governing the Subdivision of Land in Oak Bluffs, Massachusetts, February 22, 1974 Section 364, shall be submitted by the applicant.
11. In reviewing a site plan, the Planning Board shall consider in addition to any other condition set forth in these By-laws whether the design and layout of the proposed development is consistent with the character of the surrounding area.
- or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

Article 27. To see if the Town will vote to amend the Oak Bluffs Zoning By-law Section 2, 2-1 Classes of Districts, Business Districts to read B-1, B-2, and B-3, or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

Article 28. To see if the Town will vote to amend the Oak Bluffs Zoning Map by changing from R3 Residential District to B3 Business/Residential District the following:

Map 40 Lots 7, 8, and 9

And delete Map 40 Lots 7, 8, and 9 from the Island Road District. (Section 3-2 Major Road), or take any other action relative thereto. (Planning Board Article). Finance Committee, No Action.

The Annual Town Meeting shall be adjourned until Ten O'Clock in the morning April 10, 1986 at the School Gymnasium, School Street.

Article 29. To elect the following Town Officers on the Official Ballot:

A Moderator for one year.

A Selectman for three years.

A Cemetery Commissioner for three years.

A Cemetery Commissioner for one year.

A Collector of Taxes and Collector of Accounts for three years.

A Treasurer for three years.

A Member of the School Committee for three years.

A Park Commissioner for three years.

A Water Commissioner for three years.

Five Members of the Finance Committee for three years.

Two Constables for three years.

One Member of the Planning Board for five years.

One Member of the Planning Board for two years.

One Member of the Board of Health for one year.

One Member of the Board of Health for two years.

One Member of the Board of Health for three years.

Also, Non-Binding Referendum Question:

Shall this Town accept the provisions of Chapter 736 of the Acts of 1985, "An Act Establishing The County of Dukes County Land Bank", a fair and concise summary of which appears below?

YES
NO

The polls for the reception of votes for the aforesaid officers and Non-Binding Referendum Question will be open from ten o'clock in the morning and will close at seven o'clock in the evening.

Hereof fail not and give public notice by causing this notice to be posted in two or more places in the Town at least fourteen days before the time of said meeting, and published. And make due return of this Warrant with your doings to the Town Clerk at the time and place specified.

Given under our hands this twenty-first day of March, 1986.

LINDA MARINELLI
ANTHONY J. REBELLO
ROGER W. WEY
Board of Selectmen
Town of Oak Bluffs

Pursuant to the foregoing instructions, I hereby certify and warn the inhabitants of the Town of Oak Bluffs, qualified to vote as expressed in this Warrant to meet at the time and place specified.

For PARK COMMISSIONER, For Three Years	Vote for ONE	The Martha's Vineyard Land Bank Act, Chapter 736, creates a seven member Commission consisting of one elected resident for each of the six towns of Martha's Vineyard plus the Secretary of Environmental Affairs. The Act shall impose a two percent (2%) tax on real estate transfers on Martha's Vineyard to be paid by the purchaser. The proceeds from said tax shall be used by the Land Bank Commission to acquire fee simple or lesser interests in real estate for open space preservation and public use. The Act contains thirteen categories of exemptions from the tax, including relief for first time property owners and real estate transfers among members of a family or trust. Half of the revenues generated by sales in a town may be spent within the town for uses authorized by this act. The affirmative vote of all six towns of Martha's Vineyard is required for this act to become effective.
